Accidentally Drowned.

On Wednesday afternoon last, about 4 o'clock, two youths named respectively John Eech and Harvey Rehrg, started on a fishing excursion; proceeding to Hellman's dam, they procured a flat bottom boat and launched upon the water; making fast to a log, they proceeded to fishing, one at the bows and the other at the stern end of the boat. They had occupied themselves thus for a short time, when Eech spoke to his companion Rehrg, and receiving no reply turned to look at him, when he observed that he was shaking, and before he could reach him, Rehrg, had fallen headlong over the side of the boat into the water. Each seized him by the collar, but the boat tipping he left it, jumping onto a log, and becoming exhausted let go his hold, when Rehrg sank beneath the water. Each immediately started, in his fright in search of help, but it arrived too late to save the boy, the body not being recovered for fully one hour after its disappearance.

Harvey Rehrg, the deceased, was a son of Moses Rehrg, of this borough, and was 16 years of age.

An inquest was held before Esq. T. S. Heck, and the following jury: H. V. Mortimer, Jos. S. Webb, Henry Drumboire, Nathan Drumboire, Chas. T. Horn and Aaron Krum. After investigation, the jury returned a verdict of "Accidental Drowning."

The funeral will take place on Sunday morning, at 9:30 o'clock, to proceed to Trinity Lutheran church, and thence to the cemetery. Relatives and friends are respectfully invited to attend.

A man named Cornelius Carter was arrested in Williamsport on Saturday evening in the act of setting fire to a number of yards. He made a feeble resistance, and was severely wounded before being secured. An inquest was held before Esq. Heck, and a verdict was returned that he was insane, and he was committed to the Danbury Asylum for sixteen months.
