—A young Japanese gentleman was ordained a minister of the Gospel in Boston recently.
—Recent statistics show that 505,890 pounds of human hair were sold in Paris in one year.
—Seventeen suspected abductors of Charley Ross have been arrested since the boy was lost.
—From Berlin to Rome without change of cars, is among European railroad announcements.
—A sign at Ramsay's Station, on the Erie Railway, reads: "Cane-bottom chairs are re-fixed and re-bottomed in-aside."
—"How many people," says Jeremy Taylor, "are busy in this world gathering together a handful of thorns to sit upon."
—At the Cincinnati Exposition, a card gave the following touching but practical information: "If you try our coffins once you will never use any others."
—It is stated upon good authority that in the city of Philadelphia there are 40,000 men out of employment, and 50,000 in the rest of the State.
—The surface of Egypt capable of being cultivated is 7,364,640 acres (or about 11,351 square miles), of which about 4,625,000 are actually under cultivation.
—Kansas City, Mo., has a population of 50,000 and is still going ahead. No other city can make as good a showing; the population having been but 5,000 in 1860.
—A New Haven minister has been preaching on the recent rash among the Yale students, using the text: "And the whole herd ran violently down a steep place into the sea, and perished in the waters."
—When Dr. Cox was living in Brooklyn, he kept a large dog in a kennel in the rear of the house, the dog being somewhat given to biting. The doctor placed over the kennel the admonition, "Teeth inserted here."
—"Will you please insert this obituary notice?" asked an old gentleman of an editor. "I make bold to ask it, because I know the deceased had a great many friends around here who'd be glad to hear of his death."
—Miss Jane Alnales, the originator of the "Flower Mission" in Glasgow, died recently in Edinburgh. She made thousands of sick children happy with her gifts, which she distributed up to the last hour of her life.
—A man died recently in New Orleans who had spent most of his time since 1866 in making wills and codicils. Eighteen of these testamentary documents have been admitted to probate. Among the numerous keepakes and heirlooms he bequeathed was a razor that belonged to George Washington.
—The shrewdly-devised and persistently prosecuted plans for the establishment of direct steamship communication between Savannah and Liverpool have at last been consummated. The steamship *Arbitrator* left Liverpool on the 15th ultimo, for the Georgia port, and she will be followed by other steamers of the same line at regular intervals. The arrangements with railroads for lowfreights were completed some time since, and doubtless the merchants of Georgia and the adjacent States will ere long receive a large portion of their stocks from Europe direct.—New Orleans Times.
—At a recent fire in Moscow, a man who had been sleeping in the burned dwelling was rescued in an unconscious state. It was proposed to take him to the station house and try to resuscitate him, but the local officer who was present decided that the man was dead, and ordered the body to be given up for dissection. It was accordingly taken to the anatomical museum and placed upon a dissecting table. Suddenly the man recovered his consciousness and cried out, "Where have I been taken?" "You have been carried to the anatomical museum," coldly replied the half-drunk watchman who was on duty. "Then they will soon begin to cut me to pieces," shrieked the unfortunate man, and overcome by horror at his position and surroundings, he sank back, this time really dead.
—About two years ago a butcher in Berlin was greatly distressed by the loss of 2,000 thalers which he had placed in a secret drawer of his desk at home. It was impossible to discover the thief, and payments falling due at that time the butcher was unable to meet his obligations on account of the loss of the money, and was forced into bankruptcy. Not long after this the butcher's wife became insane and was taken to an asylum, where, after remaining eighteen months, she died. After his wife's death the butcher received her clothing from the authorities of the asylum. He found sewed in between the lining of one of her dresses the long-lost sum of money, and in addition some bank notes. Evidently the woman, who had been very avaricious, had taken the money in a movement of aberration and sewed it in her dress.

Dr. J. Walker's California Vinegar Bitters
PURELY VEGETABLE FREE FROM ALCOHOL
DE WALKER'S CALIFORNIA VINEGAR BITTERS
Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of **VINEGAR BITTERS?**" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Restorator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of **VINEGAR BITTERS** in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs, in Bilious Disorders.
The properties of **DR. WALKER'S VINEGAR BITTERS** are Aperient, Diaphoretic, Carminative, Nutritious, Laxative, Diuretic, Sedative, Counter-Irritant, Sudorific, Alterative, and Anti-Bilious.
Grateful Thousands proclaim **VINEGAR BITTERS** the most wonderful Invigorant that ever sustained the sinking system.
No Person can take these **Bitters** according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.
Bilious, Remittent, and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Romanok, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to **DR. J. WALKER'S VINEGAR BITTERS**, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.
Fortify the body against disease by purifying all its fluids with **VINEGAR BITTERS.** No epidemic can take hold of a system thus fore-armed.
Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offsprings of **Dyspepsia.** One bottle will prove a better guarantee of its merits than a lengthy advertisement.
Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Gout, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc. In these, as in all other constitutional Diseases, **WALKER'S VINEGAR BITTERS** have shown their great curative powers in the most obstinate and intractable cases.
For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.
Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of **WALKER'S VINEGAR BITTERS** occasionally.
For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Itches, Spots, Ringworms, Pastules, Boils, Carbuncles, Kingworms, Scald-head, Sore Eyes, Erysipelas, Itch, Scourf, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.
Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine so vermifuges, no anthelmintics will free the system from worms like these Bitters.
For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these **Tonic Bitters** display so decided an influence that improvement is soon perceptible.
Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.
H. H. McDONALD & CO., Druggists & Gen. Agts., San Francisco, California, & cor. of Washington and Charlot Sts., N. Y. Sold by all Druggists and Dealers.
