### A Strange Story.

A truly melodramic anecdote is in circulation in Paris, which must be accepted without notarial vouching, but still as endorsed by being given to the world by those who are not ordinarily bravards. A Russian 'nobleman, extremely wealthy and very "reserved and melancholy, has appeared of late in the best circles, to which he has had most distinguished introducers. The Russian became remarkable for wearing a ring of colossal proportions, covering nearly the en-tire finger, and of singular appear-

The Russian made a nervous twitch with his hand, as though he would like to hide it, while he replied :-is not a lowel, as you suppose, but a tomb." The cutinued—"This jet substance is the bedy of my wife; she had a horror of a tomb in Russia; she was an Ital-ian. 'I promised her that I would guard her day and night during my life, and she reposed in my word, which has never been broken. I tool the body of my wife to Germany, where the most able chemist of the day promised to reduce it, by power- | 🛋 ful dissolvents and by great compression, to a size which would enable me to wear it as a souvenir. For eight days he labored almost constantly in my presence, and I saw the dear remains gradually dissolve and intensify till the residue was the compact mass which you see in the ring, which is my dear wife, whom, as I promised, I will never quit day or night during my life."

A SALUTARY THOUGHT .-- When I -- 5 3 was a young man there lived in our neighborhood a farmer, who was usually reported to boavery liberal man, and uncommonly upright in his dealings. When he had any of the products of his farm to dispose of, he made it an invariable rule to make good measure, rather more than would be required of him. One of his friends observing him frequently doing so, questioned him as to why he did it; he told him he gave too much, and said it would be to his diaadvantage. Now, dear reader, mark the answer of this good man : "God has permitted me but one journey through the world, and when I am gone I cannot return to rectify mistakes." Think of this : There is but one journey through life.
