Pursuant to notice, the company met in A. Buckman's carriage shop, on Monday evening last. Minutes of previous meeting were read and adopted; three new members were elected and a number of persons proposed for membership. The following named persons were elected a Board of Directors: A. Buckman, L. H. Nothstein, O. F. Acker, J. H. Styers, Howard Schall, Ch. F. Hagedorn and J. J. Kline; and the following named gentlemen were elected Trustees: T. D. Clauss, 3 years; E. H. Snyder, 2 years; and J. S. Lentz 1 year. The various Committees made their reports and the meeting adjourned.

Who Will it Be?

The postponement of the Gift Concert of the Kentucky Public Library to November 30th, 1874, was resolved upon to make a full drawing a certainty. There will positively be no further postponement, and the great prize will be the magnificent sum of $250,000. Who will get it? What a pestered man Gov. Bramlette, of Louisville, business manager, would be, if the people supposed he could tell!

Mauch Chunk Items.

The Reliance Engine Company of Bethlehem, contemplate a visit to the "Switzerland" to day.

On Sunday morning, Messrs. John A. Esser, C. E. Amidon and John McAlister, Sr., will be installed as Elders of the First Presbyterian church of this place.

On Tuesday morning, about 2 o'clock one of the members of the family of Mr. James W. Heberling, the merchant of this place, discovered smoke issuing from the frame kitchen, which is built over the creek at the rear of his brick store and residence on Broadway. It seems that the range is erected directly upon the wooden timbers crossing the creek, and several of the foundation bricks having become cracked and broken by the heat, the hot coal falling through the fissure, ignited the wood. An alarm was at once given and the fire was promptly subdued, not however before some considerable havoc was made with the plastering before the whereabouts of the fire was discovered.

Mr. Joseph Engler, of Upper Mauch Chunk, an old and well-known resident of this borough, is confined to his bed from a severe stroke of palsy. Mr. Engler, during his younger days was employed as a master mason about the town.

Old Betsy Miller, the colored woman who for many years past has been living along the Upper Mauch Chunk road, about opposite the public school house, and who is known by almost every one in this vicinity, had quite an unfortunate mishap befall her on Saturday last. She had been busily engaged smoking out the vermin from her chicken coop, and after going into the house a short time after, she discovered the "chicanery" to be in a blaze, a lively time ensued and out of the several dozen of hens and roosters most of them made their escape unharmed. A majestic shanghae singed his tail feathers, and an old hen with a brood of little chicks were effectually barbecued. The coop was entirely consumed, but the rain prevented any further damage.

The Broadway House has had a new roof put on it of only forty thousand white pine shingles. One might suppose that such an amount would be nearly sufficient to roof over the "Switzerland.

The daughters of Mr. John Fidler gave a party to their young friends on Friday night of last week in honor of their birthday. Music and dancing was kept up until a late hour.

A painter employed at the residence of Mrs. M. M. Dimmick, was arrested on Saturday last, after considerable of a chase by constable Painter, for stealing a watch from the vest pocket of a fellow workman, whose vest and coat were hanging up in one of the rooms. He was committed in default of bail to "Hotel de Breneiser."

Some mischeivous rascals crawled over the fence into the garden of Mr. A. W. Leisenring, of East Mauch Chunk, and stole a large quantity of grapes from his vines some evenings since. A dose of grape-shot would be a good remedy for such customers.

Mrs. Brown, of Philadelphia, an aged maiden relative of Gen. John D. Bertolette of this place died last week, leaving an estate estimated at over half a million. She bequeathed several hundred thousand dollars to various charitable institutions in that city. In her will she named two Executors, one of whom is the General, who are to have five per cent for taking charge of the estate and executing the trusts. They are to open an office in Walnut Street and occupy it four days out of the week. This is a small fortune for one of our most esteemed and liberal citizens, and we congratulate him on his success.

Mr. Jacob Lorenz having sold his brick residence to Max Schweibintz for $7000, will move to Allentown this week to engage in business. Mr. Schwiebintz will cut a doorway through the wall making communications with his building which adjoins, and will fix up the entire first floor as a saloon.

The fair that is being held in Rhoad's Hall for the benefit of the Trinity German Catholic church, of East Mauch Chunk, has been quite a success and a large amount of money has been realized. The gift drawing will take place next week.

Religious.

—Methodist Episcopal church—Rev. Wilmer Coffman, pastor. Preaching 10:30 A. M., by the pastor, and at 7:00 P. M., by Rev. G. A. Townsend. Sunday School 2 P. M. Revival services will be held during the week commencing at 7.30 P. M. All are cordially invited.

—Evangelical church—Rev. A. Krecker, pastor Preaching, Sunday, 10.30 A. M. and 7.00 P. M. by the pastor, in the Northampton street school house. Sunday school at 9 A. M Also, prayer meetings on Tuesday, Wednesday (English) and Thursday evenings at 7.30 o'clock. All are cordially invited to attend.

Rev. D. K. Kepner, pastor, will preach in the Trinity Evangelical Lutheran church—corner of Iron and Northampton-sts. Services to-morrow (Sunday) at 10 A. M. in German; at 7.30 P. M. English. Sunday School at 2. P. M. Prayer meeting Wednesday evening at 7.30 o'clock, and Teachers' meeting Thursday evening.

Fatal Accident.

On Monday morning a sad and fatal accident happened to Mr. Philip Swank, one of our oldest and most respected citizens, which cast quite a gloom over the town. Mr. Swank, for a number of years had been employed by the Dupont & Co. and Laflin & Rand Powder Companies, to haul their powder to the various mines throughout the County. He kept a number of fine horses and equipages and was known in this vicinity as a most experienced horseman, having been brought up to the business from his boyhood, and in earlier years was Superintendant of the Lehigh Coal and Navigation Company's stables.

About 3 o'clock Monday morning he harnessed up his team and started off for the powder house, situated at the foot of Broad Mountain, along the turnpike road, and after loading in a full store of powder, started on his way to Buck Mountain, apparently in good health and spirits. About 8 o'clock in the morning, Mr. Slater, a teamster, came along with a load of powder, found the three horse team of Mr. Swank standing on the road, near Hartz's, brousing among the small bushes by the roadside, and to his horror and dismay found the lifeless body of Mr. Swank lying under the wagon, with one of the wheels upon his neck, he still having hold of the reins.

It is thought that he took a fainting spell and fell under the wagon, and the horses stopped suddenly, his neck very probably having been broken in the fall.

He was about 65 years old, had a large and respectable family, several of whom are married. The funeral took place on Wednesday afternoon, at 3 o'clock, the remains being followed to the grave by a large concourse of people. Rev. E. Ferrier, of the Presbyterian church, conducted the ceremonies, assisted by Rev. A. M. Wiggings. The deceased was a kind father, a good citizen and a true christian—sickness alone preventing him from occupying his accustomed seat in the house of God.

Mauch Chunk, Sept. 25. M.

Another New Stock.

T. D. Clauss, the tailor, desires us to state that he has just returned from New York, and that he is now opening a very large invoice of cloths, cassimeres and vestings, suitable for fall and winter trade, which he is prepared to make up in the best and most fashionable styles at "knock down" prices. He guarantees a "perfect fit" every time, and the goods in all cases as represented. Also, an immense stock of rubbers, boots, shoes, hats, caps and gents' furnishing goods. Remember the place, T. D. Clauss, just above the Public Square, Bank street, Lehighton.

A Railway Crash Near Phillipsburg, N. J.—

Tuesday afternoon the passenger train on the Belvidere Delaware Railroad, which left Phillipsburg, N. J. at 1:35 P. M. for Philadelphia, was in collision with an up freight train at Warne's lime kilns, about three miles down the river. The freight train was on a side track, the switch to the same being left open, allowing the passenger train to pass on the side track also, and dash into the freight train. The passenger was running at regular speed at the time of the collision. The baggage and smoking cars telescoped, and all that were injured were in those two cars. Samuel H. Meyers of Harrisburg was killed by having his neck broken; John Sayford of Harrisburg, injured internally; Mr. Sheldon, injured in the face badly, upper lip cut off; Mrs. Sheldon, badly cut in the face; Mr. Goldsmith, mail agent, slightly injured, and refused to leave his mail car notwithstanding his painful injuries; the Easton Postmaster went down to take charge of his mails; Mr. Hope, express agent, badly injured; Jonathan Thornton, engineer, right shoulder dislocated; John Dean, fireman, one leg and arm injured; Thomas Rogan, foreman of the track, seriously injured on the head and back; Wm. W. Conway of Lambertville, badly cut on head; Wm. Gordon, engineer, badly injured on the left shoulder and arm and head.

—John Arner of Weissport, was on board the passenger train on the Bel. Del. R. R. at the time of the collision and was badly crushed about the head and legs. He returned to his home as speedily as possible after the accident and placed himself in the hands of Dr. German, of this borough, and we are pleased to state that he is rapidly recovering.

—David Ebbert's livery still retains its popular name for being the very best in the county. If you want a tasty turn-out go to David, and get one at low charges.

Lehigh Valley Emery Wheel Co.

This company appears to be peculiarly unfortunate in procuring machinery for the rapid manufacture of their emery wheels. The third cylinder for their large hydraulic press has now proved a failure and rendered necessary the ordering of a fourth one, and the probability is that three weeks will elapse before the company will be able to push the manufacture of their wheels in a satisfactory manner, their small press, now in operation, not being of sufficient capacity to supply the demand for their wheels. They have now on hand, orders for upwards of fifty wheels and a number of grinders, in addition to a large number already supplied, all of which have given the greatest satisfaction if we may judge by the very flattering letters which they have received from their customers, all of whom speak of the wheel as a "grand success." The Company have engaged E. C. Burgess, Esq., of Stroudsburg, Pa., as General Superintendent and manager; a thorough mechanic and a gentleman of large experience in the manufacture of emery wheels. Under the new arrangements the Company will, no doubt, shortly be able to fill all orders for these excellent wheels at the very shortest notice. The energy and pluck exhibited by this Company certainly merits success.

Fatal Accident on the L. V. R. R.

Wednesday afternoon the uncertainty of life was again evidenced by one of those sad, fatal accidents on the rail which we are called from time to time to chronicle. Samuel O'Brian, a young man aged about 26 years, was in the employ of the Lehigh Valley Railroad Company for the last six years, and for the faithful performance of his duties, gentlemanly deportment, and sober habits, was esteemed by all. He was the regular conductor of a coal train, and was but acting conductor on No. 47 freight, and while in the discharge of his duty met his death. The freight is due here at 12.42 p. m., and from some delay caused up the road, it did not arrive until quarter of two. When the depot was reached O'Brian cut the train for the purpose of making a flying switch of two cars, loaded with merchandise, on the siding at the junction. After uncoupling he stepped to the rear of the car and put on the brake. He then hurriedly ran forward, intending to board the cars which were to be run on the sidling. He made a leap, and unfortunately the distance was too great and he fell in front of the approaching cars. He was seen to jump and miss his leap by men at the depot and several employes in the Glen Mill. A cry of horror went up as they saw that he must have fallen in front of the swiftly approaching cars, and it was sickning to know, as they rapidly swept along, that they were crushing the life out of a fellow being. Thirty-five cars passed over his abdomen, spattering the track and the wheels with blood, and making a scene of horror to chill the stoutest heart. Coroner Moser was summoned and held an inquest, and in accordance with the above facts, the jury rendered a verdict of accidental death. The deceased was a married man, and leaves a wife and two children at Lehighton, the place of his residence. The mangled remains were taken to the freight house at the depot, and after an inquest, sent to the home now sad and disolate by the untimely death of its protector. The place where this unfortunate accident occurred, is a short distance below the iron bridge, spanning second-street., and within the last few years three men were killed at very near the same spot. Hundreds of people were attacted to the depot, and some of them displayed great eagerness to see the horribly mangled remains of unfortunate O'Brian, who, but a few moments before was in the best of spirits, and now cold in death.—Morning Herald.

Lehigh Presbytery.

The Presbytery of Lehigh held its regular Semi-Annual Meeting in the Presbyterian Church of Middle Smithfield, on Tuesday afternoon, Sept. 15, at 2 o'clock. Rev. Mr. Weidman of Easton, was chosen Moderator. The ordinary routine business was attended to during the afternoon, and in the evening Rev. Mr. Miller, the retiring Moderator, preached the moderator's sermon, text 2d Kings II, 12. On Wednesday the several items suggested by the General Assembly were duly discussed, and Presbytery re-affirmed its previous utterance in relation to Temperance and the Lord's Day. The Treasurer, Rev. C. Earle, reported the amounts assessed upon the different churches, which were approved. At his own request, Rev. Earle was relieved of the moderatorship of the Presbyterian church of Lehighton, and Rev. Edsall Ferrier, of Mauch Chunk, appointed in his stead. In the afternoon of Wednesday, a meeting of the Sunday School children was held, and interesting addresses were made by Rev. Messrs. Little of Hockendauqua, and Hammer of Upper Lehigh. The First Presbyterian Church of Catasauqua was chosen as the place for the next Semi-Annual meeting of Presbytery, on the 3rd Tuesday in April, at 7½ P. M. After a very brief, a very busy and very pleasant session, Presbytery adjourned at 4 P. M. on Wednesday to meet at the call of the Moderator during the session of Synod at Reading in October.

Piles! Piles!! Piles!!!

Piles, Internal, External, Bleeding or Itching.—The intense suffering occasioned by the distressing disease, in its various forms, is known only to those who are unfortunate enough to be afflicted with it. The sleepless nights, the uncomfortable days, the haggard looks of the sufferer bear witness of the intensity of the pain experienced when troubled with this prevailing disease. The success of Briggs' Pile Remedy as a positive cure is unequalled in the annals of medicine Relief is immediate when used as directed. The immense demand for this great remedy is unparalelled. Thousands are using it with the most satisfactory results. Sold by A. J. DURLING, druggist, Lehighton. may 9-1y

A MEDICINE CHEST IN MINATURE.—Mishler's Herb Bitters is not a beverage; but a strictly medicinal preparation, more thoroughly adapted to the wants of the general public than any other in the market. Unlike all other so-called Remedies, it is prepared under the direct personal supervision of an eminent Physician. S. B. Hartman, M. D, the senior proprietor, is a regular graduate of the Jefferson Medical College of Philadelphia, and a practicing physician of large experience and extensive practice. In such hands the public may rest assured that Mishler's Herb Bitters is compounded in strict accordance with correct Pharmaceutical principles, and that none but the choicest ingredients enter into its composition.

Its immense sale alone is conclusive proof that it possesses merit of a high order. Merchants, bankers, clergymen, lawyers, clerks and others engaged in sedentary occupations, experience its wonderful effects in relieving the depression caused by severe mental labor; while the mechanic, farmer and laborer, find their bodily vigor restored like magic by its use.

At this season of the year when DIARRHŒA, CRAMPS, COLICS and kindred disorders, caused by eating unripe fruits, imprudent indulgence in cold drinks, etc., are prevalent, a certain, speedy and effectual remedy will be found in Mishler's Herb Bitters.

The depressing feeling of Languor or Debility, incident to the "heated term," is at once removed, the energies restored, and new life and vigor imparted to the prostrated system, by its use.

In DYSPEPSIA, LIVER COMPLAINT and AFFECTIONS OF THE KIDNEYS it invariably works like a charm. It is not a drastic purge nor heady stimulant, violent in its operations; but it is simply a natural remedy, thoroughly adapted to assist nature. It supplies tone to the stomach, reinvigorates the digestive organs, stimulates the secretions, and promoting a regular action of the bowels, enables every organ of the body to perform its allotted work regularly and without interruption.

It is the unerring certainty of desired results attendant on its use, coupled with the fact that it is prepared by a Physician of eminence in his profession, that has rendered Mishler's Herb Bitters so popular, and as familiar as a household word. THOUSANDS OF MOTHERS all over the land have found it to be the safest and best remedy for use in their families; they not only give it with perfect safety to even the youngest child, but when used with caution find it the safest means of assuring their own health and freedom from the weary aches and pains incident to their sex. Perfectly harmless, it is just the remedy needed by them to enable Nature to perform her functions naturally, regularly and without inconvenience. No LADY SHOULD BE WITHOUT IT if she would possess the clear, blooming complexion and cheerful spirits inseparable from sound health. It is sold by all Druggists and General Dealers; It is neatly put up in square Glass Bottles, enclosed in a yellow wrapper. It is not sold on Draught, being strictly a *medicinal preparation*, and as such is endorsed by many of the most eminent physicians of the country. Aug. 8, 1874—4m.
