

The Carbon Advocate.

H. V. MORTIMER, EDITOR.

LEHIGHTON, PA. SATURDAY MORNING JANUARY 9, 1875.

Jefferson Davis is said to be dangerously ill at his home in Tennessee.

Gen. Phil Sheridan says the white leaguers of the South should be declared banditti, and treated as such.

The amount realized by the sale of pews in Plymouth, (Beecher's) Church, on Tuesday evening last was \$70,319, last year only \$50,316 was realized.

Owing to the difficulties in the coal regions, all the shops of the Philadelphia and Reading Railroad Co., along the route of the road, suspended operations on Tuesday last.

Gerret Smith, of Peterboro', New York, was suddenly stricken with apoplexy and paralysis at the house of one of his friends in the city of New York on the day after Christmas and died Monday afternoon, 27th ult., at two o'clock.

The Pennsylvania Legislature met on Tuesday last. Hon. G. H. Cutler, of Erie, was elected Speaker pro tem. of the Senate; Russel Errert, chief clerk.

The Governor's Message. Governor Hartranft's annual message is a sensible, straightforward, and in many respects, statesmanlike document, showing an intimate knowledge of State affairs and a clear conception of legislative and executive policies.

The message opens with a brief statement of the condition of the finances. The debt of the Commonwealth is now \$24,508,035.37, and less the amount in the sinking fund \$14,968,035.37.

The receipts during the last fiscal year were \$9,871,968.27, which the balance remaining in the treasury at the close of the last fiscal year brought up to \$7,607,119.51.

At a meeting of the members of the bar of Carbon county, at the law office of Gen. Jno. D. Bertalette, on the 2nd of January, 1875, it was unanimously resolved, that by the sudden decease of Hon. Wesley B. Leonard, for many years a prominent member of our bar, we have parted with one who in our limited professional circle will long be missed.

Resolved, That our departed brother was endeared to us by his sincere friendship, generally urbanity, high sense of professional honor and unassuming yet sterling intelligence.

Resolved, That his untiring diligence and marked fidelity to his clients, under all the difficulties and trying embarrassments, incident to the responsible business of an Advocate and Solicitor, were not the least of the many noble qualities that adorned his professional career.

Resolved, That in testimony of our deep regret at the sad occurrence which has called us together, we will attend his earthly remains to their silent resting place, assured that as he was born the image of the earthy—his spirit has already been invested with the image of the Heavenly.

Resolved, That the Secretary of this meeting file in the office of the Prothonotary of the Court of Common Pleas, a copy of these proceedings, transmit a copy to his bereaved family in their deep affliction, as a token of our sympathy with their sorrows, and have them inserted in the Mauch Chunk Democrat and Mauch Chunk Coal Gazette.

The condition and prospects of the Centennial enterprise are reviewed, its scope stated, and its patriotic character and useful purposes commended to the people of the nation.

The Attorney General's report is reviewed, and it is recommended that its powers of inspection and supervision be increased. A fitting reference is made to the new constitution, and the loyalty to the principles of republican government out of which it sprung is highly praised.

Hon. W. B. Leonard. The following notice of the death of Hon. W. B. Leonard, of Mauch Chunk, we copy from the Democrat of last Saturday:

The unexpected death of Hon. Wesley B. Leonard, early on Friday morning, Jan. 1st, caused a pang of sorrow to sadden every heart in this community.

He was born at Hancock, Delaware Co., New York, on the 13th day of January, 1835, and within two weeks, if he had lived, would have passed his 40th birthday. From Hancock his parents moved to Andover, Allegheny Co., New York, in 1837, they living on a farm, where the subject of this brief notice was brought up.

He received his education at Alfred University, Alfred Centre, N. Y., where he graduated with distinction in his class in the year 1857. While at Alfred he was an active member of the Orophilian Society.

His brother, Dr. R. Leonard, residing in this county, and having a large practice in his profession, was, perhaps, an inducement which brought the deceased to Mauch Chunk in 1859, when he entered the law office of James R. Struthers, Esq., and was admitted to the bar at the March Court, 1861. The year following, 1862, he received the nomination by the Democratic party for District Attorney, and was elected to that position, and in 1865 was re-elected to the same office, he having made a most excellent incumbent.

In 1870 and 1871 he was elected and served with honor and distinction in the Legislature. Later he was appointed Revenue Assessor by President Johnson. He was also elected by his friends and constituents to various local offices of trust.

On July 2nd, 1868, he was married to a daughter of Mr. Leadanah, of Weatherly, Carbon Co., who is left behind with two little children.

Mr. Leonard had engaged actively in politics, and was always known as an unflinching Democrat, and his social life was always marked with honesty and integrity of purpose. He was a hard worker in his profession, and bore an untarnished reputation for uprightness and manliness.

His faults were few, his virtues many, and the news of his sudden demise has shrouded the town in gloom. It is to be hoped that the severe shock his wife received may be able to be borne by her, and there is universal sympathy that is felt everywhere in this community for the immediate relatives at this hour of sorrow.

He was a man beloved, respected and honored by every one who knew him, and had he lived, would, most probably, have been the next Senator from this district.

Mr. Leonard was buried on Monday afternoon at 2 o'clock.

At a meeting of the members of the bar of Carbon county, at the law office of Gen. Jno. D. Bertalette, on the 2nd of January, 1875, it was unanimously resolved, that by the sudden decease of Hon. \$20-

WILL BUY A

1st Mortgage Premium Bond

OF THE

N.Y. Industrial Exhibition Co.

These bonds are issued for the purpose of raising funds for the erection of a building in the City of New York, to be used for a

Perpetual World's Fair,

a permanent home, where every manufacturer can exhibit and sell his goods, and every patron can show his love for a center of industry which will prove a vast benefit to the whole country.

For this purpose, the Legislature of the State of New York has granted a charter to a number of our most wealthy and respectable merchants, and these gentlemen have purchased no less than eight blocks of the most valuable land in the City of New York. The building to be erected will be seven stories high (150 feet in height), surrounded by a magnificent dome, and will cover a space of 22 acres. It will be constructed of Iron, Brick and Glass, and made fire-proof. The bonds, which are all for \$20 each, are secured by a first mortgage on the land and building, and for the purpose of making them popular, the directors have decided to have quarterly drawings of \$150,000 each; this money being the interest on the amount of the whole loan.
