How to Restore Color in Silk .--A writer in the Technologist gives the following for the removal of acid stains from colored silks; Brush the part with tincture of iodine after a few seconds, saturate with hydrosulphate of soda and dry gradually.-The color will be perfectly restored. This process is entirely new. The articles mentioned may be procured a at any good drug store.

Avoid Swearing .- An oath is the wrath of a perturbed spirit. It is more. A man of high moral standing would rather treat another

with contempt, than show his indignation by uttering an oath. It is vulgar. Altogether too low for a decent man.

It is cowardly; implying a fear either of not being believed or obèyed.

It is ungentlemanly. A gentleman according to Webster, is a genteel man-well bred and refined. It is indecent, offensive to delicacy, and extremely unfit for human

It is foolish. Want of decency is want of sense.

It is abusive—to the mind which conceived the oath, and to the mouth. which uttered it, and to the personat whom it is aimed. It is venomous; showing a man's

heart to be as a nest of vipers, and every time he swears, one of them starts out from his head. It is contemptible; forfeiting the respect of the wise and good. It is wicked; violating the Divine law and provoking the displeasure of
