Meeting of Conl Operators.

In accordance with a call issued a few days since by Mr. A. Pardee, a meeting of coal operators shipping via the Lehigh Valley R. R. was held in the Anthracite Building, Bethlehem, on Monday afternoon, for the Bethlehem, on Monday affarmoon, for the purpose of appointing a committee to confer-with the representatives of the other coal regions as to the management of the coal mainess for 1879. Mr. Pardee, the Chair-man, called the meeting to order, and Mr. "Horman Hamburger acted as Secretary. The Chairman stated that he had conven-ed the meeting in consequence of receiving a letter from Thomas Dickson, President, and Franklin B. Gowen, Secretary of the Beard of Control, stating that Dr. Linderman and Mr. Wilbur, against of the Lehirzh coal op-

Mr. Wilbur, agents of the Lohigh cost op-erators, had some reluctance to enter upon the discussion of the quantion of the manage-ment of the coal trade for 1879, on the ground ment of the coal trade or 1852, on the ground that their authority to represent the uning interests of the Lehigh region expires with 1858. They therefore request the appoint-ment of one or more gentlemen, to meet second interests, with a view of adopting some plan for the management of the trade in the future upon the expiration of the present agreement. The roll was then called, and the follow-
