

Paraphratic.

A young shaver—a barber's baby. Great minds have purposes; others have only wishes. If you would succeed in life, attend well to your own business. Trust not the world, for it never payeth that it promiseth. A high rent—A hole in the crown of your bad hat. To abridge conversation, speak but the truth.

Franklin says, "A poor man must work to find meat for his stomach a rich one to find stomach for his meat." "If thou desirest to be held wise," says an author, "be wise enough to bridle thy own tongue." There is no arena in which vanity displays itself under such a variety of forms as in conversation.

To be deprived of the person we love, is happiness, in comparison of living with one we hate. Men and women are never more frequently outwitted than when they are trying to outwit others.

There is a man in town so knowing that people who don't know their own minds come to him for information on the subject. "Don't you mean to marry, my dear sister?" "No, my dear widow, I'd rather lose all the ribs I've got than take another."

"If I should die, dear where would you go?" "Go! Go after your insurance money, was the reply of a fond wife.

An Irishman was once asked if he had ever seen a red blackberry. "To be sure I have," said Pat: "all blackberries are red when they are green." Augustus Leonard dressed up like an Indian and descended on the cabin of a Missouri family for fun. They kept the body in ice three days for his father to arrive.

The difference between a man being out of temper and out of money is that when he's out of money he shows the least of it, but when he's out of temper shows the most of it.

A quaint old gentleman, in speaking of the different allotments of men, by which some become useful citizens, and others worthless vagrants, by way of illustration, remarked, "So one slab of marble becomes a useful doorstep, while another becomes a lying tombstone."

Sylvius had three ways of proving a man a fool. He is a fool which seeks that he cannot find, he is a fool who seeks that which, if found, will do him more harm than good; he is a fool who having several ways to bring him to his journey's end, selects the worst one.

Cold prayers are as arrows without heads, as swords without edges, as birds without wings; they pierce not, they cut not, they fly not up to heaven. Cold prayers always freeze before they reach heaven.

Buy a diary or a memorandum, and keep an account of your receipts and expenditures for the year. By so doing, you will learn economy, and save a great deal more of what you earn.

It is vain to talk about the equality of the sexes—they are not equal. The smile or tear of a woman conquers man. Motto for indolent housewives—"Never too late to mend."

"Hold your tongue for a fool!" was the polite recommendation of an Irish husband. "Sure, then, you're going to speak yourself," was the equally polite reply of the wife.

Times wears slippers of list and his trade is useless. The days come softly dawning, one after another; they creep in at the windows; their fresh morning air is grateful to the lips as they pant for it; their music is sweet to the ears that listen to it; until, before we know it, a whole life of days has possession of the citadel, and time has taken us for its own.

A Justice who lately tried a lady in Cincinnati for cowhiding a gentleman, concluded as follows: "If a man were to attempt to cowhide me, I would strike him dead even in the forum, but if a woman were to attack me, I'm d—d if I know what I would do."

"What a fine head your boy has," said an admiring friend. "Yes," said the fond father; "he's a chip of the old block; ain't you, sonny?" "I guess so, daddy," 'cause teacher said yesserday I was a young blockhead."

An Irishman maintained, in company, that the sun did not make his revolution round the earth. "But how, then," said one to him, "is it possible that having reached the west, where he sets, he can be seen to rise in the east, if he did not pass underneath the globe?" How puzzled ye are," replied Pat; "he returns the same way; if it be not perceived, it is on account of his coming back by night!"

Not long since a religious society in Connecticut met to decide what color they should paint their meeting-house. Some proposed one color and some another. At last said one, "I move we paint it rum-color, for Deacon Smith has had his face painted that color for a number of years, and it grows brighter and brighter every year!"

THE GREAT REMEDY FOR CONSUMPTION

which can be cured by a timely resort to this standard preparation, as has been proved by the hundreds of testimonials received by the proprietors. It is acknowledged by many prominent physicians to be the most reliable preparation ever introduced for the relief and cure of all Lung complaints, and is offered to the public, sanctioned by the experience of over forty years. When resorted to in season it seldom fails to effect a speedy cure in the most severe cases of Coughs, Bronchitis, Croup, Whooping Cough, Influenza, Asthma, Colds, Sore Throat, Pains or Soreness in the Chest and Side, Liver Complaint, Bleeding at the Lungs, &c. Wistar's Balsam does not dry up a Cough, and leave the cause behind, as is the case with most preparations, but it loosens and cleanses the lungs, and allays irritation, thus removing the cause of the complaint.

PREPARED BY
BETH W. POWELL & SONS, Boston, Mass.,
And sold by Druggists and Dealers generally.

\$1000 REWARD for an incurable case of Catarrh. After having suffered, deluged, purged, hawked, spit and gagged to your entire satisfaction in your useless endeavor to get relief from catarrh, use Briggs' Alleviator according to directions. The filthy mass of mucus will be immediately expelled, and the inflamed surface soothed, the eyes sparkle with delight, the head feels natural again, hope revives, for a cure is sure to follow the use of this agreeable, scientific and reliable remedy.

Coughs! MUCH has been said and written, and many remedies are no aid or potent compounds, but the relief and cure of throat and lung diseases, but nothing has been so eminently successful, or obtained such a wide celebrity, as Briggs' Throat and Lung Healer.

Corns! THE excruciating pain produced by corns, the unnecessary twinging from Bunions, the piercing, distressing pain from Ingrowing Nails, cannot be described. Thousands suffer, not knowing there is a cure. Briggs' corn and Bunion Remedies are no aid or potent compounds, but are reliable, soothing, and effectual, and justify merit the success they have earned from an appreciative public. The Curative is a healing ointment; immediate relief is obtained by its application, and it will positively cure the worst cases of festering corns, inflamed and ulcerated bunions, the most inoperable, the largest and severest blisters, the most excruciating calluses on the sides or heels of the feet, unequalled in the cure of chilblains or frost-bite. The Alleviator for ordinary corns and preventing their formation is absolutely unequalled by anything ever known. Ask for Briggs' Remedies. Take no other.

Piles! IT'S ALL VERY WELL, those not troubled to think it is nothing to have Piles. For this reason, the unfortunate sufferer gets very little sympathy. The agony of Piles is not confined to the rectum, but the torture endured by millions who are troubled with internal bleeding, external and itching piles, gland fistulas, hemorrhoids, Briggs' Pile Remedies are mild, safe and sure.

Corns! ARE THE MOST PLEASANT kind of grain in the market. Every one has a supply, from the three year old child to the grand old man of a hundred; stylish, handsome young ladies who daily promenade fashionable resorts; middle-aged matrons; old maids, dressed up to appear young and vigorous; also, with their patent-makers, and successful walking sticks, the countryman, merchant, clerk, artisan and mechanic, of all ages and stations, have a full supply of corns, bunions, and nails, and other blemishes of the feet, all of which are banished and cured by the use of Briggs' Corn and Bunion Remedies, Alleviator and Curative. March 28, 1874.

Dr. J. Walker's California Vinegar Bitters

are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of VINEGAR BITTERS?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs, in Bilious Diseases.

The properties of Dr. WALKER'S VINEGAR BITTERS are Aperient, Diaphoretic, Carminative, Nutritious, Laxative, Diuretic, Sedative, Counter-Irritant, Soporific, Alterative, and Anti-Bilious.

Grateful Thousands proclaim VINEGAR BITTERS the most wonderful Invigorant that ever sustained the sinking system.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Bilious, Remittent, and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to Dr. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fortified.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offspring of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Serofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Goitre, Scrofulous Inflammations, Indolent Inflammations, Mercurial affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc. In these, as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.

Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS occasionally.

For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Blisters, Spots, Pimples, Pustules, Boils, Carbuncles, Ringworms, Scald-head, Sore Eyes, Erysipelas, Itch, Scars, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuges, no anthelmintics will free the system from worms like these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that improvement is soon perceptible.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.
