

BRIEFLETS.

Lancaster has a society of "Owls." New wells are edged with Autumn leaves wrought in silk. Fine salmon have recently been caught in the Susquehanna river, above Harrisburg. Pocket-hats of cloth, such as gentlemen wear, have been adopted by ladies for travelling hats. Bright red lobsters and tiny green beetles are embroidered on the points of ladies' collars and cuffs. Subscriptions are being received in Reading for the purchase of land and its adaptation to the uses of a public park. In New York dog fanciers train bull and watch dogs to guard express and licensed vendors' wagons, while the drivers are absent in stores or dwellings. There is a female blacksmith in the suburbs of Pittsburg. She is about forty, a German by birth, and for nine years past has worked at the trade as a helper to her husband. A young lady visited a Reading drug store the other day, and being suddenly seized with nausea, threw out from her mouth four small lizards. She attributes their presence in her stomach to the use of impure drinking water. A "Holly Tree Inn Coffee House" is shortly to be opened at Easton. It is under religious auspices, and is intended to abate, if possible, the evils of intemperance by furnishing coffee and eatables at as low a figure as the taverns sell liquor. From a list just furnished by Marshal Kern it appears that there are 807 creditors of the broken banking house of W. H. Blumer & Co., Allentown, whose claims amount to \$766,823.17. Philip Wismer and son, of Tobyhanna, Luzerne county, were burned to death in their shanty a few nights ago. The building caught fire from the stove. A man who has just been to see Jack Keboe, in jail at Pottsville, states that he will be saved from the gallows. He thinks that there is every reason for him to hope that the Supreme Court will grant him a new trial.

Glenn's Sulphur Soap

is a SPECIFIC in those OBNOXIOUS DISEASES, which have been treated heretofore with "Sulphur Ointments," having the advantage of being CLEAN, INOFFENSIVE and UNINJURIOUS to CLOTHING. DIRECTIONS.—For Diseases of the Skin to be freely and apply a thick lather before retiring, allowing it to remain over night. For Scalds and Burns apply the lather freely to the affected parts, and the fire and pain will be removed immediately. For Cough, Rheumatism, Neuralgia, Brucias and cuts apply coats well, and let with a strong solution. For Old Sores and Ulcers it is invaluable. Use freely as a lotion. For a preventive in Obnoxious Diseases use a strong lather as a wash externally and by injection. IT NEVER FAILS.

GLENN'S

SULPHUR SOAP.

Patented July 11th, 1871.

THE MOST WONDERFULLY

Effective External Remedy

EVER DISCOVERED!

A Skin like Monumental Al-

abaster may be attained by using Glenn's Sulphur Soap. Try it, ladies. It is a genuine beautifier, and very economical.

This Soap safely and certainly removes cutaneous eruptions by opening the pores whose obstruction was the cause of the difficulty. Test and you will endorse it.

Being a powerful PRODIGER, DISINFECTANT and COUNTER IRRITANT, not only purifies it positively cures all LOCAL DISEASES OF THE SKIN as if by magic.

It thoroughly bleaches the cuticle and PERMANENTLY BEAUTIFIES THE COMPLEXION with a certainty unknown to any article ever invented for that purpose.

It is emphatically the remedy for SCALDS and BURNS, instantly removing all sources of irritation, and effecting a cure in every instance.

As a preventive and remedy for GOUT and RHEUMATISM, its effects are really wonderful.

It is a sure preventive of all diseases that are contracted by coming in contact with the person such as Measles, etc.

SPRAINS, BRUISES and CUTS are cured with unalloyed certainty.

It removes DANDRUFF, and prevents the hair from falling out or turning prematurely gray.

It completely DISINFECTS CLOTHING, from the sick-room or person, that has become impregnated with disease.
