of the service known as the signal corps. The artillery and ordinance corps are to al, inspector-general arta paymaster-general are abolished. The number of officers will be reduced, and it is pro-vided that there shall be no more pro-tations that are abolished of at a targeone.

motions of appointments until the num-ber of general and line officers is brought c'own to a certain number. The officer of general and lieutenant-general will cease with the decrase of the present incumbents, and the major and briga-dier generals are to be reduced to the lowest possible number. No change is a company of brothers They are gready ad-venturers. Hell is simply an imagined reser No change is vointiers. Hell is simply an imagined reserver voir for the eternatized rancers of their hearts. But just as soon as men begin to serve and love are another, just so soon will sweetness and goodness enter into all their conceptions of the Supreme. God will be a father and the gate of Mr. Clarence Messer, the president of the club, the plan has received a prom-ising inauguration. The class was formed a few weeks ago, and rooms were rented in the Young Men's Chris-tian Association building. These were fitted up in a suitable manner and at We slip the following account of an in- gether unreason. Every man and woman has teresting interview between Hou. Eli Per-kins and Hon. Simon Cameron, from the New York New. New York Sen:
If Annussing, Dec. 7.—In a long talk with Senator Simon Cameron to-day in his grand old residence on the banks of the Sasque-hanna. I commenced by asking him what he thought of Mr. Hayes new departure.
"What departure 7" asked the Sonator, as he looked quizzically from under a par of serogy, Seward-like sychows.
"Why, his departure from the Sonator, as he looked quizzically from under a par of serogy, Seward-like sychows.
"Why, his departure from the Sonator, since his imagnetion, and his return to since his imagnetion, and his return to Grant's rigid manner of governing the South." I replied.
"I don't take any stock in Hayes at all, if', "replied the Senator, straly, "I dis-tike him as that I wouldn't speak to him. economy was not too low a stage at which to be-

"But the report comes that Grant anys 'he would not feel at liberty to retues." "I don't care what the report says. I know Grant. He's been here with me a good deal. I tell you that Grant don't want the nomination."

nomination." " If Grant should be nominated, would his habits be an objection to his being Presi-" Not at all. Grant takes a little whiske

L Lehighton. now and then, and so do I; but that don't make him a drunkard. Grant is a temper-ate enter, and is taking good care of himself." " How about Blaine?"

" How about Blaine?" "Blaine would sait me. I think he would carry New England, too. Ife's a strong man. If he hadn't been a strong man Credit Mo-biller would have killed him, as it did Col-biller would have killed him, as it did Col-W. W. BOWMAN, Cashier, Lehighton, Doc. 14, 1878 w4 GRAND CONCERT

billier would have killed him, as it did Col-fax, but Blaine has outlived the Mobilier business, and I think he stands a good chance to be the Republican nomines. He would carry out (Fant's policy, and reestab-lish the Republican party in the South." "What are Conkling's chances ?" "Good, He's got the great State of New York behind him. Of course, he'll be re-turned to the Senato. Conkling is as con-prisenous and as strong as Blaine, as he is apicuous and as strong as Blaine, as he is not handicapped with the old Credit Mo-bilter scandal."

"Sam Tilden ?" " Don't mention him ; he's dead."

Did you ever ask a fayor of Hayes?" No. never: I wouldn't. I despise him Now, there are sixteen candidates for the Post Office down at York, and they all want me to help them, but I tell them that my influence with this Administration ain't orth a ----. No Post Office now 'days for

I suppose you got anything you wanted m Grant 7 om Grant?" "No, sir: I never got but one appoint-ent from Grant in my life." "What was that?" I asked. "Well, there was a Captain in the army

whose former servant got a commission in a sigger regiment. One day the Captain met the servant, and rudely tore his straps off. I heard of it, and I went and got Gen. Grant

appoint that Captain to another position." "What position did you have him ap-inted to ?" "Why, I got Grant to appoint him to the

high position of a private citizen." " And Grant did it ?" " Yes, Grant did it ? and that nigger-hat-ing Captain is a bookkeeper in a sawmill up on the west branch of the Susquehanm, now --where I used to raft down logs when I

was a hov

" And the negro?" " Well, he got to be a Major in a colored the Democratic Senators. It was only on Thursday last that Senator Ben Hill,

regiment.'

"LOVING ONE'S NEIGHBORS." At the Masonie Temple, New York city, last Sunday, Rev. O. B. Frothingham's subent condition of affairs. "And we will prove it too, "continued Mr. Hill, "When that debate on Mr. Blaine's resolution takes plaga we shall more to the total statements about a differ bors, the first religious duty." In opening his very eloquent discourse, he said : the published statements about a differ A President of the Sanhedrim twho was the takes place we shall prove to the coun-The set of the same and the sam the evidence to sustain our denial." Alt. Hill never moved a muscle while mak-ing this declaration, and was as serious as if he had been at prayer. What was the substance of the law. The an-swer was :--" What ever thou art not willing to do to thyself do not infict upon thy neighbor.

principle and interest of the debt in four years; and this could be done with-out affliction, as the message informs us that \$500,000,000 of our agricultural products, not needed at home, are ship: day and signed their reports. The work of the committee has been thorough and they have asked for and received sug-gestions from a number of prominent treighbors as this tween. On these two command-they have be asked for and received sug-gestions from a number of prominent treighbors as they with all the mest two command-to the the first and goest command-the f reighbors as threed. On these two command-ments hang all the law and the prophets." With these teachings as his texts Mr. Frotharmy officers. The result of their labors

as it has been adopted, a codification of hem. The labor question, for sometime to me, will be an embarrassing subject. The unit of the solution of t radical changes in the present status of pates and precedent with that of our God, but it inter-the army, the most important making and then comes the love of fload. The first less the duties of the line and staff inter-changeable. The army is to be limited to 20,000 men, exclusive of that branch reason downward ; to begin with abstractions of the service known as the signal corps. The artillery and ordinance corps are to be consolidated, and the staffs of the adjutant-general, quarter-master gener-al, inspector-general and paymaster-
