TEVER and Ague is not the only consequence of the miasunatic poison. A great wately of disorders arise from its irriation, in malarious a istrits, among which are Neuralgia, Rheumatism, Gout, Headwiche, Blindners, Toothache, Earache, Uniterrh, Asthma, Palpelation, Painful Affection of the Spicen. Hysterics Pain in the Bovels, Colic, Paralysis and Derangement of the Stomach, all of which, when originating in this cause put on the intermittent type, or become periodical. This "Cune" expels the poison from the blood with thus cures them alike. It is not only the most effectual remedy ever discovered for this class of complaints, but it is the cheapest and moreover is perfectly safe. No harm can arise from its use, a d the patient when cured is left as healthy as if he had never had the disease. Can this be said or any other cure for Chills and Fever? It is true of this, and it-importance to those afflicted with the complaint cannet be over estimated. So sure is it to cure the Fever and Ague, that it may be truthfully said to be a certain remedy. On the One Dollar Plan: THE ENTIRE STOCK OF One Gold and Silver Watch Manufac= tory, Two Immense Jewelry Establishments; One Silver Plating Ware-house; One Gold Pen and Pencil Maker .-

THOUT REGARD TO COST!

THIS goods are of fashionable styles and mest excelled two fixmanship, and are sacrificed in this was to relieve the proprietors from embarrassment occasioned by a distracting civil war. It should be providently stated, also, that they are mostly of

AMERICAN MANUFACTURE and therefore greatly stoperior to the goods imported from abroad and bawked about as the cheapest ever sold. The simple duty on imported goods, and the high premium on gold (all foreign bills fore payallie in gold.) amount to more than the entire cost fir many of the articles offered by us to the public. To facilitate the sale.

ONLY ONE DOLLAR ONLY UNE DULLAR
will be charged for any article on our list, and this
sum the purchaser need not pay until he knows what
he is to get! This plan accords with the method recently become so popular for disposing of large stocks
of Jewelry and similar productions
