Lord M-, with no very large portion of wit or wisdom, had a very exalted opinion of his own powers. When once in a large company, and expatiating about himself, he made the following pointed remark: "When I happen to say a foolish thing, I always burst out a laughing!" "Lonvy you your happiness, my lord then," said Charles Townsend, "for you must certainly lead the merriest life of any man in England.

An Irish glazier was putting a pane of glass into a window, when a groom, who was standing by, began joking him, telling him to put in plenty of putty. The Irishman bore the banter for some time, but at last silenced his tormentor by,-

"Arrah now, be off wid ye, or else I'll put a pain in yer head widout any putty !"

Magnificent Sale.

GOLD AND SILVER WATCHES, JEWELRY, &C. On the One Dollar Plan.

THE ENTIRE STOCK OF One Gold and Silver Watch Manufac tory, Two Immense Jewelry Est blishments, One Silve Pltin; Wre-house, One Gold Pen rnd Pencil Maker .-To be disposed of with disp tch. WITHOUT REGARD TO COST!

THE goods are of fashionable styles and most excellent workmanship, and are sacrificed in this way to relieve the proprietors from embarrassment occasioned by a distracting civil war. It should be prominently stated, also, that they are mostly of AMERICAN MANUFACTURE and therefore greatly superior to the goods imported from abroad and hawked about as the chenness ever sold. The simple duty on imported goods, and the high premium on gold (all foreign bills are payable in gold,) amount to more than the entire cost or many of the articles offered by us to the public. To facilitate the sale.

ONLY ONE DOLLAR will be charged for any article on our list, and this sum the purchaser need not pay until he knows what he is to get! This plan accords with the method recently become so popular for disposing of large stocks of Jewelry and similar productions.

THE PLAN IS SIMPLE!
