E. R. SIEWERS,

DISTRICT ATTORNEY & COUNSELLOR AT LAW. OFFICE, No. 2, Mansion House.

The Carbon Advocate.

SAURDAY MORNING, NOVEMBER 24, 1877.

Local and Personal.

How do you like our new dance? Only four weeks—then Christmas. Thanksgiving Day—next Thursday.

On Saturday, at the Diamond mine, Scanton, George Bask, miner, and Jas. Johnson, laborer, were instantly killed by a fall of rock.

On Monday a little son of Joseph Nuss, aged about twelve years, while jumping on or off the cars, between Weatherly and Head of the Grade, fell, the cars passing over his leg, crushing it fearfully.

The new bell in the Reform Church, of this borough, was successfully dedicated on Sunday last.

To Poor Directors and Others.

All persons interested are invited to attend a meeting of the Poor Directors of the several townships and boroughs favoring the purchase of land and the erection of a poor house, to be held at Reber's Hall, Lehigh, Carbon county, Pa., on Saturday, Dec. 1, 1877, at two o'clock, for general discussion, the election of committees, etc.

Letter from Mauch Chunk.

As Mauch Chunk is again in its normal state, things are as dull as they well can be. And what else can be expected from a town without industries, only noted because it shares with Bethlehem the honor of being partly headquarters of the Lehigh Valley R. R. Company.

The Lehigh and Weissport butchers, who attend the Mauch Chunk market, have nobly distinguished themselves during the week by a reduction in the price of meat!

With milk, also, Mauch Chunk is well supplied, and the number of those engaged in the trade would seem almost incredible to a person not posted in the matter.

Thanksgiving Dinner of the M. E. Church Postponed.

On account of the leasing of T. S. Beck's store-room to C. E. Greenwalt, who had promised the room to the Committee for the purpose, but who has since filled it with apples rendering its use for them impossible, and a suitable place being unattainable, they are compelled to postpone the giving of a Thanksgiving Dinner for the benefit of the M. E. church, as advertised.

The Coal Trade.

The anthracite coal trade is without special feature. As the season has now reached to slacken off, the supply has necessarily lessened and the demand is light.

On Saturday, at the Diamond mine, Scanton, George Bask, miner, and Jas. Johnson, laborer, were instantly killed by a fall of rock.
