## Post Mortem Examination.

The protracted illness of Joseph Miller, of Weissport, & rminsted in death an Tuesday morning at three n.m. The cause of his sickness being somewhat obscure, his do ingrequest that a post mortem examination of his ocdy should be made by his attending physicisn. The friends of the decea-ed having given their consent to the proposed examination, Dr. Zern. assisted by D. S. Grossman, proceeded to inves-tigate the nature of his disease. The Dr's opinion and also the opinion of Dr. Louder, of White Haven, was, that the patient was soffering from cancer of the atomach ; this diagnosis was co.firmed by the examination. The cancer or ginated in the stomach, affected almost its entire length and also extended to the liver and

pancreas, forming adhesions with these organs. During the last few weeks of his life, Mr. Milor's suffictings were very great. Fortunately for humanity, comparately few persons are af-Obituary.

Lewis Erum, of Lehighton, aged 23 years and 24 days. Her remains were consigned to the grave in West Penn, on Sunday last, attended by a large funeral procession from the residence of the deceased to the place of interment, manifesting, thereby, their high esteem and kind regard of the bereaved family. The American Mechanics, in a body, attended the interment and wore the badge of mourning, as an idication of condolence. A large congregation was assembled at the church before the funeral had arrived, so that it was almost impossible for the relatives and friends to obtain entrance. The ocasis n was improved by Rov. J. C. Blom, on Rev. lita chapter, 13th versa, who delivered an effective sermon, to a dceply moved and inter ested congressition. The services were c n. cluded by Rev. E. Buis, of Reading, with the Evangencal rise of interment.
