MOLLINE.—We were presented a day or two since with a bottle of Molline, one of the best family remedies now offered to the public. For chapped hands, chapped lips and rough face, or for chafing of infants, for the face after shaving, it is unequal. It is an original prescription of an old and eminent physician, and is not to be classed with the quack nostrums daily offered to the public. Every family should have it in the house. It can be had at the drug stores of A. J. Durling and C. W. Lentz.
James Brodick, one of the original settlers of Summit Hill, was buried in Mauch Chunk Tuesday. He died on last Sunday, in the 83rd year of his age. He was one of the party who mined coal for the Lehigh Coal and Navigation Company in the year 1820, and the shipments were 365 tons during the year.

Obituary.

His remains will be interred in the Jacob's church cemetery, at Jacksonville, Lehigh county, on Monday next, the 8th inst., at 10 o'clock A. M.

Lehigh Institute.
Jan. 30th, 1875.—The Institute was called to order by the President, S. J. Barnett, and the opening exercises conducted by J. L. Allen. Roll called, all members responding to their names. Minutes of previous meeting read and approved. The Treasurer presented a report which was accepted. Upon proceeding to business, Mr. Allen gave several items of interest concerning his school, after which some valuable information upon various topics was given by different members of the Institute. Mr. Allen gave quite an interesting account of "Arctic Explorations," while Mr. Barnett enlightened the teachers regarding "Our relations with Spain," and the officers of the Cabinet. Animated discussions followed. Mr. Allen closed the morning exercises with reading a selection from Scribner's Monthly.

The afternoon session was opened with select reading by Miss Yarnall. Written Arithmetic was then taken up under the leadership of Mr. Barnett, the recitation proving interesting as well as instructive.
The following programme was presented by the committee: 1. General Exercises; 2. General Information; 3. Written Arithmetic; 4. Grammar.

Resolutions.
A meeting of the Carbon County Bar was held at the office of Hon. Allen Craig, in Mauch Chunk, on Friday last, on the occasion of the death of John C. Dimmick. J. H. Siewers, Esq., was chosen chairman, and F. Bartoletto, Esq., Secretary.
On motion of Mr. Craig, W. T. Freyman, Daniel Kalbfus, Chairman; and Gen. Jno. D. Bartoletto, were appointed to draw up resolutions to send a copy to the family of deceased and have them printed.
Adjourned. F. BARTOLETTO, Sec. J. H. SIEWERS, Chairman.
Monday, Feb. 1. The following were read in open Court by Daniel Kalbfus, Esq.:
At a meeting of the members of the bar of the county of Carbon, held on Friday afternoon, the 29th day of JAN., 1875, at the office of Hon. Allen Craig, to be action with regard to the sudden and unexpected demise of John C. Dimmick, Esq., it was unanimously resolved, That the death of John C. Dimmick, one of the members of the bar of Carbon county, following so soon after the decease of another of our members, fills us with sad and mournful thoughts of the present and past.
Resolved, That in the death of John C. Dimmick, our professional circle has lost in the prime of a life that seemed ripening to future honor and distinction, one who will long be remembered in our earthly courts that shall know him no more.
Resolved, That it is a sacred duty on our part to bear witness to his modesty and ability as a counsellor, and to his many gentlemanly qualities which make the intercourse of a life and profession necessarily antagonistic, less stern and selfish.
Resolved, That in this additional bereavement to a family again called to the house of mourning, we deeply and sincerely sympathize, wishing them the only consolation within their reach, the blessed hope of re-union in the kingdom above.
Resolved, That as a token of our sympathy for the afflicted family of the departed, we will attend his mortal remains to their earthly resting place, and further direct that the Secretary of this meeting present a copy of these minutes to the family of the deceased and have the same published in the newspapers of this county.

Important to County, Borough and Township Officers.
There are some provisions in the laws of 1874 which demand the immediate and careful consideration and attention of all corporate or district authorities, such as councilmen in boroughs, school directors, supervisors, and county commissioners. We desire to call their attention to the sixth section of the act of 20th of April, 1874, pamphlet laws page sixty-eight, which reads as follows:
"The corporate authorities of every such municipality or district shall, annually, in the month of January, prepare and publish in at least two newspapers of said municipality, or of the county in which the same is situated, if no many be printed therein, a statement showing in detail the actual indebtedness, the amount of the floating debt thereof, the valuation of the taxable property therein, the assets of the corporation, with the character and nature thereof, and the date of maturity of the respective forms of funded debt there of, and a neglect or failure to do shall be a misdemeanor, punishable by a fine not exceeding one thousand dollars."

The first section of the act enumerates some of the corporations to which the provisions of the act are applicable, as follows:
"Any city, county, borough, township, school district or other municipality, or incorporated district, within the Commonwealth."
This is a wise law, but seems to only apply where a municipality or district is in debt.—The object of the publication is to inform the tax-payers of the condition of the local finances and hence to judge if the officials have been faithful stewards of the people's money. It will be observed, also, that the mere neglect to comply with this law is made a misdemeanor. We would advise all persons affected by this act of Assembly to be vigilant in having the proper statement published in due time.

Big Creek Items.
An unusual amount of sickness prevails at present at this place, especially among children.
Business dull, with little prospect of immediate improvement.
Mr. Levi Beltz, of Ringtown, Schuylkill Co., is at present paying his many friends a visit at this place.
We are pleased to note that the wife of Mr. David Waick, who has been quite ill for some time past, is improving. We trust her recovery will be rapid.
Mr. L. N. Kemerer, in company with Mr. Wm. Schoenberger, shot a red fox on last Saturday at Call Mountain. This is the fifth that he has helped Mr. S. to capture this winter. They have a fair prospect of capturing several more of these cunning chicken thieves; as the snow is very deep in the woods they are unable to travel very far in a day. The hunters travel on horseback.
During the whole of last Sunday our streets bore a rather deserted aspect—those not compelled to venture out, kept

themselves close to the stove. But we are sorry to say that many felt very disagreeable in not realizing their expected sleigh ride, of which they felt sure, and had made all necessary preparation for the evening before.
The Solt's school house has been supplied with about double its former amount of blackboard surface. Several things more are needed, amongst others let me mention—or I would suggest—a new set of seats, (Gothic desks), maps, &c., &c.
The teacher of Solt's school gave his scholars a pleasant sleigh ride on Tuesday last. They left at about 10 a. m. for Paryville, from there they proceeded to Bowmanville where they made a short stop to warm themselves. From there they went by way of Lehigh Gap to Millport, where they partook of some refreshments and sang a few appropriate pieces. They were entertained by the host in a very sociable manner—the doors were thrown wide open and everything done that was necessary for their comfort, and for which they heartily thanked him. Mr. Snyder, of Millport, delivered an address to the smaller children, which was listened to by them with marked attention. From Millport they proceeded to Weiss's and from there home, where they arrived at about 4 o'clock—making a complete circle, a distance of about 17 miles. All seemed to have enjoyed themselves, and acknowledged that they were perfectly satisfied with their ride.
Mrs. Elizabeth Arner, wife of Reuben Arner, of Long Run, departed this life on Monday evening, Feb. 1st, at 8 p. m. She was buried at Weissport on Thursday, 10 a. m. She leaves a kind husband and 4 children to mourn her loss.
