-Dr. J Jay Villers, American humorist, will amuse the people of Mauch Chunk on Thursday, Dec. 22d, at Rhoads' Hall, with his five new humorous entertainments, entitled : 1. "Funny People we meet ; 2. "Humor-"Eccentric characters;" "Mirth and Mimiery." Mr. Villers lectured here about a year ago and gave entire satisfaction.

-The sale of the estate of Col. Jas. Berryhill, dec'd, was held at the American Hotel on Friday of last week in the forenoon, and the following stocks sold for the annexed prices: 19 shares of Mauch Chunk gas stock, to Jno C. Dolon, at \$14 per share, par value \$25; 6 shares of Mauch Chunk water stock, to Judge Jas. Houston, 50 shares of Fulton gold stock, to the Fulton company, at 8 cents per share, par value \$\text{eq}_{10}\$ per share; 2 shares of Lehigh and \$\text{Susquehanna turnpike stock, to Allen Craig, at \$3.50 per share; 18 share of First National Bank stock, to Daniel Bertsch, at \$146 per share, par value \$\text{Susquehanna turnpike stock, to Daniel } \$\text{Bertsch, at \$146 per share, par value} \$\text{Susquehanna turnpike stock, to Daniel } \$\text{Bertsch, at \$146 per share, par value} \$\text{Susquehanna turnpike stock, to Daniel } \$\text{Bertsch, at \$146 per share, par value} \$\text{Susquehanna turnpike stock, to Daniel } \$\text{Bertsch, at \$146 per share, par value} \$\text{Susquehanna turnpike stock, to Daniel } \$\text{Bertsch, at \$146 per share, par value} \$\text{Susquehanna turnpike stock, to Daniel } \$\text{Bertsch, at \$146 per share, par value} \$\text{Susquehanna turnpike stock, to Daniel } \$\text{Bertsch, at \$146 per share, par value} \$\text{Susquehanna turnpike stock, to Daniel } \$\text{Bertsch, at \$146 per share, par value} \$\text{Susquehanna turnpike stock, to Daniel } \$\text{Bertsch, at \$146 per share, par value} \$\text{Bertsch, at \$160 per share, par value} \$\ \$100. Maj. Robert Klotz then offered 24 shares Carbon Iron stock, which was bought by Leonard Yeager, at \$18 per share, par value \$50.

Father Stack's Lecture.

On Monday evening of this week the Lutheran and Reformed church of Weissport was well filled, to hear the above named lecture. His oratory is of a high order and was duly appreciated. He spoke for nearly two hours, and was listened to with the greatest attention, many would have itstened yet longer. At the close he was surrounded by a number of ladies and gentlemen and received their warmest congratulations. Among those introduced to him we noticed Mrs. J. Hauk and her daughter Emma, and several of the Welssport ladies.

Infinito Castle, No. 78.

An adjourned stated meeting of Infinito Castle, No. 78, A. O. K. of the M. C., will be held in Reber's Hall, this (Saturday) evening, Dec. 18th, at 7 o'clock. The members are respectfully requested to be present. Business of much importance will be transby order. J. W. O'Niel, S.K.C. acted.

8. R. Gilham, S. K. R. S.

The Mahanoy City Murder.

The following particulars of the diabolical double nurder at Mahanoy City, in Schuyikill county, we take from the columns of the Valley Record, published at that place, of Saturday

last, the lith inst:

It becomes our points of the obronicle one of the onest cold-blooded marders that ever occurred in this locality, frequent as have been those bloodey devices of fate. About two clock or between that and three, Friday morning, a party of men went to the house of Charles McAllister, at Wiggan's Righ Patch, about two nice from here, and broke in the back door. Chas, McAllister, who, with his wife Ellen, slept in the four room, on bearing these break in, arose from hed willing his wife to lay 'the and that they would not burt her, be went down into the cellar which was partitioned off a board and want into the other house and out of the back door and cheesed his recape without highly to the state of the house of a board and want into the other house and out of the back door and cheesed his recape without highly to the door and cheesed his recape without highly to the door and cheesed his recape without highly to the door and cheesed his recape without highly to the door and cheesed his recape without highly to the house her and here in the highly the cheese his highly the high

Commenting upon this atroclors murder and the state of society in Mahanoy city, a correspondent of the N. Y. Sun, says;

the state of society in Mahamoy city, a correspondent of the N. V. Sun, sava:

"The generally accepted opinion is that O'domnell land placed almest in antagonism to the Molly Maguire orranisation, and being sealed upon as a direction man his life was supported by the manner of the Molly Maguire of the gain of which he had sone been as few of the gain of which he had sone been as few of the gain of which he had sone been as the unborne infant secure to have been merely an ant of wanton berbalism, increasable even under the lawless rules of the Molly Maguires. What connection John Kenne had with the outrave is of course more copjecture. He had long been known as the leader of the Molly Maguires in this distictant his dislike and suspictor of his brother incluse. Chartes O'Donnell, were well known the extraordinary behavior at the inquest sirrogithened the theory that he is not be inquested in the reom and decanded that further inquiry should be stopped Chief Burgess Elechmas ordered him out; but it is not improbable that hust the Mayor not been a jurior Kchoe would actually have stopped Lie inquest.

The approaching cold weather is full of evil

not improbable that had the Mayor not been a juror kelose would actually have stopped the inquest.

The approaching cold weather is full of evil sugary for Manoney City. "There will be plenty of muncers here before spring." said the Chief Bargess yesterday. Lat there a great number of men were out of emblyment, and munders and robberies made Scamyistil county a synonyme of artonuc orings throughpat the land. This whate the manour of tells miners is necreased two-fold. Twe we menths see the more ceased work thomselves and attempted the land. This whate the manour of tells miners is necreased two-fold. Twe we menths see the more ceased work thomselves and attempted the land two-fold that the manufacture of the more ceased work thomselves and attempted to the more considerable of the control o

stores."
The functal of Charles O'Donnel and Mrs.
McAllister yesterds y was attended by unward
of seven functived persons, and few of them
reached home sober.

A Pottsville dispatch, dated the 14 inst., says: *F. Wenrich, the Mahieney City merchant, whis, on the oath of Mrs. O'Donnell, was jedged in jail last week as being one of the masked men who shot O'Donnell and the woman McAllister, was to-day released on a writ of habeas corpus.

[Communicated.]

Donation Visit. DEAR EDITOR.—The Lutheran church of this place has not nitherto made itself conspicuous in your columns, because we do not desire to give ourselves undue publicity, deeming it beat that the left hand should not know what the right hand docta. We are a quiet, unpretend ing sort of people, and pursue the even tener of our ways, endeavoring to serve the Lord in a manner which, indeed, is not so much noised

our ways, endeavoring to serve the Lord in a manner which, indeed, as not so much noised abroad but is, we believe, the way of Has appointment. The work of evangulization still goes on, and our membership is increasing too, i have an item of nows to comminicate, which will, perhaps, be interesting to many of your readers.

Our paster was very agreeably and most completely surprised with a comation on last saturday evening. The affair was so entainingly arranged that, while he with the granulous assistance of our organist, selected the Asisms and the "Asys" were coming in quietly below. All other in readiness, a measuract was dispatched by the complete of the winney set vices the "Asis" and the "Asys" were coming in quietly below. All other in readiness, a measuract was dispatched by the complete of the

Public Sales.

—The Western Union Telegraph Company amounces a quarterly divided of 2 per cent, payable on the 18th of January next.

The Coal Trade.

The surfuracite coal trade is a little nusettled just new and its future quite uncertain. One things seems to be fully determined on, namely, that coal production in the entire Schuyikiil resion will cease on the 18th het. and will centimize at rest up to the 18th of January, making the suspension cover one month of full time. The supply of coal seins fall, that huich in advance of the market decound, this thought better for the workmen to make the stoppess full time for parts of two month. Such an arrangement in desented more satisfactory to the miners and thorors, and will invove more economical to greatly the suspension of the color of the market has grying them some month of the color of the color of the satisfactory to the miners and thorors, and will invove more economical to greatly the satisfactory to the miners and thorors, and the protein and the color of the color of the satisfactory to the miners and the color of the color of the color of the satisfactory to the miners of the color of the color of the color of the satisfactory to the miners of the color of the satisfactory to the market had a communicate that all communicate them to the satisfactory to the satisfactory of the supply themselved that all communicate and supply themselved that all communicate and the both of the month's statementory. This suspension is considered as absolutely farting communicate week, and it is probable action. This suspension is known as the As-ociated Carrying Communicate week, and it is probable action of all or most of them. If the color courters are more active week, and it is probable action of all or most of them. If there shall come some active dem and for coal with the new year the suspension may not tast more than a count, but it at the end of the month named there shall still be a glate of coal. prudence and the best interacted week. It is shown any probable active the suspension of any count, and what is each of the month named there shall still be a glate of coal prudence and the coal trade with its and t

Mauch Chunk on Saturday last, to arrange the basis for 1876 and to consider the subject of suspenison of operations. After a discussion on the wages ques. tion, the glut in the market and the stop of production by the Schuylkill operators it was decided not to make a basis or suspend until a general meeting of operators representing all the regions was held. In the meantime work will continue at all of the collieries, the miners receiving the old wages. Those well posted say there will be a general reduction in from fifteen to twenty-five per cent., in all regions after Jan. 1.

Mr. George Putman is the authorized agenor Ann Silas Young's new book, entitled Wife No. 18, er, the Story of a Life in Bondage. This book is a complete expose of Mormonism in every phase of character, and is written in an interesting and graphic style. If you would be aforested order the book from Mr. Putman when he calls upon you.
