The Carbon Advocate.

SATURDAY MORNING, JANUARY 10, 1874.

Local and Personal.

—Candies, wholesale and retail, at Hausman & Kuhns.
—The Governor's message was laid before the Senate and House of Representatives on Tuesday last.
—The ladies of the First Presbyterian church of Mauch Chunk will give a dinner in Rhoads' Hall on the 21st of February.
The First National Bank of Mauch Chunk has declared a semi-annual dividend of 5 per cent, payable on and after the 15th inst.
—This is a good time to subscribe for the CARBON ADVOCATE. The price is only \$1 per year in advance. Try it! \$1.50 is the amount left by Miss Annie Kuehner, recently deceased, to the M. E. Church at Mauch Chunk.
—The Central of N. J. R. R. Co. has erected a very neat little depot at Bowman's. Progress!
—Life has few charms for the Dyspeptic, which is not to be wondered at when we take into account the amount of bodily and mental suffering that this distressing malady generates. The Peruvian Syrup (a protoxide of iron) has cured thousands who were suffering from this disease.
—For family flour, of the very best quality go to J. K. Rickert, East Weissport. Lumber and coal in large or small quantities at lowest market rates. A few lots in Rickertown still unsold—buy at once.
Hausman & Kuhns have still a considerable stock of toys on hand, which they are offering very cheap, suitable for birthday presents.
—The School Board of this borough, at their meeting on Tuesday evening, passed a resolution ordering the prosecution of the children who smashed the windows of the South Lehigh public school building during the recent vacation.
—Fresh bread and cakes daily at Hausman & Kuhns.
—Three tailors, on custom pants, wanted immediately at T. S. Beck's mercantile tailoring establishment, Lehigh, Pa.
—A. Oswald has leased F. Schmidt's store and residence, in Weissport, and will move into it about the 1st of March. Rev. F. T. Hennike has leased Mr. Oswald's dwelling, and will take possession about the same time.
—Several small steals have been perpetrated in Weissport during the past few days. Charles Palsgrove lost a fine ham; on Sunday night Fatzinger & Son's store, at the canal bridge, was entered, and about \$5 worth of articles carried off.
—The protracted meetings are still being held each evening in the Evangelical church, Weissport. Rev. A. F. Leopold, pastor. A number of persons have been added to the church.
—The ice crop apparently will be short in this section. Some of the hotelists in Mauch Chunk are getting the large iceles from the rocks in that neighborhood.
—Our public schools reopened on Monday morning last.
—No matter whether for a funeral, a wedding or a pleasure trip, David Elbert is prepared to furnish first-class teams at very reasonable prices. His livery is fully supplied with good horses and elegant carriages.
—The amount realized at the recent fair and festival for the benefit of the First Presbyterian Church of this borough, was in the neighborhood of \$300. Very satisfactory.
—Wanted, a dwelling house, containing from six to eight rooms, in a central location. Rent must be moderate. Address P. O. Box No. 57, Lehigh, Pa.
—If you want anything in the grocery or provision line, call at J. Fatzinger & Son's, on Bank street. You will be sure to find what you want.
—30,478 persons passed over the Switch-Back Railroad last year.
—Mr. M. A. Abbott, a gentleman widely known and very highly respected, died at his residence in Bethlehem on Friday morning last week.
—In these tight times here is something suggested by an exchange that at least will be worth trying: By expending one penny you can make one ton of coal equal to three tons. One penny's worth of tar water will saturate a tub of coal with treble its original quantity of bitumen, the principal source of their heat and light, and, of course, render one such tub of three times more value than when it was unsaturated.

—The third Tuesday (17th) of February is the day fixed for holding city, ward, borough and township elections. Now look around for your candidates.
—Don't forget the public sale of store st. ck, finishing goods, &c., at Fred's Schmidt's, in Weissport, on Friday and Saturday next, January 10th and 17th, commencing each morning at 10 o'clock precisely.
—Mr. J. Boyd Henri, the architect, of Allentown, was in town on Wednesday, and popped in to see us. He is a first rate fellow, and we are always glad to see him.
—Under the new constitution women are now eligible to any office of control or management under the school laws of Pennsylvania.
—If you want Job Printing of any description, you should call at the CARBON ADVOCATE OFFICE, where you can get it done as quick and as well as elsewhere, and SAVE 25 PER CENT. on your order. Come along. We are ready to serve you.
—Charles Trainer, corner of Lehigh and Iron streets, will supply you with flour and feed, plow your gardens or do your hauling at reasonable rates.
—Wm. Kemmerer is crowded day and evening with customers purchasing cheap and handsome dress goods, dry goods, groceries, provisions and hardware.
—H. A. Beitz has laid in a fine stock of dress goods, just the thing for this season of the year. He offers the finest choice of goods in his line for sale in town. In addition to his dry goods and dress goods, he furnishes the finest stock of groceries to be found.
—If you desire a neat fitting and substantial garment, call in at T. S. Beck's, Postoffice building, and let Lafayette take your measure. There is a choice lot of goods to select from.
—Mr. James R. Struthers has been appointed clerk to the Commissioners, vice John C. Dimmick, who has very efficiently filled that position for the past three years.
—The Directors of the Second National Bank of Mauch Chunk have declared the regular dividend of 5 per cent., and an extra dividend of 1 per cent., making a dividend of 6 per cent. profit for the past six months, payable on and after the 15th inst.
—"A horse! a horse! my kingdom for a horse!" So shouted King Dick; but the people of this section can obtain a good horse and a neat buggy for a very small sum at L. F. Kleppinger's new livery, corner of Bank and Iron streets.
—For the promptness with which the Borough Council responded to the demand to have the sidewalk fixed along Bankway, in last week's ADVOCATE, they deserve our thanks—and they have them.
—Messrs. Snyder & Wills, of Weissport, are running up a fine business. They are now offering a specialty in the way of fine black alpaca, at a figure which is hard to beat; also, a full line of ladies' gents' and children's boots, shoes, gaiters and slippers, at prices which defy competition. You should call now if you wish to secure a bargain.
—Has sold more overcoats, dress coats, sack coats, pants, vests, hats, caps, and other gents' wear, than any two establishments in town, and all because his trade is so large that he can afford to sell cheaper and better than any other. And that is why T. D. Clauss is so successful as a salesman. He is selling overcoats and winter clothing cheaper than they can now be manufactured.
—Parties interested in the widening of Bankway are requested to meet the viewers appointed in the matter, at the Exchange Hotel, in this borough, on Tuesday next.
—We have been informed that a number of men will be taken on at Packerton about February 1st. This will be welcome news to our business men as well as the workmen.
—W. A. Graver is bound to behead. The public are respectfully requested to call and examine his superb stock of ladies' dress goods and notions. He sells no goods bought at auctions, where nothing can be depended upon. All his goods are furnished direct from the factories, and his groceries direct from importers or producers. He warrants everything as represented.

M. E. Church.

Booke his Leg.

Bernard Leinhard's son William accidentally broke his left leg, just above the ankle, on Monday afternoon last. He was playing on a pile of lumber in the neighborhood of Mr. John S. Lentz's new residence, when he fell with the above result. Dr. C. S. Gorman was called in and reduced the fracture, and we are pleased to state that the boy is doing well.

Rev. C. Kessler.

Our readers and the numerous friends of Rev. C. Kessler, in this borough, will no doubt be pleased to read the following letter received by Dr. N. B. Reber a few days since, and published by his kind permission:

SANTA CRUZ, Dec. 26, 1873.

DEAR DOCTOR: I arrived safe and sound last night a week ago. We had no serious adventures; four times we stuck in the snow, and once a broken rail might have destroyed the whole train. The climate here is delightful. Roses, lilies, geraniums and kindred flowers are in full bloom in the gardens. Yesterday I ate strawberries from the bushes, and saw a rose bush whose stem was twenty-five inches in circumference. Apples sell here at 60 cents a bushel, flour at \$6.75 per barrel; butter and eggs are high, but other groceries are considerably cheaper than in L. I spend most of my time in the open air, and I am feeling very well. I feel confident that when I come back to L. you will see a different man altogether. Remember me to all inquiring friends.
Yours, &c., CHAS. KESSLER.

Sir Edwin Landseer.

Of the great painter, Sir Edwin Landseer, the Imperial Biographer of Art says: "No English painter has been more popular, and none—except Sir Thomas Lawrence—has received such immense sums for his works. For the copyright of some of his pictures he obtained \$3,000 (\$15,000), in addition to the original price of the picture. It was a master stroke when the publishers of The Christian at Work presented the triple combination of a magnificent chromo (about two by two and a half feet in size) of Landseer's great painting of dogs and sheep—"The Twins"—with Talmage as editor of their paper, and Spurgeon as special contributor. They deserve success, and will get it. Write to them at 102 Chambers street, N. Y., for sample copies and terms. Agents wanted. See their advertisement."

A Poor Arrangement.

The School Board of this borough on Tuesday last agreed to accept the offer of \$300 a year for the use of one-half of the upper room of the new school building, or what at first was intended as a public hall, provided the lessee could enter sufficient ball for the payment of the rental. We do not consider our School Board has acted very wisely in this matter. We think there is more to be realized from a public hall, and especially here, where a place of this kind is so much needed, than can be by leasing one half for a number of years, and rendering the other portion too small for any public purpose, and this we find to be the opinion of many of our most prominent citizens. And another point, and a pertinent one too, is: Have the School Board the right to lease any portion of the school building for private purposes to any citizen for a given length of time extending over their term of office? We think not; and ask them to keep it for what it was originally intended—a public hall for the benefit of ALL our people. Where is "A Taxpayer" on this question?

Local Creditors of Jay Cooke & Co.

The New York Herald some days ago published a complete list of the creditors of Jay Cooke & Co. The list of names and liabilities occupies over two pages of closely printed matter. Among the creditors we find the following from these parts: Notes of the Thomas Iron Co., \$45,031; Lehigh Valley Railroad, \$25,000; Thomas Iron Co., \$64,567; The Dimes Savings Bank at Stratford, \$23,063; W. H. Blumer, Allentown, \$388; Easton National Bank, \$4,901; Catasquiqua National Bank, \$364; Mauch Chunk Bank, Allentown, \$1,366; First National Bank, Allentown, \$522; Savings Bank Hellertown, \$1,479; South Mt. Iron Co., care Thomas Iron Co., \$4,695; Empire Trust Bank, Allentown, \$400; Peabody Bank of Kutztown, \$3,264; W. H. Gish, cashier of Dimes Savings Bank, Stratford, \$10,000. The first meeting of the creditors will be held on the 15th of January at the Assembly Buildings, in Philadelphia.

Not Settled.

There appears to be an impression in the lower end of the valley that Judge Packer has lost several millions of dollars by the Wheeler suit (for the recovery of certain coal tracts) going against him. The verdict has not been reached, the case having been postponed until the June term of the U. S. Court. Judge Packer has no interest in this matter more than any other stockholder of the L. V. R. R., which absorbed the Hazleton Coal Company who occupied the lands, one quarter of which, with rentals, Mr. Wheeler alleges belongs to the heir whom he represents. The whole value of the property is said to be about \$8,000,000, one-fourth of which, \$2,000,000, and interest and rents amounting to \$500,000 more, is claimed by Mr. W. The L. V. R. R. is liable for about one-fourth this amount, \$500,000; the Robinson estate another quarter, and the remaining half is divided among other parties. Mr. Wheeler is sanguine of success. On the other hand, the most prominent officers of the L. V. R. R. say that there is nothing in the case, and this seems to be verified from the fact that they pay little attention to it and rarely speak of it.—[Democrat.]

[Will the Secretary inform us which was the negative side of this question.] —Ed Advocate.

On motion, adjourned to meet at 7 P. M. Saturday evening, Jan. 10, 1874. J. W. KOONS, President.

S. LEOPOLD, Sec'y.

A bee raiser in New England is said to have patented an invention for the protection of bees from the attacks of the honey moth, which enters the hives at night and riles the stores. The idea arose out of his familiarity with the daily routine not of bees only, but of hens. He observed, retire to rest early; bees seek repose earlier still; no sooner are they sunk in slumber than the moth steals into their abode and devours the produce of their toil. He has now built a stand of hives with a hen house above it. The bees first betake themselves to their dwelling and settle themselves for the night. The hen then comes home to roost on their perch, and as they take their place upon it, their weight sets some simple mechanism to work, which at once shuts down the doors of all the hives! When the day dawns, however, the hens leave their roost, and the removal of their weight from the perch raises the hive doors and gives egress to the bees in time for their morning's work.

PAIN-KILLER!

For Over Thirty Years

Perry Davis' Vegetable Pain-Killer

Has been tested in every variety of climate, and by almost every nation known to Americans.

It is the constant companion and estimable friend of the missionary and the traveler, on sea and land, and no one should travel on our Lakes or Rivers without it.

It has been before the public over thirty years, and probably has a wider and better reputation than any other proprietary medicine of the present day. At this period there are but few ailments with the merits of the Pain-Killer, but while some extol it as a liniment, they know but little of its power in easing pain when taken internally, while others use it internally with great success, but are equally ignorant of its healing virtues when applied externally. We therefore wish to say to all that it is equally successful whether used internally or externally, and it stands to-day, unrivalled by all the great catalogue of family medicines. It is sufficient evidence of its virtues as a standard medicine, to know that it is now used in all parts of the world and that its sale is constantly increasing. No curative agent has had such wide spread sale or given such universal satisfaction. It is a purely vegetable compound, and perfectly safe in unskillful hands.

After thirty years trial, it is still receiving the most unqualified testimonials to its virtues, from persons of the highest character and responsibility. Physicians of the first respectability, recommended it as a most effectual preparation for the extinction of pain. It is not only the best remedy ever known for Bruises, Cuts, Burns, &c., but for Dysentery, or Cholera, or any sort of bowel complaint, it is a remedy unsurpassed for efficiency and rapidity of action. In the great cities of India, and other hot climates, it has become the Standard Medicine for all such complaints, as well as for Dyspepsia, Liver Complaints, and other kindred disorders. For Coughs and Colds, Canker, Asthma, and Rheumatic difficulties, it has been proved by the most abundant and convincing testimony to be an invaluable medicine.

Beware of all imitations. The Pain-Killer is sold by respectable druggists throughout the United States and all foreign countries.

Price—25 cents, 50 cents and \$1 per bottle.

DR. H. T. BOND,

having for Ten Years made a specialty of affections of the alimentary canal, successfully treats all diseases of the Stomach, Liver and Bowels, by his common sense treatment. Dyspepsia, Liver Complaint, Biliousness, Nervous Debility, Hernia (Rupture), Hemorrhoids (Piles), and Tape Worm yield to his treatment after everything else fails. Thousands of cases of diseases of the Throat and Lungs and Nervous Complaints arise from disorder of the digestive functions and disappear under proper treatment. Have you a weak stomach, general debility, indigestion, constipation, acidity of the stomach, palpitation or fluttering at the heart, heart burn, fullness or weight in the stomach, disgust for food, swimming at the head, if so, consult Dr. B. at once.

Do you want something to strengthen you? Do you want to get rid of nervousness? Do you want a good appetite? Do you want energy? If so, consult Dr. B. at once, his common sense treatment will cure you.

Skin Diseases arise from impurity of the blood—and disordered digestion causes impure blood—if the fountain head be vitiated the entire stream is rendered impure—all outward applications such as lotions and salves may dry up a disease for a short time, or drive it in on the vital organs, but Dr. B.'s treatment expels it from the system and makes a perfect cure.

Hernia (Rupture), treated by mechanical appliances and electricity—Radical cure effected in all curable cases.

Piles! Blind, bleeding or itching, cured like magic, instant relief given and speedy cure. The number of those afflicted is truly marvelous. Let no false delicacy prevent, but consult Dr. B. at once and be relieved from a life of misery.

Tape Worm Removed in Three Hours.—Hundreds of patients afflicted with tape worm are doctored and drugged for other complaints, of course without relief. The presence of this disgusting parasite gives rise to a train of symptoms that are often mistaken for other diseases. Dr. Bond removes tape worm, head and all, with purely vegetable medicine in three hours. No fee asked until entire worm is removed.

If you have any of the above diseases, do not hesitate, but at once consult Dr. Bond, and be cured. His treatment is rational and scientific; his remedies are purely vegetable, they act by a assisting nature and restoring the system to a healthy condition. He is the only physician in America that makes a specialty of this class of diseases.

Dr. BOND will visit Lehigh occasionally. During his absence he can be consulted by letter—all communications confidential. Address, describing symptoms, Dr. H. T. BOND, Allen House, Allentown, Pa. nov 23-3m.

Tape Worm! Tape Worm!
Removed in a few hours with harmless Vegetable Medicine. No fee asked until the entire worm, with head, passes. Refer these afflicted to residents of the city whom I have cured, that had been unsuccessfully treated at the Jefferson Medical College, on Tenth street; had taken in vain turpentine, the so-called specifics, and all known remedies. Dr. T. P. KIRKEL, No. 223 North Ninth Street, Philadelphia. The Doctor has been in business for over twenty-five years, and is perfectly reliable. Call and see. Address free. Removed tapeworm from a child six years old, measuring 20 feet. At his office can be seen specimens, some of them over forty feet in length, which have been removed in less than three hours by taking one dose of his medicine. Dr. Kunkel's treatment is simple, safe and perfectly reliable, and no fee until the worm, with head, passes. Dr. H. F. KUKEL, 223 North Ninth Street, Philadelphia, Pa. Sept. 6, 1873 ly
