

A Well-Cured Man.
 Dr. Henry Southell, an old man of sixty, lives with his son-in-law in Detroit, and it is said that the aged pioneer has a temper like a bear poked up with a hot pitchfork. He grunts and snarls around at everything and everybody, and there is no peace in the house until his eyes and mouth are closed in sleep. He took a new tack a few days ago, and threatened to commit suicide if his whims were not humored. The family did not really think he would do such a thing, but they were not sure, and so they were rather soft on him for a few days.

One night he got some odd notion in his head, and the family flatly refused to gratify it. He said he would take poison, but they were firm. Along in the night he was heard groaning and rolling around, having an attack of bilious colic, and the family roused up under the idea that he had taken a deadly dose. He wouldn't say he hadn't, as he wanted to have revenge on them. The boy ran for a doctor the woman hunted for mustard, and the son-in-law dashed about after eggs. He got a couple, broke the whites into a teacup, and ordered the old man to open his potato trap. Old man wouldn't, but he was taken by the throat and made to. The eggs were followed by mustard.

He shut his gums together, but the son-in-law sat down on him and jabbed the end of a tooth-brush into his mouth until he opened it. When the old man heard them call for tepid water he said it wasn't a case of poisoning, but they rammed the tooth-brush at his gums again, and he had to drink half a pint of warm water. The son-in-law said he wasn't going to have his family disgraced by a suicide in the house, and he should for more eggs. The old man tried to beg off, but they held, jerked down his chin, and the eggs went down his throat. While waiting for the doctor the son-in-law got the old man out of bed and pranced him up and down the hall with nothing on but a long night shirt.

He made the pioneer get up and travel like a buffalo, leaping over chairs up and down and around every where. The old man shouted again and again that he had not tried to commit suicide, but the son-in-law said it was too thin, and continued to prance him until the doctor came. The doctor said it was morphine, and he whipped out a stomach-pump and rolled up his sleeves. The old man begged that they would not pump him out, but they were firm. He was thrown down and held fast, and they fangled the rubber tube down his throat and the doctor manned the brakes and pumped away.

He said it was a grave case, but it was barely possible that the patient might be saved. He pumped away until the reservoir was empty, and then they ran the old man around again, fed him no more eggs, felt his pulse, and the doctor said it was the nicest little job he had had for six months. The old pioneer is abed yet, but is recovering, and the son-in-law expects the most gratifying results from the experiment.

Improved Flour Paste.
 Take two quarts of boiling water and add to it a dessert spoonful of powdered alum, and stir it until it is dissolved. Mix one pint wheat flour with enough cold water to make a smooth batter, but thin enough to pour out easily, and turn it very slowly into the boiling alum water. Stir constantly until the flour is well cooked—say about ten minutes—and it will look clear like starch. Take it from the fire, and pour in half a teaspoonful of oil of cloves, saffron or cinnamon, strain through a cloth to avoid all lumps, and put away for use in large mouthed jars or bottles. Cork it up tightly, and it will always be ready and keep forever.

For box-makers, book-binders and journalists this paste is quite as desirable as muscilage, and far cheaper.

—The hardest thing to deal with—An old pack of cards.

Self-made men are very apt to worship their maker.

—If you see a policeman aim at a dog, try to get near the dog.

—Nothing comes home so much to a man as an unsettled bill.

—The highest compliment to a barber—He dyed and made no sign.

—Our faith in human nature has been restored—Susan B. says she didn't.

—Gravity is no more evidence of wisdom than a paper collar is of a shirt.

—Those who have tried it say that kissing is like a sewing machine, because it seems good.

—“Fred, how is your sweetheart?”
 “Pretty well, I guess; she says I needn't call any more.”

—A gentleman being asked “to take a drink,” declined, but said if no objections were made he would take a loaf of bread instead. The party went to a bakery, the treator bought a loaf of bread, had it done up, and his friend took it home. The loaf was afterwards sent to a needy family.

Dr. J. Walker's California Vinegar Bitters
 Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of WALKER'S VINEGAR BITTERS?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of WALKER'S VINEGAR BITTERS in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs, in Bilious Diseases.

The properties of Dr. WALKER'S VINEGAR BITTERS are Aperient, Diaphoretic, Carnative, Nutritious, Laxative, Diuretic, Sedative, Counter-Irritant, Sudorific, Alterative, and Anti-Bilious. Grateful Thousands proclaim WALKER'S VINEGAR BITTERS the most wonderful Invigorant that ever sustained the sinking system.
 No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.
Bilious, Remittent, and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to Dr. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.
Fortify the body against disease by purifying all its fluids with WALKER'S BITTERS. No epidemic can take hold of a system thus fore-armed.
Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Constipation, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offspring of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.
Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Gout, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, &c. In these, as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.
For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.
Mechanical Diseases,—Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS occasionally.
For Skin Diseases, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ringworms, Scald-head, Sore Eyes, Erysipelas, Itch, Scour, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.
Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no verminiferous, no anthelmintic will free the system from worms like these Bitters.
For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that improvement is soon perceptible.
Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.
