The Civil Rights Bill .- A sapient looking darkey, oscillating between t wenty and twenty-five summers, over took an old negro on the street the other day, and wedging him in a fence corner proceeded, to acquaint him with all the gorgeous provisions of the Civil Rights bill. Young Africa imparted to o'd Africa a fund of valuable information, thusly:

"Well, Uncle Billy, Summer's swivil rights bill dun passed de Senate ob de United States widout a murmur."

"Is dat so, Josia:?"

"Jess so, Uncle Billy. And say Uncle Billy, we colored pussons is gwine to see whose pervisions is in de pot. We are gwine to be allowed to ride free on de railroads, smoke in de ladies' cars and put our feet on de purcussions ob de seats wheneber we please."

"Is dat so, Josiar?",

"Jess so, Uncle Billy. And say, Uncle Billy, we's gwine to be allowed to go to de white schools and set up on de platform wid de teacher and learn gehography, trigger-manometry, gehominy, Latin, Dutch, French, Choctaw, algeebra, rheumatics, de rule of thrice and de diarrhea."

"It dat so, Josiar?" "Jess so, Uncle Billy. A roof which covers a very noisy

bonnets. Mrs. Malaprop says she "dosen't want to vote because she could not bear

the shock of the electrical franchise." An organ grinder says he doesn't understand how any cultured musical mind can object to selections from Handel-if it does turn with a crank!

A fellowin Mauch Chunk who declared he could name any liquid blindfold "gave it up," when he was handed a sip from the pump. "It reminds me." he said, of something I have tasted in my youth, but for the life of me I can't tell what it is,"

A married man, hearing that the eating of certain kinds of animal food would ald the same tissues of the human body -as, for instance, calves' brains would nourish the cater's brains, or beef's liver the eater's liver - immediately gave strict orders at his family market that no more tongue of any kind be sold to his wife or mother-in-law.

"Our boy Fred," says a correspondent "has a fine lot of hens, and takes great care of the eggs. One night on coming from school he found the cook had rifled every nest of its contents, even to the nest eggs. Fred was in a terrible state of mind and sobbed out, 'And oh, father, if you'll believe it, Bridget even cooked up the hen's patterns, and they won't be able to lay s good shaped egg this summer."

A Sunday School inquiry and answer may be told as follows: "Tommy Howell, can you tell me what is meant by the word miracle, so often used in the Bible which you now hold in your hand?" "Yes, Miss Harvey, I think I can. Ma says if you and Captain Smith, who was with you at the Presbyterian pienie, don't marry soon it will

"Who's there?" said Jenkins, one cold winter night, disturbed in his repose by some one knocking at the street door. "A friend," was the answer. "What do you want?" "Want to stay here all night." "Queer taste, ain't it? But stay there by all means," was the benevolent reply.

Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of VINEGAR BIT-TERS ?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs, in Bilious Diseases.

The properties of Dr. Walk-er's Vingar Bitters are Aperion, Dia-phoretic, Carminative, Nutritions, Laxa-tive, Diuretic, Sedative, Counter-Irritant, Sudorific, Alterative, and Anti-Billion:

Grateful Thousands proclaim VINEGAR BITTERS the most wonderful Invigorant that ever sustained the sinking system.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to Dr. J. Walker's Vinegar EURITERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy func-tions of the digestive organs.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fore-armed.
