Drawn from the wheel February 15, 1875.

An old claim against Child was recently settled by the payment of \$20,000 to our Secretary of State. The particulars of the original of the claim are thus given in the New Bedford (Mass.) Standard: The ship Good Return, of New Bedford, Job Terry, master, arrived at Talcahuana, Chili, May 23d, 1832, in distress, having lost her rudder on the 18th. She had 13,285 gallons of sperm oil, 88,226 gallons of whale oil, and 22,000 pounds of whalebone on board. The vessel was detained by the Chilean Government, according to Captain Terry, "on the miserable pretext of a few pounds of tobacco found in the chest of the sailors," of the presence of which the boarding officer was informed. Captain Terry was told that if he would give the customs officers 50 or 60 ounces of gold they would let the ship go, or else they would make all the trouble they could. The vessel was detained until October 27th. An estimate of damages amounting to \$36,041 65 was made by parties interested, and another estimate amounting to \$37,165 was made by a Committee of British Naval Officers appointed by Lord Townshend, of the British frigate Dublin. Captain Terry, who was the largest owner of the vessel, called on every President from Jackson to Lincoln in relation to his claim, and frequently stated that if the Government would give him a letter of marque he would collect the claim without any further trouble to the Government. Claims usually grow by lapse of time, but this one, although nearly half a century old, has dwindled down to nearly one half its original amount.

Saturday morning was the coldest of the season in northern New York and the New England States. At Manchester, Concord, Franklin and other places in New Hampshire the thermometer marked 20 to 35 degrees below zero; at Glen's Fall and Whitehall, N. Y., it was 32 to 37 below, and at Warrensburg, N. Y., 41 below. In Maine, the marking in that part of the State between Portland and White River Junction ranged from 32 to 40 degrees below zero, while at Bangor the mercury congealed. Travel on some of the railroads was delayed by heavy snow, and all outdoor work was stopped by the intense cold. The weather at Toronto was clear but extremely cold, and many of the railroads in Canada were obstructed by snow drifts. The harbor at Newport, R. I., is completely frozen, and the depots and cars in Newport are filled with an accumulation of steamboat freights, which cannot be sent forward until navigation is open. Through trains on the Erie Railway were delayed on Saturday by heavy drifts on the Buffalo and Western divisions of the road. A Boston dispatch of last night reports a continuance of the Polar weather, the range of the thermometer in Maine and New Hampshire being from 20 to 25 below zero. It was "generally the coldest day of the season," and many of the harbors along the coast were closed.

"Timothy Titeomb" says: "Whenever any pure, true, good woman marries a man whom she loves, she gives herself to him. She belongs to him. He owns her as no other man on the face of the earth does or can." Mrs. Livermore, in commenting upon this statement, remarks: "I believe it. But I believe something else—that whenever any pure, true, and good man marries a woman he loves, he gives himself to her. She owns him as no other woman on the face of the earth can own him. That is my theory of marriage." Man's views of marriage combined with woman's views makes a very perfect theory.

Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of VINEGAR BITTERS?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs, in Bilious Diseases.

The properties of **DR. WALKER'S VINEGAR BITTERS** are Aperient, Diaphoretic, Carminative, Nutritious, Laxative, Diuretic, Sedative, Counter-Irritant, Sudorific, Alterative, and Anti-Bilious. **Grateful Thousands** proclaim VINEGAR BITTERS the most wonderful Invigorant that ever sustained the sinking system.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair. **Bilious, Remittent, and Intermittent Fevers,** which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to **DR. J. WALKER'S VINEGAR BITTERS,** as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fore-armed. **Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia.** One bottle will prove a better guarantee of its merits than a lengthy advertisement. **Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Gout, Scrofulous Inflammation, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, &c.** In these, as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood. **Mechanical Diseases.**—Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS occasionally.

For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Itches, Spots, Pimples, Pustules, Boils, Carbuncles, Ringworms, Scald-head, Sore Eyes, Erysipelas, Itch, Scurf, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. Pin-Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no verminages, no cathartics will free the system from worms like these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that improvement is soon perceptible. **Cleanse the Vitiated Blood** whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow. **H. H. MEDON AND CO.,** Druggists and Genl. Agents, San Francisco, California, and cor. of Washington and Charlton Sts., N. Y. Sold by all Druggists and Dealers.
LOOK BEAUTIFUL—LOOK ROSEY!—A Bottle of DURLING'S ROSE GLYCERINE for Roughness of the Skin, Chapped Hands, &c., only 25 cents a bottle. may
