will take his father's farm on April 1st and
go to farming in good earnest.
Our friend S. B. Gillham, who has been
very low with typhoid fever for the past two
or three weeks, is confined to his bed.
Pleasant as honey, the old folks like it,
the young people like it and the babies cry
for it—we mean Dr Frazier's Cough Syrup.
The next annual conference of the
Evangelical Association will be held at Al-

nell, of Honey Grove, had one of his legs
broken by a piece of coal falling upon him

All are cordially invited to attend.
The excitement caused in this borough
on Saturday evening last in consequence of
the flash of light and the loud noise and
concussion, was caused by the explosion of
some 240 lbs of powder in the Laidin Pow-
der Manufacturing Co's buildings in Quak-
er Valley. No person was injured, but the
buildings were demolished.
Joseph Seabold, tailor, announces to
the people of Weisport, Lehigh, and
vicinity, that he will, on or about the 15th

ticles of gentlemen's clothing from their own
material, in the latest style and the most
durable manner, at the very lowest prices.
Store: next to the Weisport House.
AN ASTONISHING FACT.—A large
proportion of the American people are to-day
dying from the effects of Dyspepsia or dis-
ordered liver. The result of these diseases
upon the masses of intelligent and valuable
people is most alarming, making life actual-
ly a burden instead of a pleasant existence
of enjoyment and usefulness as it ought to be.
There is no good reason for this, if you will
only throw aside prejudice and skepticism,
take the advice of Druggists and your friends,
and try one bottle of Green's August Flower.
Your speedy relief is certain. Millions of
bottles of this medicine have been given
away to try its virtues, with satisfactory re-
sults in every case. You can buy a sample
bottle for 10 cents to try. Three doses will
relieve the worst case. Positively sold by
all druggists on the Western Continent and
A. J. Darling in Lehigh.

About April 1st the Lehigh canal will
be opened for navigation.
All that have once used it pronounce
Dr. Bull's Baby Syrup the best medicine
known for the complaints of early childhood.
25 cents per bottle.
The post-office at Pottstown, was rob-
bed on Friday night of last week of \$25.
About fifty letters were opened and their
contents drawn on the floor.
Yesterday I had such a bad cold that I
could not speak. I used Dr. Bull's Cough
Syrup and to-day I am as well as ever. It
only cost me 25 cents.
Monroe Queen, on a charge of fornica-
tion, and Rosa Lentz, on a charge of adulter-
y, preferred by Ed. Lentz, was before Esq.
T. S. Beck, on Tuesday evening. They were
held in \$300 bail each for their appearance
to answer.
A severe storm, accompanied with
heavy thunder and lightning, passed over
this section on Thursday afternoon. During
the storm the lightning struck the steeple of
the Reformed Church; damage very slight.
The borough and township officers elec-
ted at the late election commence their du-
ties on the first Monday in April next, ex-
cept school directors, who take their office
on the first Monday in June next.
A sinucure is when a rector pays another
for doing the duty, and enjoys the surplus
profits. But the sure cure for that trouble-
some cough is Dr. Cox's Wild Cherry and
Seneca. 25 and 50 cents a bottle.
Officer Thomas Mahon, of Catawqua,
has arrested twenty men for attending a
cock-fight at Weaverville about six weeks
ago—six of the guilty parties paid \$10 fine
each, 'Squire Bell, of Stenton. The other
parties were too poor to pay a fine, and were
let off with costs.
The silverware delivered by the Nation-
al Silver-Plating Co., No. 704 Chestnut st.,
Philadelphia, is giving entire satisfaction.
All orders are promptly filled, and no one
need hesitate about sending them money.—
Lutheran Observer. 16-4.
Abraham Meyer and Owen Smith,
Overseers of the Poor of East Penn township,
were before Esq. Beck, on Saturday, 2nd
inst., charged with neglecting their official
duties, in failing to provide for the children
of a pauper, in that township. They
were held in \$300 bail each for their appearance
at court.
On Monday last the Central R. R. Co. of
N. J., issued orders reducing the number of
men employed at their Philadelphia shops to
one carpenter, one machinist, and one
blacksmith. This order throws out of em-
ployment about 150 men. It is only expect-
ed the order will remain in force until the
resumption of the running of coal trains.
A thing of beauty is a joy forever, and
it is forever joyful the way Dr. Cox's Wild
Cherry and Seneca settles the cough, colds,
and croup among children. 25 and 50 cents
per bottle.
Surely wonders will never cease. A
method has been invented of taking photo-
graphs under ground. We advise all per-
sons afflicted with coughs and colds not to
be in a hurry to have this new invention
tried on them, but use Dr. Cox's Wild
Cherry and Seneca. 25 and 50 cents per
bottle.
S. H. Anthony, for the last few years in
charge of Craig's hotel at the Lehigh Gap,
will on the 1st of April take the hotel at
Millport. Mr. Anthony has long been
known as a first-class hotel keeper, and will
be none the less popular in his new place.
He knows how to keep a hotel, and he al-
ways makes it a point to treat guests with
consideration and politeness.
She was dancing the "Boston Dip," and
dipped so low that her respected mother in-
terposed with a protest, between the sets.
"You dance very gracefully, dery," she said,
"and"—and she paused. "Yes, I've taken my
dip-low-na, you mean to say, don't you?"
and the matter ended in taking a ride up
the valley in one of David Eber's hand-
some rigs. Terms low.
For the robbery of T. D. Claus's store
last week, on Friday last, High Constable A.
Boch, South Bethlehem, arrested one James
Lynch, and brought him before Esq. Beltz,
of this borough, who committed him to jail
in default of bail. As an evidence of his
guilt he wore a suit of the clothing stolen,
and in addition a quantity of other goods
were found in his possession, some of which
have the private coat mark of Mr. Claus.
The Lehigh Valley and Franklin Coal
Companies suspended operations Thursday
the 14th inst., for the balance of this month.
This completes a general suspension in the
Wyoming region, as the Riverside, Delaware
and Hudson and Lehigh and Wilkes-Barre
Companies are already idle. This is owing
to the fact that the quota allowed this section
by the combination has been filled. The
Lehigh Valley Company has worked three
days this month.
About 2 o'clock on Thursday morning
of last week, fire was discovered in the build-
ing occupied by McDonald & Co., grocers,
corner of Hohenburg and Blackstone streets,
Wilkes-Barre. It soon gained headway and
before it could be checked had destroyed
nine tenement houses. The buildings burned
belonged to John Batterson, whose loss is
estimated at about \$8000; insured for \$5,800.
McDonald & Co., had a full stock in store,
which was destroyed. They had no insur-
ance. The cause of the fire is unknown.

Graduated with Honor.

Dr. C. T. Horn has just returned from the
College of Physicians and Surgeons of Bal-
timore, from which institution he graduated
on the 6th instant with the highest honors,
at the head of his class, and being awarded
the Cathell gold medal, valued at \$50, the
highest award made by the college. This
we esteem not only an honor to Dr. Horn,
but to his worthy preceptor, Dr. N. B.
Reber, whose student he was. Dr. Horn
has opened an office for the practice of his
profession in Lehigh's Building, Bank street,
over the drug store of H. A. Peter, and so-
nests and will endeavor to deserve a portion
of the patronage of our citizens. The Bal-
timore College of Physicians and Surgeons is
rapidly marching into the first rank as an
institution for students, and Dr. Thomas
Ogle, Dean, is eminently qualified for the
position he holds.

M. E. Conference.

The ninety-first annual session of the
Philadelphia M. E. Conference opened at
nine o'clock Wednesday morning in the
Grand Opera House, Reading. At that hour
Rev. Bishop Ames, of Baltimore, presiding
officer of the conference, appeared upon the
stage and assigned Rev. James Cunning-
ham, of Philadelphia, to the duty of con-
ducting the devotional exercises. Prayers
were offered by Rev. Cunningham and Rev.
Dr. William Cooper, of Philadelphia. Rev.
William J. Paxson, of Philadelphia, Pre-
siding Elder of the South Philadelphia Dis-
trict, and secretary of the last conference,
then, by direction of the Bishop, proceeded
to call the list of members of the conference.
Rev. J. S. J. McConnell, of Philadelphia,
was elected secretary, and announced the
following appointments, which were immedi-
ately confirmed: Statistical Secretary,
Rev. G. W. Lybrand; Journal Secretary,
Rev. A. M. Wiggins; Assistant Secretary,
Rev. John O'Sell.

Packer-ton Hipples.

We are sorry to hear that Leonard Bab-
cock is confined to the house, having taken
a severe cold.
Joseph Gover quietly but surely entered
into partnership for life with one of Pack-
er-ton's fairest on last Sunday. The happy
couple have the best wishes of all.
The coal trade is dull. There are very
many idle men, although the railroad offi-
cials have so arranged that all employes
shall receive a share of the work to be done,
thus enabling them to keep want from the
door.
We see posters announcing a tariff
demonstration at Allentown on March 16th.
We take but little stock in it, believing it to
be a political trick after all. There is not
the slightest probability of the new bill be-
ing passed; but there must be something
got up in order that some of our great
political aspirants can be seen and heard.
However, the average voter will hear their
bancombe, and do as he pleases in the end.
There is some suffering here on account
of the hard times. A family were found
destitute the other day, but through the ef-
forts of a few friends, their wants have been
relieved. There may be many calls for aid
before we see better times, and it behooves
every family to see to it. When people are
driven to hunger they become desperate.
Hard pan is nearly reached. Gold at 101 or
less, and no relief. We await anxiously for
the good times promised when this result
should be reached. There must be a change
soon, or there will be widespread desolation.
The Packer-ton Christian Association
held their regular meeting Friday evening,
with the President, L. Babcock, in the chair.
Minutes of last meeting were read and
approved. Select reading by John
Beers, well rendered and appreciated. A.
H. Bowman was to have favored the Asso-
ciation also, but was unavoidably absent.
Reading of the Budget by Mrs. Elliott.
Editorial "Speak Kindly" true, and, if fol-
lowed, would make all happier; "Condem-
nation" by X; "A Touching Tale of Mis-
ery" by Nellie; "Wit and Humor" by H.
The subject for general discussion as to
the necessity of future punishment was ably
discussed by Messrs. Koons, Bohm, Treher,
and Siles. It is proposed at the next
meeting to discuss the cause of Temperance.
The meetings are open to all, and a general
invitation is extended to all who feel in-
terested in the work. AXOX.

is still improving, and is now in a fair way
of recovery.
Diphtheria has again broken out at
Walesville, and quite a number of children
are suffering with it.
A standing advertisement in the new-
paper is a proof that a man's business is
permanent and prosperous.
The new residence of Jacob Kreizer was
struck by lightning, during the storm on the
3rd inst. Damage slight.
You are invited to attend the society at
Solt's, which meets every Tuesday evening.
The exercises are very interesting.
The grain fields do not appear to have
suffered from the mild weather, and our
farmers are hopeful of good crops.
The hoop pole business is still being
carried on in this locality to some extent.
William Lovett shipped a car load a few
days ago.
Perhaps your neighbor is too polite to
tell you so, but still he does not like to loan
you the Advocate. Subscribe for it your-
self, you will never regret it.
A few German reading classes are to be
formed shortly in connection with Salem's
Sabbath school, for the benefit of a number
of young people who wish to learn German.
It is reported that Alex. Seidle, of the
firm of Levan & Seidle, intends to leave us
in the spring. We shall be sorry to part
with him, as he is a very kind and obliging
neighbor.
The Solt's class (branch of the Evange-
lical Association) held prayer meeting on
Wednesday, for the first time this winter.
These meetings will hereafter be held regu-
larly every Wednesday evening at 7 o'clock.

Machoning Items.

Chicken-pox is raging throughout this
valley.
Robins and blue-birds have made their
appearance.
Shrove Tuesday passed off with lots of
"farnuch" cakes.
Our farmers are busily engaged plowing,
and, if the weather proves favorable, oats
will be sown ere many days have passed.
How much of what percent of the gold
mined by the "Beaver Run Gold Mining
Company" must be paid to the Government?
Our Machoning folks are not booked on this
question.
Thomas Muselman is rapidly making
preparations for the erection of his new
dwelling-house, which will be, as supposed,
the finest building within the limits of Ma-
choning valley.
A spelling match came off last Monday
evening a week, at the Centre square school
house, under the auspices of A. S. Miller.
Who were the victors and who the victims,
we were unable to learn. But we think
"Doyle," "Kelley" and "Tim" had their
hand in the game.
When a man is elected to a public office
by the electors of a township, and offers
himself as surety on the treasurer's official
bond, at the same knowing that he owns no
real estate, we are in the habit of calling it
"rebet"!
Yours, RDPATH.

**At Pottstown, on Saturday, James Flan-
nery and Richard Reinnyder, who pleaded
guilty to the charge of stealing \$5000 from
the Pottstown Iron Company, were sentenced
each to two years' imprisonment, \$1 fine and
the payment of the costs of prosecution.**

In the more frequented parts of this
vicinity the roads are almost in an impass-
ible condition.
If the potato bug believed that the
fashionable color this Spring was to be yel-
low, he has been badly disappointed. It
will be green—paris green.
H. G. Depey, our enterprising young
contractor and builder, will consolidate for
this constable-wick the ensuing year, and
will doubtless make a good officer.
George Green, for a number of years
landlord of the Union Hotel, at Resegville,
Monroe County, and for a long time an in-
valuable citizen of this county, died on the
25th ult. at the ripe age of 67 years. His remains
were interred in the Jerusalem Cemetery, at
Trachville, this county.
There seems to be quite a rage in these
latter days for old furniture, antiquated
dishes, &c. Henry J. Depey, of this place,
claims to have in his possession a half-
bushel measure, over one hundred years
old, which is in daily use. Frederick W.
Woodring, of Meckesville, claims to have in
his possession an old watch, which he says
is one hundred and ten years old and keeps
time equal to a new one. Henry H. Hen-
ning boasts of having in his possession a sil-
ver six-pence which bears the date 1516.

In acknowledgement of the eminent
services rendered the community by Henry
Savitz and William D. Dotter, the popular
violinist, on last Monday evening, in ser-
vicing the right worthy Emanuel Kilber,
proprietor of the well-known Hunter's
Hotel, the occasion being the thirty-fifth an-
niversary of his birthday, that the popu-
lar landlord came down handsomely in ap-
preciation of the honor conferred, it is
hardly necessary to state, as his liberality is
 proverbial. Long may he live, and his
center live too, and "Many" and all the
rest of them. Yours truly, HERMAN.

A Pleasant Surprise.

On Monday evening the friends of Eli
DeFrehn, of this place, met (at the re-
quest of Jacob DeFrehn and sister) at the
house of J. E. Dreibebies, from which place
they went in a body to the house of the old
gentleman. He had been induced to visit a
sick neighbor during the evening, but could
not be prevailed upon to stay until the ap-
pointed hour, which came near upsetting
the "surprise" part of the programme.
Fortunately, at this juncture there arrived
at the house Rev. J. C. Blum and lady,
who, playing their part well, soon set him
to thinking that the rooms were lighted up
for their reception. At the appointed mo-
ment the whole party marched into the
room laden with baskets, bundles, &c. To de-
scribe the surprise of the old gentleman is
impossible. Upon being congratulated that,
at the age of 65 he still looked so hale and
hearty and bid fair of living many more
years, for the first time since we know him
his tongue refused to perform its office, so
great was his surprise. After a treat to good
things, pleasant conversation, prayer, and
singing, the party dispersed, with the assur-
ance that a pleasant hour had been spent
and that the surprise had been a success all
through. Among those present we noticed
the following: Rev. J. C. Blum and wife,
Tilghman Arner and wife, Alfred Siler and
wife, Miss Siler, Daniel Olewine and wife,
Sus Olewine, F. P. Lentz and wife, Lizzie
E. Lentz, Eli DeFrehn, Jr., and wife, Mrs.
Lewis Weiss, Mrs. C. Lederer, Mrs. L. Bab-
cock, Mrs. David Hatch, Mrs. M. M.
Swoody, Mrs. J. E. Dreibebies, and Mr.
and Miss DeFrehn. FLIP.

Lehighton Lyceum.

The meeting was called to order at the
usual time. The minutes of previous meet-
ings were read and adopted, with one cor-
rection. Music, a solo by Emma Dollenmeyer
assisted on the organ by Clara Hibbler. The
following are the officers elected for the en-
suing month: President, A. W. Horn; Vice-
President, T. A. Snyder; Secretary, Emma
Dollenmeyer; Treasurer, C. S. Weiss; Editor,
Allen Graver; Committee of Curators,
O. A. Claus, H. V. Mortimer, Jr., and Miss
Bauer. The relevant questions were all sat-
isfactorily answered. An interesting essay
was read by Ella Claus, subject, "Labor of
Life." Debate resolved "That man is in-
tellectually stronger than woman." Opened
on the affirmative by John Bohm, both
chosen disputants absent. On the negative by
C. S. Weiss. A few of the members partici-
pated in the general debate. After the
piece of music "Distant Chimes" the decision
of the evening was given, which was in favor
of the affirmative. A decision of the house
being called for, decided in favor of the neg-
ative. The following is the report of the
the Curator: Referred questions, 1st. When
and under what circumstances was the word
which first used? John Bohm 2nd. Is the
cultivation and use of tobacco of benefit to
the United States? Albert Seebold, 3rd.
Who was Florence Nightingale and what
good work did she accomplish? Emma Dol-
lenmeyer. Debate resolved, "That the at-
torney law will be detrimental to the best in-
terest of the United States." Affirmative
disputant A. W. Horn assisted by C. S.
Weiss. Negative disputant John Bohm as-
sisted by T. A. Snyder. Essayist two weeks
hence Carrie Bauer. A select reading by A.
W. Horn. "Our Paper" was read by the
editor, T. A. Snyder. After the piece of
music "Moonlight on the Lake," the col-
lection was taken up, and society adjourned.

Tamaqua Tidings.

The shoe factory is still idle. The roll-
ing mill lies motionless, too, although it was
expected that the enterprise would com-
mence operations about the 1st of last month.
There was a ripple of excitement in pub-
lic circles on Saturday evening. Some
wayward boys had done something to the
front door of the house of a member of the
local fraternity. The consequence was that
the kind gentleman became excited and let
his angry passion rise, and the blue-coated
myrddons of the law were flying around
endeavoring to capture the youthful mis-
creants.
Eighteen persons were received as full
members in the First Presbyterian Church
on Sunday morning. The church now has
about one hundred members, and they have
cause to rejoice and be thankful over their
spiritual prosperity. Through the recent
liberality of Mr. George Wiggan, who pre-
sented the congregation a check for \$1,800
to take him to wipe out the building debt,
the church is on a better financial footing
than it had been.
Trout fishing will be legal on and after

Obituary.

At a meeting of the citizens of Albright-
ville and vicinity held on Tuesday last,
the following resolutions were unanimously
adopted:

Whereas, It has pleased Almighty God
in the dispensation of His wise Providence
to take from our midst our beloved fellow
citizen, Charles Frederic Huserman; there-
fore be it

Resolved, That in the death of our
brother the community has lost a valuable
citizen and a kindhearted resident.

Resolved, That while we deeply deplore
the loss we have sustained, we are yet ap-
pealed by the thought that He doeth all things
well.

Resolved, That we tender our heartfelt
sympathies to the parents of the deceased
brother, and hope that He who holds all
things in the hollow of His hand will com-
fort them in this time of severe trial.

Resolved, That a copy of these resolutions
be presented to the parents of our deceased
brother, and that they be entered upon our
minutes for 30 days and published in THE
CARBON ADVOCATE.
