--A cable dispatch reports that Cecil Buckland, the correspondent of the New York "Times" at the headquarters of Don Carlos, was captured and shot by the Republicans a few days since. Mr. Buckland was private secretary of Minister Jewell at St. Petersburg. He returned to this country with Mr. Sewell when the latter accepted the Postmaster Generalship, and it was on Mr. Jewell's recommendation that he was chosen special correspondent of the "Times."

—General Miller telegraphs to the Adjutant General from Texas that his command is rapidly driving the hostile Indians in the direction of the Cheyennes, where he believes they will surrender, if not before.

—Governor Brown of Tennessee, has written to Governor Beveridge, of Illinois, in relation to the kidnapping of the alleged murderer, Smith; that Smith, being now in the hands of the judiciary is, under the constitution of Tennessee, beyond the control of the Executive, who cannot, therefore, interfere to give him up. He says that when a requisition for the surrender of Smith's abductors is received, he will "give it due consideration."

—Nashua, N. H., Oct. 20.—Last night six masked men entered the room of the cashier of the Souhegan National Bank at Milford, gagged him, put a rope around his neck, shut his wife, four children, and a servant in a closet, dragged him to the bank, and made him open the vault, which they robbed of about \$4,500 in currency, \$15,000 to \$20,000 in bonds, mostly Government, and some other securities. They then led him back to the house, tied him to the bed-post, and left. The family forced open the closet about 4 o'clock, and gave the alarm, but no trace of the robbers could be discovered.

—A strange occurrence took place a few mornings since in the family of Mr. Silas Doloway, in this village. Mrs. Doloway is accustomed to leave her baby, a little girl of four months old, on the bed up stairs while she does her morning's work in the basement, from which she could easily hear the least noise. On the morning in question she heard the little one crowing as usual, but finally noticed that the sound ceased, and shortly after heard a strange gurgling noise. Supposing that the child had got its head under the bed clothes and was suffocating she ran up stairs to see about it, and found the house cat with its nose in the child's mouth. The child was strangled black and was fighting feebly with its hands. She caught the child and shook it several times when it caught its breath and came out all right. In a few minutes more it would have probably been strangled to death. Mrs. Doloway had to pull the cat off the child so eager was it to remain. It had a paw on either side of the child's head and had its nose pressed deeply into the child's mouth. The cat was instantly killed. That a cat will "suck a child's breath" is a "bug-bear" that has frightened mothers for years and years, but that it was really true few persons probably believe. That the instance here related actually occurred can be verified by any one who will take the pains to ascertain the facts in the case.—Middletown Press.

—The latest illustrious convert to the Roman church is a crowned head—the Queen Dowager of Bavaria. She is a first cousin of the German Emperor, and was married to the late King Maximilian II. of Bavaria in 1844. Her husband died in 1864, and during his life, though he was a Roman Catholic, she remained a Lutheran Protestant. Ten years after his death she has chosen to adopt his creed. She is forty-nine years old, and her son is the most erratic sovereign in Europe.

—Hon. S. S. Foster, United States Consul at Apia in the Navigator group of islands, says he was at that port in the latter part of May last when the German sloop-of-war Ancona came there. Her commander levied \$20,000 upon the native chiefs, but through the intervention of American missionaries reduced the claim to \$14,000. Five thousand dollars of the amount was paid, and bonds were taken for the remainder, payable in two years, at one per cent. per month interest. The sloop sailed to another harbor near Apia and seized lands in dispute between Germans and natives and burned the houses of the latter and sailed away. Mr. Foster says he was an eye witness to these transactions.

—There is a man in Hazleton who has a habit of drinking kerosene oil. Probably it tastes better than the whiskey obtainable in his neighborhood, and it is certain must be cheaper.

Dr. J. Walker's California Vinegar Bitters

A purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of WALKER'S VINEGAR BITTERS?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of WALKER'S BITTERS in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs, in Bilious Diseases.

The properties of DR. WALKER'S VINEGAR BITTERS are Aperient, Diaphoretic, Carminative, Nutritious, Laxative, Diuretic, Sedative, Counter-Irritant, Sudorific, Alterative, and Anti-Bilious.

Grateful Thousands proclaim WALKER'S BITTERS the most wonderful Invigorant that ever sustained the sinking system.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Bilious, Remittent, and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to DR. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with WALKER'S BITTERS. No epidemic can take hold of a system thus fortified.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Blisters, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offspring of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Serofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Gout, Scrofulous Inflammations, Indolent Inflammations, Mercurial affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc. In these, as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.

Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS occasionally.

For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Itch, Scald-head, Ringworms, Scald-head, Sore Eyes, Erysipelas, Itch, Scurf, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuges, no anthelmintics will free the system from worms like these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that improvement is soon perceptible.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.
