—A physician of considerable eminence, in England, Dr. Henry Pigeon, writes to the London Lancet on his treatment of that scourge of many families, scarlet fever. He says he has found sulphur almost a specific for the disease. He annoints the patient twice daily with sulphur ointment, gives from five to ten grains of sulphur in a little jam three times a day, and burns sulphur in the room of the patient twice daily. He says he has given this treatment extended trial for over two years, and that under it not one of his patients was more than eight days in making a complete recovery, although the cases were well marked, the surface skin on the arms coming away like the skin of a snake. The record of his statement in the Lancet is republished here, not to stimulate home doctoring in the case of pronounced disease, but as a mode of treatment, supported by evidence of its efficiency which makes it worthy of consideration by physicians who have not given close study to that mode of treatment. The use of sulphur in this and similar diseases we are aware is not new, but an exclusive use of sulphur internally, externally and for inhalation, seems to be the specific adopted by Dr. Pigeon.

—Says the N. Y. Observer, of the 18th: The city was full of rumors last week in regard to a duel said to have been fought between James Gordon Bennett, of the New York Herald, and Frederic W. May, growing out of a personal assault by the latter upon the former. It appears now to be pretty well ascertained that a duel was fought on Monday, the 8th, somewhere on the Maryland and Delaware State line, but whether any one was hurt still remains a mystery, as both parties have absconded. The Grand Jury of this city have been investigating the case, the law of this State forbiding the citizens to leave the State with the intent to fight a duel. Dr. Charles Phelps, reported to be one of the surgeons, was summoned as a witness, and, on refusing to answer questions, was committed to prison. After being three days under arrest, he was released on a writ of habeas corpus by Judge Donohue, on the ground that he was not bound to answer questions that would tend to criminate himself. The whole affair has only served to bring ridicule upon the parties and contempt upon this mode of settling street quarrels and healing wounds of honor. There is no danger of the duello being revived in this community.

—Hon. J. P. Wickersham, State Superintendent of public instruction, gathered from the Centennial Educational exhibit several suggestions which he thinks may be applied to the school system of Pennsylvania. Here are the conclusions:

First. That there is too much power in local school boards.

Second. The state should aid district school boards in erecting and furnishing district school houses.

Third. The status of the teacher elevated, and greater privileges accorded him or her.

Fourth. More liberal support of normal schools.

Fifth. A "broader and richer" course of study in elementary schools, whatever that may mean.

Sixth. A closer supervision, from one central authority, as in Europe.

Seventh. Greater encouragement to high schools, academies, and seminaries

Eighth. A system of technical schools

Ninth. The establishment at Harrisburg or Philadelphia "of a state pedagogical museum" for the exhibition of school material.

VARIETIES.

—Iowa built only 11 miles of railroad last year.

—Meadville, Pa., fed 431 tramps last year at a cost of $6310.

—The epizootic has made its appearance among horses in Franklin county, in this State.

—California never built so many miles of railway in one year as she did last year, and never developed so fast in all the great industries.

—A philosopher who went to a church where the people came in late said it was "the fashion there for nobody to go till everybody got there."

—"Is that a friend of yours?" asked a New York gentleman, pointing to a party who was sailing down the street. "Can't tell till next Saurday," returned the individual addressed. "I've just lent him five dollars."

—The Chicago Tribune estimates the municipal debts of Illinois at 40 millions, averaging 8 per cent. interest, and says the burden is so heavy that "all hope of paying the principal has been abandoned. In some instances the payment of interest has been stopped, and the effect of the overwhelming debt has been to depreciate the value of property, prevent purchase and settlement, and has actually caused men to sell out their farms at a sacrifice and move elsewhere where the land was not mortgaged so heavily."

—A Chicago actor's rendition of Iago is thus spoken of by a critic; "He does not seem to think that Iago was the cold-blooded, bilious villian that Mr. Booth makes him, but rather a sarcastic, rollicking, cynical cuss".

—A Toledo steamboat Captain, on hearing of the death of Vanderbilt, decorated his vessel gayly with flags and streamers, and blew the whistle all day long. He said that the Commodore had once wronged him, and consequently he felt like celebrating.

MEDICAL.

Judgment of the People!

During the past eight years the public have carefully observed the wonderful cures accomplished by ALLEN'S STRENGTHENING CORDIAL. From its use many an afflicted sufferer has been restored to perfect health after having expended a small fortune in procuring medical advice and obtaining poisonous mineral medicines.

Its medical properties are alterative, tonic, solvent and diuretic. There is no disease of the human system for which ALLEN'S STRENGTHENING CORDIAL cannot be used with perfect safety.

Allen's Strengthening Cordial

WILL CURE

SCROFULA,

Scrofulous Humor.

It will eradicate from the system every taint of Scrofula and Scrofulous Humor. It has permanently cured thousands of helpless cases where all other known remedies failed.

Allen's Strengthening Cordial

Is the great blood purifier, cures Syphilis and removes Pimples and Humors on the face.

Reason should teach us that a blotchy, rough or pimpled skin depends entirely upon an internal cause, and no outward application can ever cure the defect.

Tumors, Ulcers or Old Sores

Are caused by an impure state of the blood; cleanse the blood thoroughly with Allen's Strengthening Cordial and the complaint will disappear.

Allen's Strengthening Cordial cures CONSTIPATION, DYSPEPSIA, FAINTNESS OF STOMACH. It is not a stimulating Bitters which creates a fictitious appetite, but a gentle Tonic, which assists nature to restore the stomach to a healthy action. No person suffering with Sour Stomach, Headache, Costiveness, Palpitation of the Heart, Indigestion, Low Spirits, &c., can take three doses without relief.

Allen's Strengthening Cordial cures Female Weakness; it acts directly upon the cause of these complaints invigorates and strengthens the whole system, acts upon the secretive organs and allays inflammation.

Allen's Strengthening Cordial has never failed to cure mercurial diseases, pain in the bones, as it removes from the system the producing cause. Salt Rheum and Scald Head readily yield to the great alterative effects of this medicine.

Allen's Strengthening Cordial has never been known to fail in giving immediate relief in all diseases of the Kidneys and Urinary organs. This medicine challenges the most profound attention of the medical faculty, many of whom are prescribing it to their patients.

Allen's Strengthening Cordial acts as delightfully on the tender babe, the most delicate lady and infirm old age, as on the strong man; imparting health and vigor to the nerves and brain, blood vessels heart and liver. When taken you can feel its life-giving power course through every artery, destroying all diseases in the blood and giving health, elasticity and strength to the whole organization.

Allen's Strengthening Cordial is acknowledged by all classes of people to be the best and most reliable blood purifier in the world. It is a never failing remedy and can be relied upon. How many thousands upon thousands have been snatched as it were from the brink of the grave by its miraculous power. Who will suffer from Liver Complaints, Dyspepsia, Diseases of the Stomach, Kidneys, Bowels or Bladder when such a great remedy is within reach?

Volumes might be filled with proof from all parts of the civilized world to prove that no remedy has ever been discovered in the whole history of medicine that acts so promptly. Even in the worst cases of Scrofula a good appetite, complete digestion, strength and a disposition for exercise, are sure to follow its use. If the bowels are costive, or headache accompanies the disease, the use of Allen's Liver Pills will remove it. Over eight years experience and the increasing popularity of Allen's medicines are conclusive proof.

Price $1 00 per bottle, or six bottles for $5 00. If your druggist or store-keeper does not have it, we will forward half a dozen to any address on receipt of the price.

Allen's Liver Pills.

Perfectly tasteless, elegantly coated. For the cure of all disorders of the Stomach, Liver, Bowels, Kidneys, Bladder, Nervous Diseases, Headache, Constipation, Costiveness, Indigestion, Dyspepsia, and all Bilious Diseases, such as Constipation, Inward Piles, Fullness of Blood to the head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fullness or Weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, Hurried or Difficult Breathing, Fluttering at the heart, Choking or suffocating Sensations when in a lying posture, Dimness of Vision, Dots or Webs before the sight, Fever or dull pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Chest, Limbs, and Sudden Flushes of Heat, Burning in the Flesh, etc.

ALLEN'S LIVER PILLS may always be relied on as a safe and effectual remedy, and may be taken by both sexes at all times with beneficial results. By their use the weak are made strong. Distress after Eating, Inward Weakness, Languor, Want of Appetite, are at once removed by a dose or two of these Pills. Thousands of persons who have used these Pills we have yet to hear the first complaint from one who has tried them. They always give relief.

ALLEN'S LIVER PILLS

Regulate the organs of the system, restoring functional harmony and securing the secretion of the proper constituents of each organ. By their action the liver secretes its allotted proportion of bile—the lungs carbon, the skin sweat, the kidneys urine, etc., and are always reliable as a purgative.

The aged and persons subjected to Constipation, Paralysis, and Weakness of the Bowels, Kidneys and Bladder, etc., that have to resort to Injections, by taking two or three of Allen's Liver Pills, will enjoy natural discharges, and by the occasional use of them have regular operations. In these cases their strengthening and nutritious principles are exhibited, every dose will add new strength to the Bowels, Liver, Kidneys, etc., that may be worn or depleted by age.

In these Pills, a want that science has ever failed to supply is secured, and this is a thorough purgative that can be given in safety in cases of eruptive fevers, as Small Pox, Erysipelas, Yellow Fever, Scarlet and Typhoid Fevers. When the Mucous Membrane becomes ulcerated, these Pills act thoroughly, yet heal ulcerated and excoriated parts. They are made from extract—from new ingredients—entirely vegetable, superior in every respect to the ordinary powders and substances of the common silver-lined Pills, and have a safe, certain, and uniform action.

Price 25 cents a box, or six boxes for $1 25. If your druggist or store keeper does not have them, we will forward half a dozen boxes to any address on receipt of the price. Prepared only by

The following is an extract from a description of Vineland, published in the NEW YORK TRIBUNE, by the well known Agricultural, Solon Robinson:

All the farmers were of the "well to do" sort, and some of them, who have turned their attention to fruits and market gardening, have grown rich. The soil is loam, varying from sandy to clayey, and surface gently undulating intersected with small streams and occasional wet meadows, in which deposits of peat or muck are stored, sufficient to fertilize the whole upland surface after it has become exhausted of its natural fertility.

It is certainly one of the most extensive fertile tracts, in an almost level position, and suitable condition for pleasant farming, that we know of this side of the Western prairies. We found some of the oldest farms apparently just as profitably productive as when first cleared of forest fifty or a hundred years ago.

The geologist would soon discover the cause of this continued fertility. The whole country is a marine deposit, and all through the soil we found evidences of calcareous substances, generally in the form of indurated calcareous marl, showing many distinct forms of ancient shells, of the tertiary formation; and this marly substance is scattered all through the soil, in a very comminuted form, and in the exact condition and most assimilated by such plants as the farmer desires to cultivate. Jan 20

WANTED, everybody to know that $1.00 cash will pay a year's subscription for the CARBON ADVOCATE.

THE SUN.

1877. NEW YORK. 1877

The different editions of THE SUN during the next year will be the same as during the year that has just passed. The daily edition will on week days be a sheet of four pages and on Sundays a sheet of eight pages, or 56 broad columns; while the weekly edition will be a sheet of eight pages of the same dimensions and character that are already familiar to our friends.

THE SUN will continue to be the strenuous advocate of reform and retrenchment, and of the substitution of statesmanship, wisdom, and integrity for hollow pretence, imbecility and fraud in the administration of public affairs. It will contend for the government of the people by the people and for the people, as opposed to government by frauds in the ballot box and in the counting of votes enforced by military violence. It will endeavor to supply its readers—a body now not far from a million of souls—with the most careful, complete, trustworthy accounts of current events, and will employ for this purpose a numerous and carefully selected staff of reporters and correspondents. Its reports from Washington, especially, will be full, accurate, and fearless; and it will doubtless continue to deserve and enjoy the hatred of those who thrive by plundering the Treasury or by buying what the law does not give them, while it will endeavor to merit the confidence of the public by defending the rights of the people against the encroachments of unjustified power.

The price of the daily SUN will be 55 cents a month or $6.50 a year, post paid, or with the Sunday edition $7.70 a year.

The SUNDAY edition alone, eight pages, $1.20 a year, post paid.

The WEEKLY SUN, eight pages of 56 broad columns, will be furnished during 1877 at the rate of $1 a year, post paid.

The benefit of this large reduction from the previous rate for THE WEEKLY can be enjoyed by individual subscribers without the necessity of making up clubs. At the same time, if any of our friends choose to aid in extending our circulation, we shall be grateful to them, and every such person who sends us ten or more subscribers from one place will be entitled to one copy of the paper for himself without charge. At one dollar a year postage paid, the expenses of paper and printing are barely repaid; and, considering the size of the sheet and the quality of its contents, we are confident the people will consider THE WEEKLY SUN the cheapest newspaper published in the world, and we trust also one of the very best.
