PARAGRAPHIC.

--For "acting in a suspicious man-ner" a Reading dog was shot the other day.

-Says a West Virginia exchange "The Fairmount steamboat is worked by hand."

-With each glass of soda water sold a Boston desier gives his customer a fresh pon i lily.

—A manuscript autograph volume of John Locke brought £42 at a recent London auction. -Fifty thousand acres of land in Ar

kansas have been purchased by a colony of Poles. They are well fixed to raise beans.

—Said a freshman to a senjor th other day, "Well, what do you thin of the College President's bacchanalia sermon ?"

—If you are stung by a wasp whil pic-nicking, apply the end of the ciga which has been chewed for a few me ments to the wound.

-Tom Thumb's houseat Bridgepor Conn., was recently entered and robbe of nearly all the lead pipe and gas for tures it contained.

—Owing to a conflict with the loss gas company, Easton is about to retur to the primitive plan of lighting he atreets with oil lamps. -Reports from Indianapolis speak

a revival of business in that section of the country, and of a general hopefu-ness for the future.

—Judge Moore, of Chicago, called the general docket of the Superior Court one day last week, and dismissed 2400 cases for want of prosecution.

—In water drawn from a Reading (Pa.) hydrant the other day a snake 2 1-2 inches long was found. There is 2 1-2 inches long was found. There a demand for water filters there now.

-A French notary, Eugene Guilhot of Angouleme, madeaway with \$200,000 of his clients' funds. He was prosecuted on an indictment with 160 counts.

-Prince Bismark has said that one of the great obstacles to the consolida tion of the Empire is the excessive in-dividuality which marks his country-

—Miss Kate Kelley, of Decatur, Ill., was stung in the mouth by a bee re-cently, and so rapidly did the poison take effect that she was dead in eight minutes.

-The moral Lesson .- Mother: "If Mrs. Johnson comes, Jemmy, say I'm not at home." Jemmy: "Oh, I dare say! And then you'll give me a whack-ing for telling a story."

—The other day, when Admiral Rous was taken fatally ill, the doctor coming to attend him said, "Well, Admiral, what's the matter?" "Eighty-two," said Rous, "That's what the matter."

-The fact that the largest class-118 students—at the University of Virginia this season was in Latin, demonstrates pretty clearly that the love of classical lore and a classical education has not quite died out yet in this country.

-There has been secured for the coming exposition in Pittsburg the first train ever run in the State of Pennsylvania. It comprises an engine and two passenger coaches and was built by John Stevenson in 1813 for the Hudson River Railroad.

-A correspondent furnishes the fol--A correspondent furnishes the following: Rudolphe Hoch, being the first Hoch who emigrated to America, father of Johannes Hoch, who died July 11th, 1777, one hundred years ago, was buried on the old burying ground on the farm of Gideon W. Hoch, in Oley township, Berks county.

-Only three persons have life passes on the Hudson River Railroad. One is John B. Jervis, the first engineer of the road, another is his wife; and the third is Governor Kimball, of West Point; the passes are made of solid silver, on which is engraved the name of the holder, datewhen given, and occupation.

-During the recent hot spell in Callfornia, growing corn made rapid pro-gress. In Fresno county, the growth of the cereal was almost visible to the naked eye, one small patch showing a gain in height of an inch and three-eights between six o'clock on Sunday evening and the corresponding hour on Monday following.

-It is a strange provision of nature that deaf mutes always hear the sound of a drum. Drum taps are used in all their schools to call them to order, and they understand the sound as readily as other children understand that of a bell. When asked if they hear a sound they say no; they feel it in the pit of the stomach.

-The oldest person in the vicinity of Fritztown, Berks county, is John Sny der, a rail splitter and fence maker, 89 der, a rail splitter and fence maker, 89 years of age, who is still engaged for many days of the year in making posts and rails for the farmers of Lower Heidelberg township. The next oldest man in the same neighborhood is Geo. Hain, aged 80 years a blacksmith by trade, who is in the enjoyment of vigorous health, and is capable of walking twenty miles in one day. twenty miles in one day.

-A Virginia newspaper thus reloices "Danville has built fifty large factories and warehouses since the war. Her population has doubled, and except perhaps Norfolk, hers is the most active and prosperous population in America. In Petersburg scores of tobacco factories and nine cotton factories have been renovated or started since the war. Lynchburg, Staunton, Salem, Abington and Harrisburg, all have vastly grown and prospered, white all along the railroads villages have sprung up and are rapidly growing.

-A curious scene occurred in the —A curious scene occurred in the General Sessions Court of New York on Wednesday. District Attorney Russell accused Colonel S., a well known New York practioner, of pettifogging:

"I don't want my learned friend to apply that word to me," said Mr. S. "I said pettifogging," said Mr. Rus-

sell. "I won't allow any one to use that

term when I am discharging a simple duty to my client."

"When I said pettifogging I meant—pettifogging," Mr. Russel explained, and the Colonel accepted the explanation.
