have," evidently referring to the penny." —A good story is tail of a densen in Ten-nesses, who was in the habit of riding a bucking nulo-that is, a nule that, can make a ennel's back of its straight one, and, by a spasmodic movement of its four legs and hump, discharge its rider like a carnon ball. Recently he came to the edge of the worst mud hole in the state, and the mule pave strong signs of bucking. The good densen knew that he was about to be thrown and his mind hurried about for a prayer. His tails grave came easiet, "Lord, for what we are about to receive make us hum-bly thankful," he exclaimed, and the mule had bucked and he was in. —Dr. Mary Walker has been mentariously

-Dr. Mary Walker has been mysteriously missing ever since her such by the meni-lant scatte, but here she comes again. The *Howk-Eye* turn has found here: "Dr. Mary wellker selected a piece of black and gray striped goods for her new pantations, and her stopid tabler made them up so that the arities ran round and round, and before the fair doctor had gone two squares with her new minnerst on, hor least body is dike twin rattlesvalues that she had frightened five mon into dell'itim tremong, and verse five mon into dell'itim tremong, and verse fin-alty arrested as an excipted convict. She is practicing her right leg on a and beg, and is enimply waiting for the table to come to the front door with hill bill."
