

AN ACT

To FACILITATE THE COLLECTION OF TAXES IN THE COUNTIES OF CARBON AND LUZERNE.

SECTION 1. Be it enacted by the Senate and House of Representatives of the Commonwealth of Pennsylvania, in General Assembly met, and it is hereby enacted by the authority of the same: That the collectors of all taxes which may be levied in the counties of Carbon and Luzerne, shall within thirty days after the receipt of their duplicates, give notice by not less than six written or printed handbills, posted in conspicuous places in their respective boroughs, townships or districts, that payment of the taxes contained in their duplicates, will be required within a certain time from the posting of such notices, not less than thirty days thereafter.

SECTION 2. That after the expiration of the time mentioned in such notice, it shall be lawful for the collectors, in addition to the methods provided by existing laws for the enforcement of the payment of taxes, to give written lists or notices to any and every person, firm or corporation, whom, or which he, the said collector, may believe to be indebted, or within six months thereafter likely to become indebted to any taxpayer or taxpayers named in his duplicate or duplicates, or the supplements thereto, which list or notice shall contain the name and occupation of such taxpayer or taxpayers, and the amount of the taxes due and unpaid by him or them; and the person, firm or corporation so notified, shall from time to time within six months after receiving such list or notice, pay to the collector the whole amount of taxes charged in such notice, except as hereinafter provided, taking his, the collector's receipt, for the several items in such list or notice, in the name of the taxpayer, which receipt shall be a sufficient voucher for the person, firm or corporation so notified in settlement of his account with the taxpayer, and shall, upon such settlement, by such person, firm or corporation, be delivered to the taxpayer. Provided, That the person, firm or corporation shall be released from the payment of any tax contained in such list or notice at the expiration of six months from the date of the receipt of the same by due proof, by affidavit or affirmation of himself, or the clerk or bookkeeper of such firm or corporation, or by other evidence satisfactory to the collector, that said tax had been paid by the taxpayer to the collector after the receipt of said list or notice, or that he or they were not at any time after the receipt of said list or notice indebted to the taxpayer an amount equal to his tax, or that having been so indebted, the taxpayer was in such indigent circumstances as to entitle him to exoneration from the payment of his tax. Provided further, That nothing herein contained shall in any manner interfere with the rights of any taxpayer by application to the proper authorities to procure exoneration for mistakes, indigence or other lawful cause.

SECTION 3. That upon the payment of the amount of such list or notice, or such portion of the same as the said person, firm or corporation shall be liable to pay under the provisions of this act, the said person, firm or corporation may retain two per centum commission upon the amount he or they shall be liable to pay, which commission shall be paid by the tax collector out of his commissions for collections, and for any default of payment by said person, firm or corporation of the amount so collected or retained by him, or them, the collector shall have the same process as he would have had for the collection of such tax if the same had been originally charged in his duplicate against such person, firm or corporation.

SECTION 4. That every collector who shall fail or neglect to make out and deliver the lists or notices aforesaid, within the time named in the second section of this act shall be charged upon settlement of his duplicate with all taxes, which, in the opinion of the authorities by whom the duplicate was issued, could have been collected if such lists or notices had been delivered; and nothing in this act contained shall be so construed as to prevent any taxpayer whose name may be contained in any such list or notice from paying his tax directly to the collector, or to relieve the collector from receiving and giving a receipt for the same; and the collector shall as soon as convenient after the receipt of any tax contained in any such list or notice, notify the person, firm or corporation holding such list or notice of the payment thereof, nor shall anything herein contained be construed to prevent the tax collector from collecting any tax included in any such list or notice by distraint or other process provided by existing laws.

SECTION 5. That all acts or parts of acts inconsistent with the provisions of this act, are hereby repealed so far as respects the territory to which this act is applicable.

Effective External Remedy

EVER DISCOVERED!

This Soap safely and certainly removes cutaneous eruptions by opening the pores whose obstruction was the cause of the difficulty. Test and you will endorse it.

Being a powerful DEODORIZER, DISINFECTANT and COUNTER IRRITANT, yet entirely harmless, it positively cures all local DISEASES OF THE SKIN as it may be.

It thoroughly bleaches the cuticle and PERMANENTLY BEAUTIFIES THE COMPLEXION with a certainty unknown to any article ever invented for that purpose.

It is emphatically the remedy for SCALDS and BURNS, instantly removing all soreness without pain, and effecting a cure in every instance.

As a preventive and remedy for GOUT and RHEUMATISM, its effects are really wonderful.

It is a sure preventive of all diseases that are common to the skin, and in contact with the person such as Itch, etc.

SPRAINS, BRUISES and CUTS are cured with unerring certainty.
