66 WE And Our Neighbors."

Is the latest and racie-t work by Harriet BeecherStowe

Author of "Uncle Tom's Cabin," "The Minister's Wooing," "My Wife and I," and other powerful stories, each the literary sensation of its period; and this story promises a like genuine and wholesome sensation. It hears directly on social to les of interest, embracing the romance of youthful companionships, the brightness of happy home-life, the spicy complications of neighborhood associations, and such follies and profound domestic miseries as have led to the widespread Temperance movement of the day.

Mrs. STOWE is now in the prime of that genius which wrote "Uncle Tom's," ripened by years of study and observation. Her novels are immensity popular, "Uncle Tom's Cabin" alone outselling by hundreds of thousands any edit on of any original work ever published—save the Bible. Her book two years ago, "My wife and I," outsold every contemporary. Such a pure and ennobling story as "We and Our Neighbors" should be read in every home. This new Serial is now running exclusively in the
