

HUMOROUS.
 "I shouldn't care much about the bugs," said a thin, pale lodger to his landlady, "but the fact is, ma'am, I ain't got the blood to spare."

A preacher who arrived at a Kirk wet through, asked an old Scotch woman what he should do, to which she replied, "Gang into the pulpit as sunn as ye can. Ye'll be dry enough there."

Works of art and science are thrown away on some people. At Washington they have the finest telescope in the world; and yet there are some women living who would prefer to look through a key-hole.

A Canadian priest lately sued a young man whom he had married, for his wedding fee, which he stated at \$15. The jury found for the defendant on the ground that the youth had received no appreciable value.

"I will not learn a trade!" exclaimed the young Chicago blood to his father. But this business of learning a trade is only a matter of time, for within a year that young man was studying harness-making in the State Prison.

A lady in general conversation, by ingeniously cooking her dates, was reducing her age to an astonishing limit. Her daughter, whose partly French blood had brought her keen wit, interposed with the remonstrance, "At least, leave nine months between our ages, mamma!"

The sea otter is so deeply imbued with the fear of man that all attempts to keep it alive after its capture have failed, as it perishes by self-imposed starvation, all through its unconquerable fear of man. Oh, woman, woman, how deeply and strongly you do not remember the sea otter!

On returning home recently, a gentleman was surprised to receive the congratulations of his family on his happy escape from drowning. He thought somebody had been playing a joke on him, and laughed heartily until he found that his best suit of clothes had been given to the man who brought the news, and who said he was sent for some dry clothes.

A little girl of six or seven summers, stopping with her parents at one of the fashionable hotels at Saratoga Springs, was invited at dinner to take some wine as it was passed around. She declined. "Why do you not take wine with your dinner, Minnie?" "Tause I doesn't like it." "But take a little, then, my child, for your stomach's sake," he urged. "I ain't dot no tommiek's ache," indignantly replied the little miss in the most emphatic manner.

The Bishop of Hereford, in England, was examining a school class, and, among other things, asked what an average was. Several boys pleaded ignorance, but one at last replied: "It is what a hen lays on." This answer puzzled the Bishop not a little, but the boy persisted in it, and stated that he had read it in his little book of facts. He was then told to bring the little book, and, on doing so, he pointed triumphantly to a paragraph commencing: "A domestic hen lays on an average fifty eggs each year."

When Mr. Hill was, some years ago, in Scotland, he was introduced to an aged minister somewhat resembling himself in piety and eccentricity. The old man looked at him for some time very earnestly, and at length said: "Weel, I ha' been looking for some time at the heels of your face." "And what do you think of it?" said Mr. Hill. "Why, I am thinking that if the grace of God hadna' changed your heart you would ha' been a most tremendous rogue." Mr. Hill laughed heartily, and said: "Well, you hit the nail on the head."

GLENN'S

SULPHUR SOAP.
 Patented July 11th, 1871.

THE MOST WONDERFULLY

Effective External
Remedy
 EVER DISCOVERED!

A Skin like Monumental Alabaster may be attained by using **Glenn's Sulphur Soap.** Try it, ladies. It is a genuine beautifier, and very economical.

This Soap safely and certainly removes cutaneous eruptions by opening the pores whose obstruction was the cause of the difficulty. Test and you will endorse it.

Being a powerful DEODORIZER, DISINFECTANT and COUNTER IRITANT, yet entirely harmless it positively cures all local DISEASES OF THE SKIN as it by magic.

It thoroughly bleaches the cuticle and PERMANENTLY BEAUTIFIES THE COMPLEXION with a certainty unknown to any article ever invented for that purpose.

It is eminently the remedy for SCALDS and BURNS, instantly removing all soreness without pain, and effecting a cure in every instance.

As a preventive and remedy for GOUT and RHEUMATISM, its effects are really wonderful.

It is a sure preventive of all diseases that are communicated by coming in contact with the person such as the Venereal.

SPRAINS, BRUISES and CUTS are cured with undaunted certainty.

It removes DANDRUFF, and prevents the hair from falling off or turning prematurely gray.

It completely DISINFECTS CLOTHING, from the sick-room or person, that has become impregnated with disease.

Glenn's Sulphur Soap

is a SPECIFIC in those OBNOXIOUS DISEASES, which have been treated heretofore with "Sulphur Ointments," having the advantage of being CLEAN, NON-IRRITATIVE and UNINJURIOUS to CLOTHING.

SULPHUR BATHS.

The beneficial results of Sulphur Baths are too well known to require comment. The effects of GLENN'S SULPHUR SOAP in the bath are truly electrical, completely dissolving offensive accumulation, and thoroughly purifying the entire surface of the body. In fact it is the King of Soaps for bathing and Toilet purposes.

DIRECTIONS.—For Diseases of the Skin bathe freely and apply a thick lather before retiring, allowing it to remain over night. For Scalds and Burns apply the lather freely to the affected parts, and the fire and pain will be removed immediately. For Gout, Rheumatism, Neuralgia, Sprains and Cuts apply freely well started with a strong solution. For Old Sores and Ulcers it is invaluable. Use freely as a lotion. For a preventive in Obnoxious Diseases use a strong soda as a wash, externally and by injection. IT NEVER FAILS.

IS CHEERFULLY ENDORSED BY THE MEDICAL FRATERNITY.
