this county is now making the most strenuous exertions to raise money, and men as substitutes, to avoid the draft into which our fatherly President has just forced us. The plan generally pursued is for the Directors of a district to appropriate, on the credit of the township, \$300 | ship, or corporate authorities of any city for each of the quota, as authorized by additional sums may be required, to ob the game worth the powder?

A daily mail is now sent over the Columbia railrod from Sinking Springs to Fritztown, Ephrata, Litiz, Manheim, Landisville, Silver Springs and Columbia.

A friend from one of the agri cultural sections of this county, told us the other day, that his neighbors, a majority of whom have always heretofore been with the opposition, are now nearly unanimously in favor of PEACE, and that if the Chicago Convention will adopt a PEACE platform and nominate a good, honest and capable man, that they will vote for him. The Democracy of Schuylkill county held their convention on Monday of last week, and nominated the following ticket,

Congress-Hon. Myer Stronse.
State Senator-William H. Randell.

Sheriff-Michael Horan. Cammissioner-David Foley. Director of the Poor-R. C. Wilson.

Auditor—John Leibig.

The ratification of Lebanon county is required to make Mr. Strouse the nominee of the party in the district. As he will, no doubt, obtain it, his triumphant election is a foregone conclusion. Schuylkill county gave last fall over 2000 majority for the Democracy, and will do infinitely better this fall. Lebanon county has been dwindling down yearly from the 1900 majority given for Old Abe in majority this year as it was then above it. There are muttering of no little significance in their ranks. A storm is brewing. Let the abolitionists and warites stand from under.

BROWN'S BRONCHIAL TROCHES .-This Universal Remedy for Coughs, Colds, and Bronchial affections now stands the first in public favor and confidence; this result has been acquired by a test of thirteen years. Its merit and extensive use has caused the Troches to be counterfelted, and we would caution purchasers to be on their guard against worthless imitations.

To Arms ! To Arms !- The Citizen Soldier will find a more deadly foo in the brackish, mud-dy water and damp night sir than in the most determined enemy. HOLLOWAY'S' PILLS so purify the blood and strengthen the stomach and bowels that the soldier can endure these hardships and still be strong and healthy. Only 25 cents per box. 25 cents per box.

In the morning you will find them full and stupid with beef blood, and the meat sucked as dry as a cork.

Stopped Business .- The enornously high taxes imposed by the new revenue law upon the business of cigar making has caused a great many manufacturers to suspend operations and close up their shops. In some counties of this State large numbers of hands have been thrown out of employment.

It is believed that no sacurities offer so great inducements to loniters as the various descriptions of U.S. Bonds. In all other forms of indebtedness, the faith or ability of private parties or stock companies or separate communities only is pledged for payment, while for the debts of the United States the whole property of the country is holden to secure the payment of both principal and interest in coin.

These Bonds may be subscribed for in sums from \$50 up to any magnitude, on the same terms, and are thus made equally available to the smallest lender and the largest cap italist. They can be converted into money at any moment, and the holder will have the benefit of the United States on which interest is payable in gold, on the 3 d day of March, 1884, was \$765,065,000. The interest on this debt for the counting fixed year will be \$45,987,128, while the counting fixed year will be \$45,987,128, while the customs revenue in gold for the current fixed year, anding Juns 30th, 1864, has been so far at the rate of over \$700,000,000 per armum.
