leading to Mauch Chunk. The building has not been used for school purpo-ses for a number of years, but has been occupied by different persons as a dwelling. Its destruction by fire entails very little loss on any one.

Our Representatives in the State Legislature have been appointed members of the following Committees : Hon. W. M. Rapsher on Constitu-

tional Reform and Elections Hon. J. C. Kreamer on Labor and Industry, and Contenuial.

The Lebigh Valley Railroad Company held its annual meeting of shareholders for the election of officers. &c., at the office of the company. tion of officers. Ac., at the office of the company in Philanciphia. Tuesday. The annual report of the company was read, from which we guither the following facts and flyness as to the business of the past year and the compant's present flustom is function. This read, it is know, is mainly a coal carrier, and externs from Perth Amboy, N. J., to Wikesbarra, fill miles Of this distance in the company. maining discarce in this State. The computy also owns are not road-of the agreement length of 130% in les, and works 5% miles of leasest or 1375, in les, and works 15, miles of leasen reass. Its cost tennage for the fiscal year end, ing November 35, 1576, was 3,987,018 tens, which is 633,518 tens greater than in 1878. The only two years in the history of the company show, ing a greater tomage were 1873 and 1871. The ing a Sovenius greater than in 1878. The only two years in the history of the company show, ing a greater tomage were 1873 and 1871. The income the past year from all sources, including interest from investments, amount ing to \$8,071, 267, from which sum operating expenses. \$9,251, 270, being deducted leaves as not income \$4,184, 497, against \$4,552,290 of not income of 1873 an increase of \$189,222. This, considering the greatly reluced price of coal, is more favorable for the business of 1873 than could reasonable are been expected. The capital account our stock of the company at the close of the limit flower on secondary (1974) and flowing dobt, \$49,203, total liabilities, capital account in the consideration of the secondary of the control of the secondary o

Echoes from Mahoning.

-Slushy, more slushy, most closhy. -" Getting Married" is the topic of the day throughout the Valley.

-Scarlet fever is still among the juveniles.

-"Getting Married" is the topic of the day throughout the Valley.

—Scariet fever is still among the juvenites.

—Last Saturday evening a chid of S. Fenstermacher, died of scartof fever aron about seven years, was buried on Tuesday last, in St. John's cometery, of his piace.

—Not many weeks ago a certain young man came down over the toy and anow-camped monotains from Wilkesbarre, and sejourning for a short time among the opposite sex of this piace, came to a conclusion last Saturday evening to take to himself a "Frau." So "getting up," with his beloved, made at once for the readence of Rev. Stranss, where, after a short conversation with the "Parra." they were united in the holy bonds of martinony; after which they immediately solution on their wedding four. They took the No. S and 9 shoemach's frain, said moved we-tward as far as senstermacher's station—charged cars. then moved in a northern direction as far as fox Mountain, where they are now edgorming in the land of sweet repose.

—Another sielghing party at Preasant Corner last Wednessay evening.

—Mr. Nothstein, proprietor of the Pleasant Corner those, is the old sentleman who can accommodate the neopic in general, especially sleighing parties. Mr. N. is a kind, pleasant and acreable man to deal with and no doubt by next spring, we can have the ideasure to report that Mr. N. has drawn to his house slittle immense crowds, which crossed over into the lumits of Mahoniug.

—Hesoived:—'That the class known as trame should be allowed to roam over the country." Is the subject to be discussed in the E. L. society next Saturday evening.

—The sleigning parties of the different schools under the supervisions of Messix. Elsitier, Miller and Sendell, that passed up the Valley last Saturday, proved to have been a perfect success. We counted fourteen teams in line, which add strongly in favor of what inflaence toachers have upon the parents, of what they were on ag. They grey to the noble motto, which he carried on his banner.

Fashionable Winter Clothing.

Fashionable Winter Clothing.

T D. Clauss, the merchant tailor, is almost daily receiving additions to his large and elegant stock of winter goods, comprising cloths, cassimeres, and vestings of the latest designs and the best manufacture, which he is pre-pared to make up in the most fashionable and durable manner, at prices fully as low as the same material and workmanship can be obtained for in any other town in the State. Also, a full line of gent's furnishing goods, hats caps, boots, shoes and gaiters suitable for the wear of this section, and manufactured expressley to his order, entire stock has been purchased on an entirely cash basis, and as he is selling for cash only he is able to sell at such prices as will astonish purchasers. Call and examine goods and prices before purchasing elsewhere.

The following table shows the quantity of coal shipped over the Lehigh Valley Hallroad for the week spiding Jan. 13th, 1877 and for the year as compared with the same time last year:

siewers, the budy was subsequently disinterred, the heart. Hiver and intestines removed, and placed in the hands of Dr. Erwin, who took them away for snaiyees. The body exturned was that of Louisa Boyer, and had assumed a rescuered his

pinces in the animo of Dr. Eawin, who hose them away for analyses. The body exhumed a rose-colored human and that of Louiss Boyer, and had assumed a rose-colored human and that of Louiss Boyer, and had assumed a rose-colored human after before the posteriors and the posteriors are all them of lead posteriors. Have heard of persons after before taken it.

Cross-examination Dr. Kramer informed me that there had been voicint purging on the evening of ber decease. Was provided with bottles when I went to make the post mortem. The second post mortem was made at the instance of the Datrict Attorney. At the second examination the nuestines were of bright vellow co. or—ware so than most American coins. The whole intestines were more of less of that coior. The face of the corpse was just entering into a state of decomposition. There was no more peculiar small than is generally the case under such circumstances. Never conducted a post mortem state of the departure of your correspondent, Mr. Vm. Stapp, Hon. Levi Wentz, Dr. De'coung and Chas. A. Expert were caused on to testify, but as their testinony only tend-out to corroborate easien of the estimacy only tend-out to corroborate sense of the testimacy only tend-out to corroborate sense of the estimacy only tend-out to co

rope to hang with."

At this writing, 9 a. m. the Court-room is densely crowded.

Boyer: Am granismether of the deceased are to the house on the night also was taken steen, but was in bed at the little. About individually it was aroused, got up and made some ten for her. She was vomiting considerably. The instead until between 3 and 6 croker, Can't tell what color the venus was Was present tell what color the venus was Was present when she died. Know Waiter sitrud, he was not near at the little Louisa was taken sick.—it was there exce about a year before he ate dinner with a then. He came alone. He and his father came to he are discussed with the color of the second of the color of the color of the was the as with the was the manual to the and Langu's mother wave brother and sister.

Cross-gramined: The Straubs larm a small.

father and Lanra's mother were brother and sisted.

Cross-examined: The Straits farm a small place, and keep a kind of a store. Walter standed medicine at Philadelphia. Can't tell how long he was there. The defence new attempt to make appear as if Walt. straits much there administered the poison or procured the pile. They are evidently straining at gust. The color what she threw up wasn't noticed particularly—it looked whiter than water.

In K. camer recalled; Defendant told me that the only time he had intely been from head been when he was at the casp to buy a load of watermetons, but they were too high, so he did buy any.

watermeions but they were too high, so he did buy any.
John Klinstop, Assisted at the burial of Leu-Boyer, and describes the manner in which her remains were placed in the grave. He also as-sisted at the exhimation, and points out Dr. Lewin as one of the parties present. Knew Louiss well while hylog. If was her body we took up.
Charles W. Lentiz Am druggist at Lehighton, nearly opposite the Carbon House. Know the presenter. On the this of Angast last he came to my store inquiring whether we said rat pa-sion. Told upo that he had been instructed by his methat to buy some, their saids how to

his sufe; refused to accept them back torcause; failur's wash to become an accessory allow the fact.

Wm. M. Rapsber, being now called Gan. Albericht promptly comes to his rescue ay interposing the question of privilege. He objects files objections, argues the point at length. But his eliquiouse and the reactive suggests are not suffered to prevail. Mr. "Applied thereforth testifies: Dan't recollect when it devices a few and fired to prevail. Mr. "Applied thereforth testifies: Dan't know whether it was not have been on the 28th of Angust witness grows intervous; don't know whether it was delivered in some condition to "Squire Beck as it was when I received it." Squire Beck as it was when I received it. "Squire Beck as it was when I received it. "Squire Beck as it was when I received it. The property of the property of

ner coming out of Leures going in.

Cross-Examination, Was at the funeralt saw Wagner there, this was at about 11 a. m.; came to Lehirhton by train; saw Wagner in Lehighen at about 6 p. m.; subsequently saw bits coming up the street, accompanied by William

Wagner there, this was at about 11 a. m.; came to Lehirhton by train; saw Wagner in Lehighton at about 6 p. m.; sabrequently saw him coming up the street, accompanied by William Wagner.

Wilson Mushitis: Live at Lehigh Gap: Charles Wagner was at my house shortly before the death of Louiss Royer; he claimed to be on his way to Lehignton to buy a suit of Jothes.

Herman Voight; Was lock tender for Mushitis in Augnet, 1876. He was prespiring production of the same the said he wanted to go to Weissport.

Dr. B. Erwin, Practised medicine since 71. Studied chemistry, of course, siways took apecial delight in it. On the afternoon of August 25th, received at Mr. Slewers' office, what was said to be the stomach of the late Louiss Boyer, which I subsequently piaced in the care of Mr. I'winne, paying teller of the First Nat Bayk, for eate :coping. We aftewards mad the cody exhumed, in order to subject it is miniater annimation. We secured some of the intestines, the heart and liver. In the course of our examination we also found a fostus showing that the girl had been about in feer thi d month of pregnancy. The doctor then enlarged upon the various chemical tests to which the part secured had been subsequently subjected, all of which tended to show conclusively that the girl which tended to show conclusively that the girl

or or grains, and died from attentions poisoning. The tests applied, arc. in my opinion, all sufficient to establish the fact as the cause of the gir's death.

Dr. Chandlert Am Professor of Chemistry at the Lehigh University. The tests applied by Dr. Erwin I consider correct. They prove conclusively the presence of arsenic. No other substance would produce the same results. The peliow spots referred to I should consider as indeating the presence of arsenic. No other substance would produce the same results. The peliow spots referred to I should consider as indeating the presence of arsenic. From 2 to 3 grains of arsenic arc noul to be sufficient to produce death, etc.

Cornelius Boyon Arvested Chas. Wagner, Isaliah Miller, of Welssport assisted no. Did not sak hun to make a statement of the case to me. Wen't to Wagner's hease. Not knowing Charles, I pretanded to be after pigs. Took hum at some distance from the house. If should have a single the fact of the proposed to be a substance from the house. If the shock as if he has the fover and ague. He delicated his immediate when it is proposed to prove what prisoner when it is proposed to prove what prisoner is teld the officer at the just only of the province of

od Straub as the party who had poisoned the gril.

I small Miller: Was in Boyer's company when he arrested Wagner. We stapped at wagner and went in, but at first arrested the wrong man. When we had arrested the large of the colored to the colored

t. oss-examined: Didn't see him anywhere in

Cross-examined plant were aim any water an August. Saw him one in company of 2 others. Saw him at Wistler's.

Albert C. Snyder: Was at the post-mortom examination. Took charge of a bottle containing peri of the stomach, which I suberquently gave to Dr. Stapp. Got the bottle at the house (Boyer's). Kept it about no until I gave it to Dr. Stapp. It was corked: didn't open it.

Walter Straub: Live in Phiadolphia at present, where I am studying medicine. My home ent, where I am studying tredicine. My frome is near the Lehigh Gap. Louiss Boyer and I were consins. Did not give her aby poison. Cross-examined: Wasn't before the Grand Jury in October, but had been subpenned to do so. Didn't try to evade service of subpense by telling my boardup maistross to deny my presonce. Don't remember when Leuisa was last at our house.

coince. Don't remember when Lentes was less at our house.

Mrs. Metliner One day in July went to Bowman's with Louisa Boyer. I was also in her company, at another time, when in Manch Chunk. She came here to luy some goods, bought coilce, sipsea, trimmings, etc. Aftriransaction our business, and esting dinner, Louisa bought some candles and oranges and I some inagnetic olinteest at a drop store, after which we want down street for the train.

The Commonwealth then offer in evidence a photograph of the two packages of poison to which the defence object, but their objection is over time by the Cont, and Com. ross.

READ, PAUSE and REFLECT over the

Only Three in 100,000,

following: Dr. Coxe's Wild Cherry and Seneka has proved beyond all doubt to be the best and most wonderful remedy ever prepared for the speedy relief and cure of all coughs, colds, whooping cough, asthma, hoarseness, weak lun cough, assuma, hoarseness, weak lungs, incipient consumption, and that terrible malady—croup. Have you delayed trying it so long? If so, get a bottle costing 50 cts. and use two thirds of it; if not satisfied return the balance and get your money back. Can anything be fairer? This offer has been accepted by over 100,000 persons using this delight-ful remedy, and only three bottles have

ever been returned. Sold I by A. J. Durling and C. Sold in Lehighton ad C. W. Lentz. Large bottles 50 cents; small size 25 cts MARRIED,

idli mat, by Rev. John Carri, stor. H. Ratoliff and Mas Siden Stout, is highton, Pa.
