ALL ABOUT COMMUNISTS.

The following is the substance of what we heard yesterday on a street corner, says the Scranton Times.

"Arrah, Michael, and did ye hear iv the Communists bein' alive and stirrin' in Olyphant, and Carr's Patch, and Sandherson's Hill and Bellevue?"

"No, Patrick, and what's more, I don't know what a Communist is."

"Ye don't; why they kem frim differeet places, called Munster and Connaught, and Leinster and Ulster. Some iv thim kem over a hundred years ago, and wan iv thim, I think his name was Patrick Henry, med the first trouble wid the step-mother country, for the blud-thirsty villin' he sed: 'If we mean to be free, we must fight," an they did fight, an', begorrah, they licked their step mother and iver since thin thim same Communists have been raisin' the divil in this country. Sure, whin the war was over, they took off their coats, an' pitched in an' put a lot iv roads and canals thru the land; thin they put up a lot of public buildins, an' jails, an court houses an' churches' and thin they dug the post holes for the tilly-graff poles, an' be dam but they strung wires all over the United States, thin they put down the railroads an' hed cars an' locomotives run on the roads, an' be me sowl, sure you couldn't go any wheres but yed meet wan iv these same Communists doin' somethin'; then when these things was goin' an' others iv thim was makin' laws an' wur what ye call Senators an' Congresmin an' lawyers an preachers—an' the divil knows what. Begorrah they had a fist in everything that turned up—so they had. Thin whin the South got ugly an' wanted to recede from unther ther darlint ould star spangled banner, didn't these same Corkonians an' Connaughtmin—the Communists I mane—shouldher ther guns an' start off in whole regiments an' brigades an' helped to give the ribbils thir tay without sugar. Faith, they did; and thin whin they kum home some iv thim that wint out wid ther gun on ther shouldher kum home wid the shouldher sthraps an' a gineral's swoord be ther side; yis, faith, so they did, an' thim that sted at home an' mined the coal got good wages, for bedad Communists wur in great de mand thin."

"Arrah, thin, Patrick, it seems quare to me that the papers id be so down on the Communists if that's the kind iv people they are."

"Hould yer whist, Michael. Don't yez see that all the improvements are near done in the country, and they are afraid that the Communists 'ill want to turn farmers, and don't ye know that they want to give all the lands to railroad companies an' sich things; an' they want to turn everybody against the Communists, so that they'll have to go back to the ould sod agin, for they're afeard that when the time comes to make ayther Grant or Haze imperor the 1st, these same chaps that fought for the Union before 'ill pitch in an' make things so hazy around the White House that Sherman & Co. won't wait for the imperor to make thim ayther jukes or lords, fur they'd come to the conclusion that they had enough iv bad counts, an' they'd pack ther duds an' go over to see ther step-mother ; fur be gob, Michael, as big as the United States is, ther's no room in it for such a thing as an imperor or a king.

"Whoop! hurroo! Patrick, ye kin count me in fur a Communist whin that time comes. Sure its meself id like to be lathering hell's blazes out iv the spalpeens that ud dare talk about a king in this country."

Not having time to wait to hear the remainder of the conversation we retired feeling assured that the liberties of this country were safe in the hands of such Communists as these.

—A REMARKABLE RESULT.—It makes no difference how many Physicians or how much medicine you have tried, it is now an established fact that German Syrup is the only remedy which has given complete satisfaction in severe cases of Lung Diseases. It is true there are yet thousands of persons who are predisposed to Throat and Lung Affections, Consumption, Hemorrhages, Asthma, Severe Cold settled on the breast, Pneumonia, Whooping Cough, &c., who have no personal knowledge of Boschee's German Syrup. To such we would say that 50,000 dozen were sold last year without one complaint. Consumptives try just one bottle. Regular size 75 cents. Sold by all Druggists in America, and A. J. Durling in Lehighton.

THE BEST AND MOST POPULAR PULMONIC IS

Hale's Honey of Horehound & Tar.

It invariably Cures Coughs, Colds, Hoarseness, Sore Throat, Asthma, Croup and other Affections of the Breathing Organs.

Its soothing influence upon the irritated lining of the air passages, is due to the fact that its ingredients are the most efficacious pulmonic simples known to medical botany, the basis of the article being the HONEY of the HOREHOUND PLANT, chemically united with the medicinal principle of the ABIES BALSAMEA, or Balm of Gilead. There are besides, five other botanic elements which give additional efficacy to the first named two.

Those who have used it say that HALE'S HONEY OF HOREHOUND AND TAR is not only wonderfully remedial in all cases where the organs of respiration are effected, but also that its action is unusually rapid. A few doses frequently serve to relieve a very obstinate cough. It contains nothing that can disorder the stomach, a fact that can be alleged with truth of but few cough remedies: it has an extremely agreeable flavor, and is sold at a figure which enables those of the most limited means to avail themselves of its virtues.

It is simply madness to trifle with a Cough. Irritation of the Throat, Chest and Lungs travels rapidly, and what is a trifling and easily conquerable difficulty in these organs to-day, may in a few weeks develope into Bronchitis or Consumption, two diseases which carry more victims to early graves, than any other in the long list of bodily disorders.

A Cough may be fitly termed the Preliminary Stage of Consumption, a malady of which HALE'S HONEY OF HOREHOUND AND TAR is the surest known preventive. Those, therefore, who would arrest the progress of the destroyer, should delay not a moment to take this CERTAIN Specific.

CHILDREN derive great benefit from its SOOTHING properties, when suffering with the paroxysms of Croup and Whooping Cough. The first named disease is especially destructive among young children and this reliable remedy should be kept on hand in all households. BUY THE LARGE PACKAGES AND ECONOMIZE.

PRICES, 50 cents and $1. per Bottle. Sold by all Druggists.

GLENN'S

SULPHUR SOAP,

The Leading External Specific

for DISEASES OF THE SKIN and

Beautifier of the Complexion.

It renders the Cuticle Healthfully Clear and Smooth, and is the Best Possible Substitute for Expensive Sulphur Baths.

It is an Incomparable Remedy for Bruises, Ulcers, Cuts, and every irritable or unhealthy condition of the skin, and is a most serviceable remedial agent and source of speedy relief in cases of Gout and Rheumatism.

It is a most desirable DISINFECTANT OF CLOTHING OR BED LINEN, worn and used by persons suffering from obnoxious or contagious diseases, and is a Capital Remedy and Preventative of them, when used as an injection. Persons employing it have no need to take Sulphur Baths, or to resort to Sulphur Springs for bathing purposes.

As an adjunct of the TOILET, it is far more desirable than any Cosmetic, since it does not, like articles of that nature, conceal Complexional Blemishes, but removes them.

TAN, FRECKLES, PIMPLES, BLOTCHES, and the like, speedily yield to its clarifying influence; and it is the very best Soap to shave with, because it leaves the skin smooth and free from the irritation produced on a sensitive cuticle, by the application of the razor. It also completely eradicates DANDRUFF.

Housewives declare it to be excellent for washing WOOLEN, LINEN, LACE, and other fabrics; and ladies moving in the best circles of metropolitan and rural society speak of it in the highest terms.

Testimonials pour in from all quarters of the Union upon its Proprietor, many of which have been published in the form of the a neat pamphlet procurable of Druggists and Fancy Goods Dealers, the originals being open to public inspection at his MEDICINAL WAREHOUSE, No. 7 SIXTH AVENUE, NEW YORK. The article is moreover indorsed by the Medical fraternity.

Like most other FamousRemedies GLENN'S SULPHUR SOAP has been imitated. Soaps without the smallest fraction of remedial efficacy have been and are foisted upon the unsuspecting and unobservant, as genuine Sulphur Soaps, possessing properties identical with or equal to the Great Specific which their vendors seek to rival by underhand competition. The public should therefore be careful to inquire for GLENN'S Sulphur Soap by its full name, and see that they get the real article.

All respectable Druggists, Fancy Goods Dealers and Grocers keep GLENN'S SULPHUR SOAP, and will on demand for it, supply the GENUINE thing to their customers.

PRICES, 25 cents per Cake. 1 Box, (3 cakes) sent by mail, prepaid, for 70 cents.

FAVORITE PUBLICATIONS.

FRANK LESLIE'S CHIMNEY CORNER.—This beautiful periodical, the best American family journal, story paper, and home friend, has been the successful rival of all the weekly journals for the past thirteen years. It gained a place in the minds and hearts of our people, and now the name of its patrons is Legion.

This year the CHIMNEY CORNER seems to be better than ever. Its serial stories are of the most absorbing and lively character, of great power, true to life and full of merit, taking a wide range of subjects to please every member of a household—the domestic story for the mother, the charming love tale for the daughters, the more dramatic for the young men, the solid novel for the older readers, and then we have stirring adventure for the boys and fairy tales for the children.

Habberton, Howard, Robinson, De Forest, Benedict, S. Annie Frost, Annie Thomas, Etta W. Pierce, and other eminent writers, are its regular contributors. The subjects treated of are very varied. The illustrations are profuse, and they are all beautiful. Short stories extremely interesting are completed in each number, while biographies, adventures, essays, fun, travels, natural history, legends, anecdotes, science, etc., make this publication one of the most entertaining in existence.

Exquisite steel engravings are frequently given AWAY to its subscribers.

The CHIMNEY CORNER, sixteen pages, with eight pages of illustrations, printed on fine paper, is published every Monday, price only 10 cents, annual subscriptions, $4, post-paid. Address your orders to Frank Leslie's Publishing House, 537 Pearl street, New York.

FRANK LESLIE'S LADY'S JOURNAL is the most beautiful of all the ladies' papers. It should be found on the table of every lady in the land. Price 10 cents per copy; annual subscription, $4, post paid.

FRANK LESLIE'S POPULAR MONTHLY has made rapid strides as the rival of many aspirants to public favor. Its contributors are some of the best living writers. Every department of literature is represented in its columns. The amount of instruction, entertainment and amusement afforded by the articles, essays, stories and general miscellany contained in the 128 quarto pages of each number of this publication has been well appreciated. Every copy of the Popular Monthly is embellished with over 100 beautiful illustrations. Being the cheapest periodical of the kind in existence, and at the same time one of the most select and universally welcome, it must continue to increase in public favor, and rank with the publisher's SUNDAY MAGAZINE—the highest among all our American monthlies. It is published on the 15th of each month. Price, 25 cents a number; subscription, $3, post paid, per year. Address your orders to Frank Leslie, 537 Pearl street, New York.

Deems, pastor of the Church of the Strangers) to stirring tales, general topics and essays, poetry, music, fun, science, history, etc., in great variety. Each copy of this magazine has 100 exquisite engravings of the most interesting character. It has reached a circulation and prosperity such as make it one of the marvels of periodical literature.
