STAR PARLOR ORGAN

GIVES UNIVERSAL SATISFACTION.

By a shillful use of the Stops, and of the Patent Knee Swell, the Music is adapted to the human volce, ranging from the softest, flutclike note to a votume of sound, Unsurpassed by any Instrument.

The proprietor has noted excefully for many years the imperfections and needs of the Reed Instruments, and directed his practical experience to the correction of such imperfections, and his experiments have resulted in the production of a quality of Tone which assimilates as cincely to the

Pipe Organ Quality That it is difficult to distinguish between the ALL THE LATEST IMPROVEMENTS.
