HUMOROUS.

—The coming tailor will incorporate a square of sand paper in smokers' pants.
—Jones mixes a little suthin' in his water, because, he says, ever since the deluge, fresh water tastes of drowned sinners.
—A Newspaper office in western Iowa rents part of the office for a cheese factory, and thus exhibits a double claim to the power of the press.
—An intelligent voter in Burlington, Iowa, in scratching the name of Mrs. Hagar, wrote upon the ballot, "Dant want no woman in Maine." Just like 'em.
—"Pat," said a traveller, "why did you make the stone wall around your shanty so thick?" "Why, please yer honor, I heard they have extraordinary high wind in America so I thought if I built it about as thick as it was high, if it should blow over it would be just as high as it was before, yer honor."
—Did you ever stand on a bench to reach something and have the bench give out? Not smash down, but sto it out behind and fling you. This is what happened to a North street man, Monday night, while he was putting up a picture, and when he went down he made a pully in the wall with his nose nine inches long, and nearly turned that valuable organ bottom upward.
—"India, my boy, said an Irish officer to a friend on his arrival at Calcutta, "is the finest climate under the sun; but a lot of young fellows come out here, and they drink and they eat and they drink and they die; and then they write home to their parents a pack of lies, and say it is the climate as has killed them."

Iron in the Blood

MAKES THE WEAK STRONG.

The Peruvian Syrup, a Protected Solution of the Protozide of Iron, is so combined as to have the character of an aliment, as easily digested and assimilated with the blood as the simplest food. It increases the quantity of Nature's Own Vitalizing Agent, Iron in the blood, and cures "thousand ills," simply by Toning up, Invigorating and Vitalizing the System. The crickled and vitalized blood permeates every part of the body, repairing damages and waste, searching out morbid sensations, and leaving nothing for disease to feed upon.

This is the secret of the wonderful success of this remedy in curing Dyspepsia, Liver Complaint, Dropsy, Chronic Diarrhea, Dolis, Nervous Affections, Chills and Fevers, Humors, Loss of Constitutional Vigor, Diseases of the Kidneys and Bladder, Female Complaints, and all diseases originating in a bad state of the blood, or accompanied by debility or a low state of the system. Being free from Alcohol, in any form, its energizing effects are not followed by corresponding reaction, but are permanent, insuring strength, vigor, and new life into all parts of the system, and building up an Iron Constitution.

Thousands have been changed by the use of this remedy, from weak, sickly, suffering creatures, to strong, healthy, and happy men and women; and invalids cannot reasonably hesitate to give it a trial.

Lehighon, Pa.

Dr. J. Walker's California

Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol.

The question is almost daily asked, "What is the cause of this unparalleled success of WALKER'S BITTERS?" Our answer is: that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system.

Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of WALKER'S BITTERS in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs, in Bilious Diseases.

The properties of DR. WALKER'S VINEGAR BITTERS are Aperient, Diaphoretic, Cathartic, Nutritious, Laxative, Diuretic, Sedative, Counter-irritant, Stimulant, and Anti-Bilious.

Grateful Thousands proclaim VINEGAR BITTERS the most wonderful Invigorant that ever sustained the sinking system.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Bilious, Remittent, and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to DR. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fortified.

Dyspepsia or Indigestion, Headache, Pain in the Shoulder, Cough, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offspring of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Goitre, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, &c. In
