A CARD.

The members of the Perseverance Engine and Hose Company of Lebanon, desire in a public manner to show their appreciation of the splendid entertainment given them by A. Wilhelm, Esq, of Cornwall,—an exhibition of liberality unsurpassed in this vicinity; an entertainment bountiful in the extreme, set out with great taste, and each guest receiving due attention. We are grateful, very grateful to Mr. Wilhelm for this mark of his esteem, and assure him that more than he did for us on the 18th day of August, could not be done by any one, and much less than he did, would have been appreciated. To Mr. Wilhelm and his family we tender our heartfelt thanks, with assurances that their hospitalities will be remembered with the kindliest emotions whilst memory lives within us.

To the assistants who added to our enjoyment we also tender our thanks, and to the North Lebanon R. R. Company, who carried us gratuitously to and from the scene of our pleasure, we are also obliged.

On motion it was unanimously resolved, that the above card be published, and a copy thereof transmitted to Mr. A. Wilhelm.

Lebanon, Sept. 3, 1864.

The offerings of Beef Cattle in Philadelphia, reached about 2000 head last week. The sales ranged at from $10 to $16 for common to good and prime, including a few extra cattle sold at $16½ a17, and one lot at $9¼ gross; the market closed rather dull.

Cows were steady, and 130 sold at $30 a$40 each for springers, and $35 to $65 for cow and calf.

Hogs.—Only about 1000 were offered, and sold at from $14 to $16½ the 100 lbs net, showing little or no change.

Sheep were more plenty and the market dull, with offerings and sales of 9000 head at 6a7c. per lb., gross.

Coughs and Colds.—Those who are suffering from Coughs, Colds, Hoarseness, Sore Throat, &c. should try "*Brown's Bronchial Troches*," a simple remedy which has relieved thousands, and which is in almost every case effectual.

Canning Fruit.—A correspondent of the *Country Gentleman* seasonably reminds us that many fruits may be preserved with little or no sugar. He says: "Currants, gooseberries, peaches and pears require no sugar to preserve them. Raspberries and blackberries do not require more than four ounces of sugar to a pound of fruit, and strawberries but little more. We have now the different kinds, nearly as fresh and good as when first gathered. Put them up the same as if you used the usual quantity of sugar; that is, expel the cold air by heating the fruit after it is placed in the jar, by setting the jars in cold water, which heat to boiling. The jars that we use are self-sealing, with zinc covers, which can be screwed on before the jar is removed from the hot water. We have never lost a jar of fruit put up in them.

Sabre Cuts, Gunshot Wounds, and all other kinds of Wounds, also Sores, Ulcers and Scurvy, heal safely and quickly under the soothing influence of HOLLOWAY'S OINTMENT. It heals to the bone, so that the wound never opens again. Soldiers, supply yourselves. Only 25 cents per pot. 233

Blanks for Bounty and Invalid Pension Claims just printed and for sale at the Advertiser Office.

Howell Fisher, Esq., of Pottsville, has been nominated by the abolition convention of Schuylkill county, as their candidate for Congress.

Mr. John G. Snavely has sold some 6 acres of land in East Lebanon, to a party of this borough, who, it is said, intend to erect a steam forge and pipe mill. He received $600 per acre for his land.

The farm of David Stine, dec'd., in East Hanover township, has been sold to Mr. Thomas Lesher, at 50 per acre.

It has been announced by authority that the draft will, for certain, take place on the the 5th of September, next Monday, in all districts which have not *bought* themselves free. Lebanon borough and most of the districts of this county are nearly or quite full, and the probabilities are that all will be filled this week so that the draft for the whole county, will be avoided. In case there should be a draft the following new decisions will be of interest to our readers:

Exemptions from Dra.—There are many persons holding certificates of exemption granted after the draft of last fall, which certificates are of no value now, for the following reasons:

1st. What were called the legal causes for exemption no longer exist. Under the old law the only son of widows, persons supporting orphan children, &c., were exempted. The present law does not exempt them, and these names have been returned to the box.

2nd. Persons were exempted for physical disability. Except in cases were the board is satisfied that the disability is *permanent*, these names have been returned to the box.

Where the board can now be satisfied that the disability remains and that the party is entirely unfit for a soldier his name will be taken from the box. The sooner such persons make application the better it will be, as it will diminish the number of applications after the draft, which takes place in September. After the 3rd of September causes for exemption will no longer be heard.

Of course, if the quota of your district is full you need not trouble yourselves at all about being exempted.

Question.—Hollo! there Dick and Nancy, where are you going, that you are in such a hurry?

Answer.—Why we are just on our way to Bailly's Photograph Gallery, to have our pictures taken. He takes splendid pictures, and his Gallery is so lit all the time crowded so I said to Nance we will go early this morning before any body else gets there, or we will have to come away again without getting one.

Quest.—Yes! I have heard too that Bailly's Gallery is nearly all the time crowded, and so why don't you go to some other Gallery?

Ans.—Oh my! we could not think of such a thing—We admire the true and beautiful pictures that Bailly takes, so much that we would not go to any Gallery if we could get them for nothing. He has been years, experience in the business, has a complete set of improved instruments, an excellent room, and therefore takes the best pictures in town of course every body that wants a good picture goes to him.

Ayer's Sarsaparilla

Is a concentrated extract of the choice root, so combined with other substances of still greater alterative power as to afford an effectual antidote for diseases Sarsaparilla is reputed to cure. Such a remedy is surely wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove as this has, of immense service to this large class of our afflicted fellow-citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found in the following complaints:—

Scrofula. Scrofulous Swellings and Sores, Skin Diseases, Pimples, Pustules, Blotches, Eruptions, St. Anthony's Fire, Rose or Erysipelas, Tetter or Salt Rheum Scald Head, Ring Worm, &c.

Syphilis or Venerial Disease is expelled from the system by the prolonged use of this Sarsaparilla, and the patient is left in comparative health.

Female Diseases are caused by Scrofula in the blood, and are often soon cured by this Extract of Sarsaparilla.

Do not discard this invaluable medicine, because you have been imposed upon by something pretending to be Sarsaparilla, while it was not. When you have used Ayer's—then, and not till then, will you know the virtues of Sarsaparilla. For minute particulars of the diseases it cures, we refer you to Ayer's American Almanac, which the agent below named will furnish gratis to all who call for it.

Ayer's Cathartic Pills, for the cure of Costiveness, Jaundice, Dyspepsia, Indigestion, Dysentery, Foul Stomach, Headache, Piles, Rheumatism, Heartburn arising from Disordered Stomach, Pain, or Morbid Inaction of the Bowels, Flatulency, Loss of Appetite, Liver Complaint, Dropsy, Worms, Gout, Neuralgia, and for a Dinner Pill.

They are sugar coated, so that the most sensitive can take them pleasantly, and they are the best Aperient in the world for all the purposes of a family physic.

Prepared by J. C. AYER & CO., Lowell, Mass., and sold by all the druggists in Lebanon and dealers in medicine everywhere.
