"O kittens! in our hour of ease, uncertain toys and full of fleas; when pain or anguish hang o'er men, we turn you into sausage then."

The man who has not anything to boast of but his illustrious ancestors is like a potato plant—the only good belonging to him is under ground.

During a panic caused by an alarm of fire in a Montreal church, Monday, three hundred persons were trampled under foot. Many are supposed to be fatally injured.

The President's action in restoring the daughter of Jackson, Ellsworth's murderer, to the situation in the Treasury Department, at the request of Mosby, has aroused much unfavorable comment.

Ninety-one millions of postal cards were sold during the past year. Washed postage stamps to the value of five per cent. of all the stamps sold were used, entailing upon the Government a loss of \$1,000,000.

The official vote of Pittsburg gives Latta 15,701; Olmstead, 13,119; and Bradford, the temperance candidate for Lieutenant Governor, 2,457. Majority for Latta over Olmstead, 2,582; over both, 115.

It was reported in Meriden, Conn., on Saturday, that little Charlie Ross had been seen passing through that city, on the way to New Haven. The Chief of Police of Meriden notified the detectives of New York.

Girls, as you value your lives, don't get up and get breakfast in the mornings. A young lady attempted it one day last week, and was burned to death. Show this to your maumas.

A young blood at a hotel was requested to pass a dish near him. "Do you mistake me for a waiter?" said the exquisite. "No, sir; I mistook you for a gentleman," was the prompt reply.

Washington Irving once alluded to a man of superior pomposity as "a great man, and, in his own estimation a man of great weight. When he goes to the west he thinks the east tips up."

The Lumbermen's Exchange, at Williamsport, Tuesday, appointed a committee of five to confer with similar committees of other organizations on the subject of putting a stop to undue discrimination in freights by the railroads.

A riot occurred in Terrebonne parish, La., on Sunday night. A colored man who had been elected on the Compromise ticket, was attacked by several of his race. He turned, fired and killed one of them. There were threats of burning the town of Houma.

Mr. Dubois, of Fall River, has had the blood of a live lamb introduced into his veins, as a remedy for consumption. It is probable that there will be no unusual effect save an abnormal fondness for all the girls named Mary.

Next to a rooster in a rain-storm, or a man with his mother-in-law on his arm, the most wretched-looking thing in the world is a candidate who has just overheard some friend wanting to bet three to one that he won't be elected.

A putting bride, on her first sea voyage, writes home: "The motion of the screw steamer is like riding a gigantic camel that has the heart disease, and you do not miss a single throb. I know of nothing to compare with it for boredom."

Professor A. B. Smith, of St. Louis, says there are fully forty thousand people in Kansas and Nebraska who are either now, or will be in absolute want of the necessities of life, and he earnestly appeals to the people of the whole country to send them aid in the shape of provisions and clothing as speedily as possible.

The Black Hill country, according to a scientific report just received by the War Department, is admirably adapted for settlement, as it abounds in timber, grass and water, and has a soil of wonderful fertility. Iron and gypsum have been found, but no coal. There are traces of plumbago and indications of gold.

A Roman Catholic priest in charge of the Church of St. Boniface in Philadelphia last week ran away with a pretty young lady, who was the organist of his church, and with \$50,000 that belonged to his parishioners. A few days ago the Rev. J. Howard Saydam, of the Hamilton Park Reformed Church, Jersey City, was visited by a tall, good-looking gentleman and a beautiful young lady, who said they wished to be married.

The necessary witness were produced, the legal questions answered, and the clergyman, seeing no reason why the nuptial knot should not be tied, pronounced them husband and wife. The groom before the ceremony gave Mr. Saydam to understand that he was a physician from St. Louis, and that his bride was a resident of Jersey City. Upon making out the marriage certificate the man gave the name of Gudemann. The couple departed, and it is thought took one of the steamers for Europe. The description given by Mr. Saydam of the pair makes it certain that they were the fugitive priest Geder and a Gudemann and the girl that he didn't leave behind him.
