IMPORTANT INVALIDS.

IRON IN THE BLOOD. IT is well known to the medical profession that IRON is the Vital Principle or Life Element of the blood. This is derived chiefly from the food we eat; hut if the food is not properly digested or if, from any cause whatever, the necessary quantity of iron is not taken into the circulation, or becomes reduced, the whole system suffers. The bad blood will irritate the heart, will clog up the lungs, will stupefy the brain, will obstruct the liver, and will send its disease-producing elements to all parts of the system, and every one will suffer in whatever organs may be prediposed to disease.

The great value of

RON AS A MEDICINE

is well known and acknowledged by all medical mer. The difficulty has been to obtain such a preparation of it as will enter the circulation and assimilate at once with the blood. This point, says Dr. Hayes, Massachusetts State Chemist, has been attained in the Peruvian Syrup, by combination in a way before unknown. Syrup, by combination in a way below.

The Peruvian Syrup is a protected solution of the PROTOXIDE OF IRON.

A NEW DISCOVERY IN MEDICINE, that Strikes at
the Root of the Disease by supplying the blood with
its Vital Principle or Life Element—Iron.

The Peruvian Syrup Cares Dyspepsia, Liver Complaint, Dropsy, Fever and Ague, Loss of Snergy, Low Spirits. The Peruvian Syrup Infases strength, vigor, and new life into the system, and builds up an "Iron Constitution."

The Peruvian Syrup Cures Chronic Diarrhosa, Scrofula, Boils, Scurvy, Loss of Constitutional Vigor. The Peruvian Syrup

Cures Nervous Affections, Female Complaints, and diseases of the Kidneys and Bladder. The Peruvian Syrup Is a Specific for all diseases originating in a BAD STATE OF THE BLOOD, or accompanied by Debility or a Low State of the System.

Pamphiets containing certificates of cures and recommendations from some of the most eminent Physicians Clergymen, and others, will be sent free to any address.

We select a few of the names to show the character of the testimonials.

If treated in any other manner they dry up in one part to break out in another whereas this (initment will remove the humors from the system and leave the Patient a vigorous and heal thy man. It will require a little perseverance in bad cases to insure a lasting cure.
