PRARER FOR SUNDAY-SCHOOLS .-"Praying always with all prayer and supplication in the spirit, and watching thereuntowith all perseverance."-Eph.

vi, 18.

The committee of the Sunday School Union, in concert with kindred insti-tutions, have issued a circular and invite all Sanday school teachers and friends of the young to set apart October 28th and 29th as the days of united supplication on behalf of Sunday schools for the present year.

PROGRAMME. It is suggested that the following arrangement should, as far as practicable

be observed : That on the Lord's day morning, October 28th, from 7 to 8 o'clock, all christians in private offer prayer on be-

half of Sunday schools. That the opening engagements of the morning school on preceded by the teachers meeting together for prayer.

That ministers be asked to preach

special sermons upon the claims of Sun-

day schools.

That in the afternoon the ordinary exercises of each school be shortened, and that the scholars be gathered for devotional exercises, interspersed with sluging and appropriate addresses. To

this service the parents of the scholars might be invited.

That at some time during the evening the teachers, in union with other christians, meet for thanksgiving and pray-

That on Monday morning, October 29th, between the hours of 7 and 8, teachers should devote time for bringing their scholars in private prayer be fore God.

That in the course of the day the fe-male teachers of each school held a meeting for united prayer and thanks-

giving.

That in the evening each church or congregation be invited to hold a meetday school should form the theme of the prayer and addresses.

WILLIAM GROSER, FOUNTAIN J. HARTLEY, AUGUSTUS BENHAM, JOHN E. TRESIDDER,

Honorary Secretaries, 'Sunday School Union of Great Britain." This call of universal prayer for Sun-day schools is seconded by the Ameri-can Sunday School Union, and we, as the representatives of the Pennsylvania State Sabbath School Association, would

urge its observance by every Sabbath school in the State, and would add this suggestion : That on Sunday, October 28th, at the

regular session of each Sabbath school a collection be taken for the benefit of the State work.

We are compelled to ask this help, because our Treasury is empty, and the demands upon us are greater than ever. The work of the association is essen-

tial, economical, evangelistic and edu-

cational.

It is essential in so far that if not done by us it will go undone.

It is economical.—The work of the past year and start of this year's work with the best promise of success, has cost and will require only about \$1,000.

It is EYANGELISTIC and EDUCATION-

AL.—Fourteen thousand hopeful con-versions is the result of last year's Sabbath school work in Penusylvania, in addition to which we can communicate the gratifying intelligence that many additional thousands of neglected children have been gathered into ex-isting schools, revivals of religion be-gun, hundreds enlisted for the first time in Sunday school labor, and whole com munities blessed and quickened spiritu-

Twenty counties in the State remain to be organized, and other work calls loudly for help—all of which it is desired to do the present year, that we may present a full report to the ensuing International convention called to meet at Atlantic, Ga., April 17, 18, 19, 1878.

To do this work we have no source of locome but the free will offerings of individual Sunday school workers, who feel we are doing a good work and deserve to be supported. But as this has been a year of general financial depression, they can no longer bear the bur-den alone, and hence we appeal carnestly, needfully to the Sabbath schools for

a collection.
Please observe this collection, and remit at once to our treasurer, Mr. John Weist, P. O. box 2754, Philadelphia, Pa., or to the Secretary, Ed. S. Wago-ner, Mechanicsburg, Pa., either of whom will receipt officially for all

In the hope that this appeal will meet with a cordial response, the work of the Association will be pushed for-

of the Association will be pushed for-ward with all diligence.
Yours in the work and faith,
