"I say Ehilt" exclaimed Henry Thorston, impatiently, "how much longer are you going to be at that sketch? Here I've been angling in this middy pool for two mortal hours, and one whon I have met before." not so much as one bite has been the reward of my labor. I am getting awful hungry, and we neglected bringing our usual lanch this morning. Come, let us return to the hotel, and you can finish it some other time;" as, gathering up his fishing tackle, he strolled over to she said, with an eagerness that surhis companion, who, scated on a grassy prised him.
"About el

his companion, who, scated on a grassy kuoil, was busily engaged with his pencil.

As Harry approached be paused in his work long enough to reply, "only a few more touches to add, and I will be ready. There; it is done," he added a moment later; what do you think of 12".

"About eight years ago" he commenced. "Phil and I took a run down to the little village of Wildwood. "We passed the time pleasantly, trouting and boating alternately. Phil, being somewhat of an artist, often amused himself by sketching bits of an artist, or an artist, of the comment later; what do you think of the comment later is the comment later.

tained her name, it was impossible for him to find her on his return to the village some few months later. It seems heard "Nero! Nero! Come here!" and through an opening near they saw a hugh Newfoundland dog approaching followed instantly by the owner of the voice, a little, rustle madden, of appar ondy 10 years. Finding herself in the presence of strangers, she stood, hesitating whether to advance or retreat, when the impulsive Harry startled her by exclaiming "a veritable woodnymph, as I live! Won't you come here, sis, and let this chap make a furnish a sequel to your little story." here, sis, and let this chap make a sketch of your my word for it, you would make a bounde little gipsy queen; come, it won't take a minute," he add-scarch of his friend, when she detained

"By Jove! she is a regular spit-fire, Phil; just look at her!" bursting into bursting into uncontrollable fit of laughter.

The little elf was gazing at Harry,

In one hand she held a little basket

and clenching the tiny fist harder; then turning again to Harry, she asked, defiantly, "Who are you, sir, and what do you want?" "This little bonnet," do you want?" "This little bonnet," replied Harry, advancing still closer, and picking it up from the ground where it had fallen, "I say you are a regular Tarter, aren't yon?," "And what If I am, old impudence!" she re-third calculus snatching the bonnet transfer of the control of the contr

A telegram was awaiting him, recall-

A telegram was awaiting him, recalling him immediately to the city, and he was obliged to leave on the night train.

Walked over to the window and looked out.

Unloosing herself from his clasp,

then, bright and green, had crowned lorest monarchs. Were now lying sere and yellow at his feet.

pear, but she came not.

Returning to the village he made in quiries. "Wars it the widow Wilde's birce," they asked; "she had gone with her aunt some two months or more no one fraw where; to the city," they thought. "Was she a relative", "No." "Then why was he so auxious to find ler?" and he returned to the site to find ler?" and he returned to the site to find Ler?" and he returned to the city to dream over the picture, which was tenfold dearer to him now that he had so

hopelessly lost the original. "Going to Mrs. Middleton's party to- fountain. "Going to Mrs. Maddeton's party to-night, Phil?" asked Harry Thornton, as he sat puffing a fragrant eigar, watch-ing the wreaths of smoke curling fan-tastically above his head. "I under-tastically above his head." I understand it to be a select affair, given in honor of one Miss Madge Morell, I have not met her, but Ned Howard says wide open.

The man who has persistently clossed the door all summer, now seaves it wide open. she is a dashing brunette' bright, be-witching and beautiful; just your style

The Wood - Nymph.

After conversing for some time she suddenly became abstracted, snewering at random, her gaze wandering to a group near them so often that he

one whon I have met before."
"That is one of nature's noblemen, Philip Chester, by name, and is my particular friend. He has a romance, quite interesting which, if you care to listen, I will relate,"
"I am fond of formance, please do,"

"Think it is good—very good indeed. It only needs one thing to render it complete," replied Harry.

"Why, I thought it was already complete," examining it closely, for he had a true, artistic eye. "What is wanttand?"

"He has never met her since, being "He has never met her since, being addenly away the same night of salled suddenly away the same night of salled salled suddenly away the same night of salled s

spanded Harry; but then, I suppose they don't exit now a-days, although this gien," giancing around, "seems a fitting place for their abode."

"He has never met her fince, being called suddenly away the same night of their meeting, and not having ascertained her name, it was impossible for him to find her on his return to the vil-

"Not to-night, please; I am not pre-pared; but to-morrow if you will bring an uncontrollable fit of laughter.

The little elf was gazing at Harry, her black eyes flashing saucily, and now, dashing her little blue sun-bonnet to the ground, showing a wealth of

to the ground, showing a wealth of black hair, black as a raven's wing failing in glossy waves below her Madge Moreli descended to the parher visitors were unnounced. Never had she been in gayer spirits. She

In one hand she held a little basket filled with berries, the other was doubled up into a fist, which she was shaking vigorously at him. Her little berry-stained face was the picture of childish rage, and she stamped her tiny foot. "Don't you come near me," she cried, wrathfully.

"Don't be frightened," said Philip, kindly; "he is only in fun; won't you come and look at this picture?"

"Frightened," echoed the nymph looking for the first time toward Philip, "do you think I am afraid of him?" drawing herself up to her full height, and clenching the tiny fist harder; then ing him from his reverie into which he had fallen.

The sketch was produced, and, after looking at it for some time, Madge

what If I am, old impudence!" she retorted, quickly, snatching the bonnet from his hand, and preparing to dart away.

"Wait, Harry," said Philip; "let me speak to her, you only vex her;" then, turning to her, "won't you look at this?" holding the picture so she could see it.

Giancing searchingly at him, and seeming pleased with his gentle manner Glancing searchingly at him, and seeming picased with his gentie manner the angry frown slowly left her brow, her clenched hand relaxed, and, after a moments he-itation, she was beside him, gazing with childish delight and admiration.

"Why!" she exclaimed, "that is just like this spot, exactly; see that old "Roth Janushed heartily at Harry's "Roth Janushed heartily at Harry's "Seeming picased stool, trying to extract the lacteal fluid from a refractory cow. It is not more absurd than is Phili's foolish fancy."

the pleasure of seeing you many times that you do not recognize me?" she before I go." asked archly, while a radiant light

without again seeing his little rustic friend.

Not until he reached home did he recollect thathe had not ascertained her name. "However, it will not be diment to find her, for I could recognize her among a thousand," he sail to himself

r among a thousand," he said to him-Left alone, the lovers were not long in giving satisfactory explanations. Madge quickly told him how she had again at Wildwood, that being the name of the little village.

Immediately on his arrival he sought placed her in school until her adar and like the the place of their first meeting. It was late autumn now, and the leaves, which year's sojourned in Europe, and their

subsequent return.
"And you remembered me all the He seated himself on the eid log, from which the moss had now crumbled and waiting as if expecting her to appear, but she came not.

Estimation for the eid log, the asked, and she replied, "how could I forget you?"—but we will intrude no farther; suffice it to say that shortly after there was a wedding, in
