In Sunday school, the other day, when the basket was handed around for a collection for the heathen, the teacher was somewhat surprised to find a bank note in it. Closer examination reveal-ed the fact that it was a counterfeit. The inquiry among the boys brought to the front one who acknowledged having handed in the spurious scrip. Dr. J. Walker's California Vinegar Bitters are a purely Veg-etable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of VINEGAR BITnlleled success of VINEGAR BIT-TERS!" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Reno-vator and Invigorator of the system.
