Travelers will do well to note the changes in the North Pennsylvania timetable on the first page. A military company is in process of formation in this borough and Weisport. Started on Thursday evening of last week, some sixty men are already upon the roll.

The announcement is made that Scranton, is unable to pay the June interest on its debt, the City Council not having made any appropriation for the purpose. Captain B. A. Abbott, of Bethlehem, while handling a musket cartridge, had three fingers of his left hand mutilated by the explosion of it. The index finger was cut completely off.

The borough of Danville, Pa., invites proposals until noon June 15 for a 6 per cent 20 year loan of \$125,000, to replace a loan of equal amount at 8 per cent. The total indebtedness of the borough will be \$180,000.

Enos Koch, of Penn Forest, left a rye-stalk at this office Thursday which measures seven feet seven inches in length. If there is any other section of the county that can beat this, we should like to hear from it. Sleep is absolutely necessary for health, and nothing so effectually robs one of sleep as does a crying baby. Use Dr. Bull's Baby Syrup to ease its pain and the baby will be quiet and allow all to sleep well. Price 25 a bottle.

There was a general resumption of coal mining in the Schuylkill region Monday. The allotment of the Philadelphia and Reading Company for the production of coal during June is 684,000 tons. This, it is believed, will give the miners four weeks' steady employment.

H. H. Peters, the popular merchant tailor, has just returned from the city with another new stock of the latest and most fashionable cloths, cassimeres, and suitings, which he is prepared to make up in latest styles at popular prices. Store in the post-office building, Bank street, Lehigh, Pa.

The time for holding the Keystone Band picnic has been changed from Saturday, the 15th to Wednesday, the 12th, on account of the excursion for the benefit of St. Luke's Hospital, which occurs on the former date. Let there be a good attendance next Wednesday, and so help the boys along. Lots of good music, dancing and refreshments.

A postal received from Mr. E. Brown, of Liberty, Adams Co., Ill., says: "We still like the West; have every thing to make us comfortable; have put out 30 acres of corn; wheat crop looks promising; expect harvest about the latter part of June; the peach crop will be heavy, and apples plenty. If you come out, you can have all you can eat." Thank you.

The new School Board, of this borough, organized on Monday evening last. John S. Lentz, an old and favorite member of the board, tendered his resignation, which was accepted, and F. P. Longstreet, Esq., was elected by the board to fill the vacancy, and was made Treasurer; Daniel Graver was elected as the new Secretary. Another meeting of the board will be held on Tuesday evening next.

The Scranton Republicans say: "Brighter days are dawning. News of a revival in business reaches us from all parts of the country, and here at home the prospects are better than they have been for some time. The Lackawanna Iron and Coal Company, the Dickson Manufacturing Company, and various other local industries have recently been receiving orders, and the mining outlook is much more encouraging than it has been for months."

AL. W. HITTINGHAM, JOHN GRAYER, JOS. CONSON, Com.

To Hang. A final effort was made Tuesday, before the Board of Pardons, to save Dennis Donnelly, who procured the murder of Thomas Sanger, in Schuylkill county, in 1875, from the gallows. A brother of the culprit appeared and maintained that the condemned had been convicted on perjured testimony, and submitted several affidavits impeaching the veracity of one of the principle witnesses, a Molly Maguire who had turned State's evidence. The Board declined to reopen the case, and Donnelly will accordingly be hanged at Pottsville on Tuesday next, the reprieve of twenty days granted by the Governor expiring on that day.

Grand Excursion. The managers of St. Luke's Hospital, Bethlehem, Pa., have organized a grand basket picnic excursion, from all points on the Lehigh Valley railroad, to West Point, on the Hudson river, to take place on Saturday, the 15th inst. The fare for the round trip, to be \$2.00, from Lehigh, or any intermediate points on the Lehigh Valley railroad. The excursion will start from Lehigh at 6:05 o'clock a. m. on Saturday, the 15th inst. After reaching Jersey City passengers will take the steambot provided for the occasion, on a proceed up the far-famed Hudson river, amid some of the most charming and historic scenery in America, passing Tarrytown, Sing Sing and Peekskill, to West Point, when they will return. This will offer our people an opportunity of enjoying a pleasure excursion at such rates as to meet the convenience of many, who have long desired to enjoy a trip up the famous Hudson, and have been compelled to forego the pleasure out of merely pecuniary considerations.

The Ministerial Convention Of the Allentown District of the East Pennsylvania Conference convened in the Weisport Church of the Evangelical Association, commencing on Monday evening, June 3rd, at 7:30 o'clock. According to programme, a sermon on regeneration was delivered by Rev. Moses Dissinger on the text, "Ye must be born again." The sermon was delivered in Rev. Dissinger's usual characteristic style. The church was crowded. The services for the evening were concluded with prayer by Rev. Snyder, of Bethlehem.

In obedience to the call of Rev. C. K. Fehr, Presiding Elder of the Allentown District, the ministers composing the convention met at 8:30 o'clock on Tuesday morning, in the afore-named church. The exercises were opened by Rev. C. K. Fehr with reading of Scripture, singing, prayer, and an address stating the object of the convention; after which he declared the convention ready for organization. The following was the result: President, Rev. C. K. Fehr; Vice President, Rev. G. T. Haines; Secretary, Rev. J. Bowman; Assistant Secretary, Rev. J. Seyfrid. The chair appointed the following committees: Committee on Business—Revs. J. K. Seyfrid, B. D. Albright, and B. M. Lichtenwalner.

Committee on Resolutions—Rev. Snyder, Rev. Reitz, and Rev. Yeakel. On motion, an Executive Committee was appointed to arrange programme and place of meeting for the next ministerial convention. Rev. Fehr, P. E., is president of this committee. The Committee on Business reported, and report was accepted. An essay on the Hypothetical Union of Christ was read by Rev. J. L. Werner, and, after discussion, the question was referred to the Committee on Resolutions.

On motion, a question-box was ordered to be opened at a favorable time during the convention. Rev. J. Reitz next read an essay on the Intermediate State. After being briefly discussed, it was referred to the Committee on Business. The Christian Religion as a System, and its Effects, by Rev. J. K. Seyfrid, was next introduced, and, after discussion, was also referred to the Committee on Resolutions. The morning session adjourned with prayer by Rev. G. T. Haines.

The afternoon session was still more interesting and instructive than the forenoon session. The meeting was opened by the President with reading of Scripture, and prayer by Rev. C. K. Baker. The Committee on Business reported on programme, and report adopted. The subject, if natural depravity be admitted, how can infants be saved? was introduced by Rev. B. M. Lichtenwalner, of Allentown. The subject was ably discussed by Revs. Werner, Snyder, Haines, Seyfrid, Weidner, Baker, Hoffman, Fehr, and Miller. The question was referred to the Committee on Resolutions.

An essay on How to Cultivate the Spirit of Liberty was next read by Rev. B. D. Albright. After a lively discussion, it was referred to the Committee on Resolutions. Should promiscuous sitting in our churches be encouraged? was opened by Rev. Hoffman, who thought it should not be encouraged. After being followed by Revs. Bowman, Snyder, Knecht, Haines, and Albright, the question was referred to the Committee on Resolutions.

What may be the principal reasons that conversions are not more numerous at the present day? was presented by Rev. J. C. Reber of Allentown. The question was referred to the committee. The subject of worship was opened by Rev. G. T. Haines, and, after the singing of a hymn, as was occasionally done during the exercises, Revs. Baker, Knecht, Haines, Fehr, Dissinger, Seyfrid, Hoffman, Weidner, and Snyder followed in discussion. Closed at about 5 P. M. to meet at 8:30 in the morning.

The children's meetings, held in Weisport, composed principally of the Weisport and Lehighton schools, was a grand success. The front of the church was decorated in a most pleasant manner; a motto wrought in flowers, which read, "All for Jesus," was grand. The meeting was opened by Rev. Fehr, P. E., of the Allentown District. Rev. Hoffman offered the opening prayer. Rev. J. Reitz was the first speaker introduced, he encouraged the subject of the Sunday school scholar. He was followed by Rev. Snyder, of Bethlehem. Rev. Haines made a German address, and spoke in his pleasant style. Rev. J. M. Rinker, of Hazleton, was the last speaker. The meeting was a very enjoyable occasion for young and old. The favorable condition of the Weisport Sunday School speaks well for the good management of our young friend, W. C. Weiss, lately elected superintendent.

The Wednesday morning session, the first session of the Ministerial Convention, Rev. W. Yeakel leading in prayer. The minutes of the last meetings were read and approved. The Business Committee reported, and the report was accordingly adopted. The discussion on worship was resumed, and Revs. Werner, Hoffman, Snyder, Seyfrid, Bowman, Baker, Fehr, and Weidner made the subject interesting, after which the question was referred to the Committee on Resolutions.

Rev. J. M. Rinker, of Hazleton, read an essay on the Best Means of Scripture Interpretation. Revs. Hoffman, Werner, Fehr, and others, took part in discussion. The subject was referred to the usual committee. Angelogy. After the opening of this subject by Rev. D. Z. Knecht, singing of "Be not ashamed to say," and an earnest discussion, the question was referred.

A motion that the Committee on Resolutions report after the afternoon session of the Sunday School Convention in Lehighton was sustained. The question-box was opened; a motion that the president answer the questions was carried. The members also took an active part in answering the questions. This feature of the exercises was very interesting and instructive. After some remarks by the President, expressing the benefit derived from the convention, and a prayer, the convention adjourned.

Left for Parts Unknown. Wednesday, says the Mahanoy Record, the whole talk of the street was of the disappearance of M. M. Landy, collector of State and County tax for this borough. He is back on the payment of his duplicate to the amount of \$3,500. Two of his bondsmen, Edw. Gorman and Geo. Whitaker, having become afraid had him arrested on Sunday night before "Squire Ketner, but on his promising to settle up the matter he was again liberated, and on Tuesday afternoon he took the Philadelphia and Reading train for the purpose, as he said to some, to go to Pottsville and settle up his duplicate; to others he said he was going down to Schuylkill Haven and would not be back till next day. Hence it was that some would hold on to the opinion that he would return. But when it became known that before going he had forged the name of Father Ryan to a bank check for \$50 which he had prepared on John Weber to cash, and that the check, having been presented to the bank, was declared a forgery, then all were satisfied that he had gone.

The Sunday School Convention Of the Allentown District of the Evangelical Association commenced on Wednesday afternoon, June 5th, 1878, at 2 o'clock. Rev. C. K. Fehr, Presiding Elder of the District, opened the convention by reading a portion of Scripture, offering an earnest, Evangelical prayer, and delivering an English and German address, stating the object of the meeting and extending an invitation to ministerial and lay members to take an active part in the exercises of the convention. The president then pronounced the convention ready to organize, the result being as follows: President, C. K. Fehr; Vice President, C. H. Baker; Secretary, William Craig, of Lehigh Gap.

A motion was made that all Sunday-school workers present shall be members of this convention. A motion that the convention proceed with the subjects on programme in order was sustained. Revs. Fehr and Albright and W. B. Romig, were appointed a committee on programme. It was moved to have a committee on resolutions and a treasurer. T. Arner was elected treasurer. It was moved and seconded that the Sunday School Convention finally adjourn at 4 o'clock Thursday afternoon.

There being no other preliminary business, Rev. B. M. Lichtenwalner opened the subject of Sunday School Organization. The Committee on Resolutions was appointed, consisting of Revs. Bowman, Seyfrid, and Rinker, after which the subject was resumed by members. The question was referred to the Committee on Resolutions. Because Rev. W. H. Weidner was obliged to leave at 5 o'clock, the third subject of the programme was next taken up by the gentleman named. The subject was Sunday School Helps. This subject was referred to the committee.

The Committee on Business reported, and the report was adopted. The meeting adjourned at about 5 o'clock, Rev. Reitz leading in prayer. After the singing of a few spiritual songs, the children's meeting held in the Evangelical Church, of Lehighton, was announced, was opened by the Presiding Elder, in the presence of a large audience, composed principally of the Lehighton and Weisport Sunday Schools, Rev. Baker leading in prayer.

Rev. James Bowman, of Allentown, was first introduced, and spoke very impressively. Rev. Werner was next introduced, and made a German address. An address by Rev. Knecht, of Allentown, was heard, representing cultured and uncultured persons. Rev. Fehr delivered the last address. A call was at last made by the pastor, on behalf of the basket, for a liberal collection. The meeting closed by singing the doxology, and J. M. Lichtenwalner repeating the benediction. The front of the church was finely decorated, and the house was crowded.

Before the convention of the Sunday School was commenced, on Thursday evening, the Ministerial Convention met, to answer questions and hear the report of the Committee on Resolutions. The meeting was opened in the usual manner, Rev. J. Bowman leading in prayer. After the answering of the questions, the report of the Committee on Resolutions was heard, and, after some corrections, was adopted. The minutes were next adopted as read. It was moved to procure a book in which to write the minutes. Rev. Bowman was made treasurer for the district convention, and after the adjournment of the Ministerial Convention, the minutes of the Sunday School Convention were read, and adopted, after a few corrections.

Rev. J. K. Seyfrid then read an essay on the subject of the Sunday School. After an earnest discussion, the regular order of business was dispensed with, and T. J. Reitz introduced the subject of Bible Study, Arrangement, and Classification of Books, &c. The question was referred to the Committee on Resolutions, and, after the question-box was opened, Rev. Fehr was appointed to answer the questions, the meeting adjourned with prayer.

The special meeting in the afternoon, for the purpose of organizing a permanent Sunday School Convention in Carbon Co., combining the Sunday schools in one organization, proceeded by electing Rev. Fehr as President pro tem. A number of Sunday school workers expressed their opinion in respect to having an organization of this kind. It was moved and seconded to have a society of the kind. W. W. Bowman was elected Secretary pro tem. He proceeded to read the articles of the constitution, after which it was all adopted, except the last article.

The result for officers was as follows: President, W. W. Bowman; Vice President, Rev. Seyfrid; Secretary, William Craig; Treasurer, T. Arner. A motion was made that the next meeting of the society be at the call of the President. The convention in the afternoon was opened by Rev. C. H. Baker, of Allentown, after which Rev. J. Bowman read an interesting essay on Difficulties in the Sunday School Work and How to Overcome Them. Mr. Bowman, Rev. Albright, Rev. Yeakel, C. S. Weiss, W. B. Romig, and others, took part in a discussion, and the question was referred to the Committee on Resolutions.

Rev. Werner took up the next subject on the programme, which was Bible Reading. The question was referred. The question-box was opened again, a collection was taken, and the questions answered. The Committee on Resolutions reported, and the resolutions were adopted. A resolution expressing a vote of thanks to the friends in Weisport and Lehighton, for their kind hospitality during the Ministerial and Sunday School Conventions. The meetings closed finally with an expression of the good received, a hymn sung, prayer offered, and benediction repeated by Rev. C. K. Fehr. We have no doubt that the convention has done a large amount of good, and that it will be felt and appreciated in the future glorious work of the church and Sunday school.

Obituary. It is our painful duty this week to chronicle the death, at Mauch Chunk, on Saturday afternoon last at about 2 o'clock, of Emma, the beloved wife of J. S. Keiser, of the Broadway House, after an illness of about one week. Deceased was aged about 39 years and 5 months, and has left a husband and four children to mourn the loss of a loving wife and mother; while the poor of that place will miss from the paths of life one of the kindest and most charitable ladies of the community. One who was always ready with purse and time to help the needy, a Christian by precept and practice, she has entered that home where the weary are at rest. The funeral took place on Tuesday afternoon, and was one of the largest that ever took place in Mauch Chunk; the officiating ministers were Rev. Frame, of Philadelphia, formerly of Mauch Chunk, and Rev. T. Vincent, pastor of the M. E. Church. Requiescat in pace.

Packerton Ripples. A. H. Bowman having left the employ of the L. V. R. Co., contemplating starting the West his home. He will visit Kansas and other states and says if he can find an improved farm suitable for stock raising he will purchase and remove with his family. We are having quite a lively time among the School Directors here, if report is correct. Ex-Sheriff Reigelgels like a watchdog in the interests of the taxpayers, and there is no back down to him. The new board have organized. The troubles were in the old board. By mutual agreement the matter was referred to the State Superintendent for settlement. We await his decision. The outgoing board have done well. They had nine months school, made sundry improvements, and leave \$148.40 in the treasury, which is much better than last year, when the district was in debt some \$35.00.

Croquet playing and boat riding can be indulged in now. A fine croquet ground at Lehigh Avenue and the dam opposite afford ample opportunities for the lovers of either sport. F. C. Wintermute is again at his desk, but declares that the amount of lip he had to endure during his confinement told heavily on his natural good temper. He has fully recovered from his illness. Rev. B. D. Albright, of the Evangelical church, of Lehighton, addressed the railroad men's meeting here on last Sunday afternoon. His subject was "The Truth of God's Heavenly Word." He is a fervent speaker, commands attention, and is convincing in argument. The meeting was led by John Koons.

We see that a greenback club has been organized at your place. There is also one at Mauch Chunk, F. C. Wintermute President. No better selection could have been made. Frank is devoted to the principles, and thoroughly posted. E. R. Ebeloff, of Weatherly, an aspirant for the Legislature, will address the Mauch Chunk club Wednesday evening. We understand he is making a thorough canvass of the county as to his chances for nomination by the greenbackers.

Regular meeting of the Packerton Christian Association held Friday evening, 11. Babcock in the chair. Meeting opened with prayer, reading of Scriptures, and singing. Minutes of last meeting read and approved. Budget read by Mrs. Elliott. Subjects: "Improvement," by X; "Parting Hour," by C; "Wit and Humor," by H. Rosetta Burns gave a short sketch of Martha James Clements gave the process of making iron. Mrs. Elliott gave the names of the most noted women in the Bible. Charles Long gave a sketch of the Lehigh River. John L. Beers read most excellently "The School Master's Dream." Brief remarks were made by the president and secretary as to the work of the association. Association closed with prayer and doxology at 9 o'clock.

Packerton, June 4. ANON. Weisport Items. Godfrey Laury and family left for Kansas on Monday the 27th ult. They were serenaded at the depot by the Young America Cornet Band. The Sunday School children's meeting which was held on Tuesday evening in the Evangelical church, was a grand success.

The Keystone Cornet Band have changed the time for holding their first annual picnic, from June 15th to June 12th 1878. J. Werner and family moved to Bethlehem on Tuesday last. Croquet is again becoming quite popular here. A number of our citizens are actively engaged in organizing a military company. The Lehigh Valley Emery Wheel Co.'s works and Miner Bros. foundry are both running on full time.

Al. J. Marsh, formerly of this place, was visiting here during the past week. The dedication services of the Lutheran chapel in North Weisport, which were held last Sunday, were largely attended. P. J. Kistler has just returned from a visit to his brother in Kansas. He reports the crops there in a splendid condition.

The Ministerial Convention of the Evangelical Association which was held here during the past week, was a very pleasant and instructive affair. One of the principal attractions was a sermon by Rev. M. Dissinger of Slatington, on Monday evening. The Young America Cornet Band expect to have a Grand Hop at the Weisport House in a few weeks. Mead.

Albrightville Items. No credit. All looks well. Grain fields look very promising. Look out for clothes line thieves and back yard sneaks. William Getz's rye fields, are about the best in this valley. The whippoorwills have already made themselves heard in the marshes. A hen belonging to H. J. Deppy recently laid two eggs in one day. Something extraordinary.

The woods look very fine since the recent rain—clothed, as they are, in a beautiful suit of green. Jack Frost paid us a visit on Monday last, and spoiled most all the early gardens in our vicinity. The public roads of Penn Forest township are almost in an impassable condition, and it is hardly safe for teams to go over. I would advise our worthy supervisor, Adam Meekes, to attend a little more to his business, or he may learn something to his own sorrow.

The Republicans and Democrats of Penn Forest and Kidder townships are beginning to shake hands over the little differences that have existed among them in the past. They say they tried a departure with the intention of making an improvement, but have to acknowledge that the cure is worse than the disease. Our people have become so virtuous, in the estimation of a certain party, that they think a constable is unnecessary. When a political party, nominates and elects a man to an office I think it becomes their duty to assist him in procuring that office, and sustain him while in the discharge of his duties.

Adam D. Christman residing about 4 miles from this place, has made preparations for the erection of a barn. The structure is to be 30 x 44 and 18 feet high. This is said to be one of the largest buildings in Penn Forest township. Mr. Christman seems to depend a little more on farming than heretofore, and I think it is about time for some of our other lumber merchants to depend a little more on farming than they have done, on account of lumbering being nearly played out in old Penn Forest.

Mrs. Hester A. Maudie, formerly of Hazleton (late of New York), is visiting friends, she is the guest of Henry J. Deppy. Mrs. M. intends to stay here for a while for the benefit of her health. I am under obligation to Hon. J. C. Kreamer, of Millport, for statistical school report of 1877. He will please accept my thanks for the same. DEPTER. June 5th 1878.

Obituary. At a meeting at Allbrightville, held on last Tuesday, the following resolutions and resolutions were unanimously adopted. WHEREAS, It has pleased Almighty God, in the dispensation of His wise providence to take from our midst, so suddenly, our beloved brother James F. Leibenguth; therefore, be it,

Resolved, That in the death of our Brother the community has lost a valuable member; that while we deeply deplore the loss we have sustained we feel yet upheld in our sorrow by the thought that He doeth all things well. Resolved, That we tender our heartfelt sympathies to the parents of the deceased Brother, and hope that He who holds all things in the hollow of His hand will comfort them in this their time of severe trial.

Resolved, That a copy of these resolutions be presented to the parents of the deceased brother, that they be entered upon our minutes, that we wear the usual badge of mourning for 30 days, and that they be published in the CARBON ADVOCATE. O. H. SILLIMAN, Com. CHAS. DOTTER, H. G. DEPPY, J. M. GRIFFIN.

Card of Thanks The undersigned Committee of Arrangements for the getting up of the Decoration ceremonies on May 30, in Lehighton respectfully tender their warmest thanks to Hon. W. M. Rapsler, for his eloquent address; to the Reformed Congregation for the use of their church, and to the choir of the said church for the choice music rendered by them on the occasion; also, to Young America and Keystone Cornet Bands of Weisport, the members of the P. O. S. of the Veterans, and citizens generally of that borough for their participation with us; to Rev. B. D. Albright, and to the ladies of our own borough for the liberal donations of flowers for the decoration of graves; to the members of the L. H. & L. Co., and to all our citizens who took part of interest on the occasion.

W. A. GRAVER, B. D. ALBRIGHT, J. O. S. WERN, P. T. BRADY, H. V. MORTIMER, Com.

Breaker Burned. A brilliant spectacle was witnessed at St. Clair, Schuylkill county, Thursday night, G. W. Johns & Brother's colliery caught fire about ten o'clock, and in a short time the whole structure was enveloped in dazzling flames that illuminated the surrounding country to the brightness of day. For twenty miles around the heavens reflected the light, causing alarm all over Schuylkill county. The fire departments of St. Clair and Pottsville were soon on the scene, but the fire was beyond control. The props supporting the costly machinery were burned away and the elevators and rollers fell a distance of 100 feet to the ground with a noise like the boom of a cannon, and sending up showers of sparks that were whirled in all directions, some of them falling on adjoining buildings and setting them on fire. The excitement attending the fire was intense, people rushing to the scene from all parts of the surrounding neighborhood. In about two hours the whole structure was destroyed. It was built in 1857 and employed 250 men and boys, who will be thrown out of work. The colliery was worth about \$100,000, and was insured for \$25,000. It was the only colliery in the vicinity that was working, and its loss is a great blow to the town. The origin of the fire is unknown, yet it is intimated that the Communists are responsible for it.

The Coal Trade. The anthracite coal trade wears a more cheerful aspect than at any time before during the present year. The stock of coal on hand of nearly all the companies is fast running down, and orders for coal are increasing at advanced prices. As compared with this time last year, the Lehigh Valley Railroad has reduced its stock on hand at Pottsville to 163,000 tons. It was then 136,000 tons; it has now on hand but 32,000 tons. The Lehigh and Wilkes-Barre Coal Company within the past month has reduced its stock of coal one-half, and within ten days all of its stock of coal will be disposed of. The company has now no coal piled, all that it has being in loaded cars. The Lehigh Coal and Navigation Company reports its entire production for the month of June sold at an advance. The second week of the voluntary suspension of mining in the Schuylkill region ended with Saturday evening; of course there is no anthracite tonnage to report from that district.

MARRIED. ALLTOWN-BROOK.—On the 2d ultimo, in Tohyanna Township, by Rev. J. J. Huber, Emery E. Alltown, of Tohyanna Township, Monroe Co., and Miss Margaret Berger, of Middle Creek, Monroe Co.

Special Notices. E. F.
