RUMRAL.—The attention of our citizens was attracted
yesterday by a funeral, which, judging from the escort,
was that of an enlisted man of the United States service, yet, on account of the full band of music preceding the hearse, and the expensive display of it, and the
coffin, many supposed that they contained the remains
of some distinguished or high ranking officer. Distinguished remains, indeed they were, although not of
high rank. Corporal Samuel Royer, Ninefy-Sixth Company, Second Battalion, Veteran Reserve Corps, formerly
of Company C, One Hundred and Forty-Ninth Pennsylvania Volunteers, wounded twice in the battle of Gettysburg, had died of his wounds June 20th, and so high
was the esteem around him, that his comrades of the

The Liabilities of Landlords.— Quite an important case bearing on the stolen from guests was decided by the New York Superior Court on the 27th ult. Cleanse the Blood.

W ITH corrupt, disordered or vitiated Blood, you are sick all over. It may burst out in Pimples

ITH corrupt, disordered or vitiated Blood, you are sick all over. It may burst out in Pimples, or Sores, or in some active disease, or it may metely keep you listless, depressed and good for nothing—But you cannot have good health while your blood is impure. Ayer's Sarsaparilla purges out these impurities and stimulates the organs of life into vigorous action, restoring the health and expelling disease.—Hence it rapidly cures a variety of complaints which fare caused by impurity of the blood, such as Scrofula, or Kinge' Evil, Tumors, Ulcers, Sores, Eruptions, Pimples, Blotches, Bolls, St. Anthony's Fire, ltose or Erysipelas, Tetter or Salt Rheum, Scald Head, Ring Worm, Cancer or Cancerous Tumors, Sore Byes, Female Diseases, such as Retention, Irregularity, Suppression, Whites, Sterility, also Syphilis or Venerial Diseases. Liver Complaints, and Heart Diseases. Try Ayer's Sarsaparilla, and see for yourself the surprising activity with which it cleanses the blood and cures these disorders.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little. if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter disappointment has followed the use of the var rious extracts of Sarsaparilla which flood the market, until the name itself has become synonymous with imposition and cheat. Still we call this compound "Sarsaparilla," and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. We think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure. We can only assure the sick, that we offer them the best alterative which we know how to produce, and we have reason to believe, it is, by far the mest effectual purifier of the blood yet discovered by any body.

Ayer's Cherry Pectoral is so universally known to mest effectual purifier of the blood yet discovered by any body.

Ayer's Cherry Pectoral is so universally known to surpass every other remedy for the cure of Coughs, Colds, Induenza, Hoarseness, Group, Bronchittis, Incipient Consumption, and for the relief of Consumptive Patients in advanced stages of the disease, that it is useless here to recount the evidence of its virtues.—
The world knows them.
