From the County Seat. Town is very quiet since adjournment

of Court. Theodore Tilton lectures here on Daniel Kalbfus, Esq., left for Wash-Ington, D. C., on Monday evening.

A special session of Court will be held on Feb. 21st, cantinuing one week.

-Mrs. Sprowl, an old resident of Mauch Chunk, hud a paralytic stroke on Tuesday, and died in about twelve hours.

John Jones, Esq., of Wilkesbarre, was in town during Sunday. Mr Jones was employed in the prosecution of the Goldstraw murder trial of Jan. term a year ago

We will have two more hotels in town, to be opened by the following persons, Lou. Armbruster and Paul Schweibinz.

Beatrice Cooper, infant daughter of Jos. and Alice Lynn, died on Monday afternoon, at the American Hotel. In-terment took place on Wednesday p. m., at Freemansburg, to which place the remains were taken on Tuesday morning.

A grand wedding is to come off on the 10th inst., in the afternoon, at the Presbyterian church. The contracting parties being Horace Hamlin, clerk at L. V. office, and Miss Mary Brodhead, daughter of Hon. A. G. Brodhead, A reception, we understand, will be held at the bride's home after the ceremonles at the church are concluded.

-Rev. Babecek, on Tuesday evening lectured in the Court House, on the subject of Temperance, to quite a number of persons. He took for his subject the "Lessons of history," and developed some new ideas on the worn out subject of temperance. The principal object of the meeting, we think, was to organize a Temperance Lodge, but we apprehend the principle would'nt hold water in this town, we are sorry to say. An Arbitration, on book account, between Wm. Kuntz, of Weissport, and Jonas Bennehoff, of East Mauch Chunk, occupied the attention of several of our lawyers on Wednesday. There was a quibble about some little points as to the testimony all day, and it was therefore late before the arbitrators could listen to the eloquence of counsel. We

presume Kuntz will be the winner but not to the amount he claims. M. M. Sheridan, fancy notion dealer, left town very unexpectedly early on Monday morning. On Sunday night he shipped his goods to the depot and on the following morning, the neigh-bors seeing that the store was closed, began to wonder what was the matter with their friend Sheridan. Several persons tried to get into the store, but it was only after breaking the door in that they found to their utter surprise, that the room was emptied of its con tents, and on enquiry found that Sheridan, family and goods were gone for parts unknown. No reason is as-signed other than that the accumula-

#### Report of the Grand Jury.

TO THE HONORABLE THE JUDGE OF THE COURT OF QUARTER SESSIONS OF THE FEACE IN AND FOR THE COUNTY OF CARBON :

The grand Inquest, inquiring into matters meeting the county, do respectfully report as follows

That we have passed upon twenty-four (24) bills of miliotment: sent up to us by the District Attorney, eight is, of which we have ignored;

and the remainder have found true bills. The bridges of the county are reported to be In very good condition, with the exception of those in Kieder township, which are very much

in need of hand-rails. We have visited the County Jul and find it neat and clean, and reflects great credit upon the Sheriff in charge.

We would call attention to Emanuel Getz, now confined in the county jail, said to be a iunatic, and woold respectfully suggest his removal to the county hospital, he giving the Sheriff untoid trouble in his management and OBTO

We would also call attention to the roads sading from Mauch Chunk to Legighton and Nesquehoning. They are very much to need of a stout fence of wall to prevent teams going over the steep banks, as they are so close to the railroads.

Constable William Merrick, of East Mauch Chunk; calls attention to the condition of the road, commonly called the Pine Swamp Road, between North street alley and Lehigh street. reported to be in a dangerous condition by Chas. Kline and John McGinley. He says the Burgess has been notified, but refuses to do anything to better it.

We would respectfully auggest that a room be erected immediately adjoining the Court House, in the old jail yard space, for a Prothonotary's office, with a room for the law horary adjoining, with entrances to each from the Court room, for the convenience of the Prothonotary, the Court and the Bar, and that the present Prothonotary's office be used as an arbitration room. To the officers of the Court we extend our

thanks for sind assistance and courtesy during

Una and the formation. WILLIAM C. MORRIS, Foreman.

No Dogs Allowed in the Cars.

It happened the other day on the Lehigh Valley Railroad. The train had just left Easton and the conductor was making his first round when he observed a small white dog with a bushy tail and bright black even sitting cosily on the sent beside a young lady so handsome that it made his heart roll over like a lop-sided pumpkin. But duty was duty, and he remark ed in his most deprecatory manner :

"I'm very sorry manner." "I'm very sorry manner." "Oh, my 1 is that so 1" and she turned up two lovely brown eves at him beseeningly. "What is the world will 1 of 1 can't throw him away. He is a Christmas present from my available.

The weather so far this winter has been very changeable.

Our roads were in a terrible condition for a few days last week, but on Saturday night the programme changed, and on Sanday morning the roads were frozen hard.

The wages of the laboring men has been cut down to almost nothing. Now it would not be more than right if the rents would be reduced to correspond. Our young ladies must not forget that it is leap year, and let them make use

of their special rights. Will the borough fathers of Lehigh-ton please see to have their streets and side walks repaired? The latter, indeed, are in a very delapidated and danger-mis condition to travel to and from the

depots after night. The time for borough and township elections is rapidly approaching. Ye sandidates for office trot out.
