Portugas he has changed his t fustian, began to bustle him toward the "How much do you ask a pair?" de- said Eleanor.

manded Maude, sailing out upon the Of course Mr. Medicote confessed "Hold on I hold on I young feller, garden path, with her pretty feet the episode of the scissors grinding to Ish hab plenty guelt." And he planked thrust into slip-shod slippers, soiled his blushing and happy little wife after a fifty-dollar note on the desk with a wrapper torn down one side, and her their marriage, well-regulated husbands thud. He got his four tens in change, hair yet in the lose, tangled curls which never to keep anything secret from and, as he folded them up and putthem had hung like coiled gold down her their wives-but Maude never suspect-

had arrested him on the shoulder and The man-a swart-browned, stoopsaid, "You'm pooty fresh, but I threat ing foreigner-set his wheel upon the grass, bowed low, with a smile which disclosed teeth gleaming whitely through his thick, bushy beard, colored girl, some weeks ago brought and held up six fingers, in pantomimic

"That's too much," said Maude. "He can't understand you," said Eleanor, laughing.

Miss Satterly shook her head stamped a laundry, and was released upon promising to supply the money. Yester- of scissors in various stages of dilapidation, and displayed a silver quarter of a dollar.

The seissors-grinder smiled again, made an obeisance nearly to the ground and assented to the targain with numerous nods and signs.

"Isn't be funny," said Eleanor. "She is right. Brown," said the Court, " why don't you pay her, after

temples.

head ache!" And she swept into the house like a

fair Fury. When Olive came in, a few minutes afterwards, with the six pairs of scissors all sharpened and burnished up to a enientific state of brilliancy, her sister was Ising on the sofa with her face turned towards the wall, and her eyes resolutely closed.

sulking fits, that last twenty four hours And she took advantage of circum-

the silver quarter that he had so hardly

"It's lucky for you that Maude didn't him," laughed Eleanor May. "Oh, Eleanor, don't tell her!" Olive blushing deeper than ever.

"But, by the shades of Mohammed, I havel" assented Medicote, sitting down where the cool breeze of twilight could fan his brow.

"I disguised myself as a selssorsgrinder, and put the family shears in perfect order."

"Did they suspect? - the young ladies I mean." "Not in the least."

"And how does the 'Fair One with TRUE WRITERS OF THE BIBLE. the Golden Locks' appear in the seclusion of her own home?" Medicote made a slight grimace.

Had it been anything else than the them. testimony of my own eyes, I couldn't have believed it. But Olive-little brown eyed Olive-she is a jewel of the rarest water!"

And Olive's thoughts jumped at once hard for the divine Maude to !ose both

"It's a rosebud mouth," said Medi pid's bow, the hair was like spun gold but crimping papers are not becoming asperity. "One of these everlasting whole, Mariner, I think I have reason

scissors-grinding fraternity." "And beautiful Maude Satterly could

"Perhaps he has changed his mind,"

CHEWING GUM.

Among the quiet little manufactures of this country is that of chewing gum. Only one factory exists in New York city, and the few others are in New England, New York State, Ohio, Hilinois, and Tennesee. The gum is sold by druggists, grocers and confectioners in cities, and any country grocery that hasn't it is considered incomplete. Gum from spruce trees was exclusively used until recently, when it found a rival in continuous for rain; but the following anecdote intiuntil recently, when it found a rival in of rain; but the following anecalote indigum actic, a white and attractive article cates that some of their habits clearly foremade from parafine, which is sweetened.

The consumption of this chewing gum Disjonval, seeking to beguite the tedium of Legation is current in Washington.

A voung attache recently reached in the United States is about thirty tons his prison hours at Utretch, had studied at-In the United States is about thirty tons his prison hours at Utretch, had studied at- A young attache recently reached yearly; that of spruce gum somewhat tentively the habits of the spider; and eight there fresh from London; his last sta "Horrid velveteen-coated fellow!"
said Mande. "To think that he belongs to the same hamknity with my divine Algernoni"

"He looks tired and thirsty," said gentle-hearted Olive. "I've a great mind to offer him a cool drink."

"You'il do no such thing," said

yearly; that of sprace gum somewhat less, amount of sprace gum somewhat less, and that of a gum made in Tennessee from balsam tulo, and sold in the Southern States, about twenty tons. Lately a material has been used styled "rubber gum." It is from the sap of gentle-hearted Olive. "I've a great mind to offer him a cool drink."

"You'il do no such thing," said less that of sprace gum somewhat less, and that of a gum made in Tennessee from balsam tulo, and sold in the Southern States, about twenty tons. Lately a material has been used styled "rubber gum." It is from the sap of the spider; and eight ton, and was greatly versel over what were to be well versed in its ways. In December of 1794, the French army, on whose success his restoration to liberty depended, was in Holland, and victory seemed certain, if the frost, then of unprecodented severity; London, and I don't is he will verse to eath the sap in the Algernon in the Southern States, about twenty tons.

"You'il do no such thing," said "You're," said Susan, "he hasn't given a cent to me. He's a deceiving one, he is."

"Sab, don't mind dat woman. she's not 'tickler' bout de truff. I gives her not 'tickler' bout de truff. I gives her what I kin."

"I declare, Mande, I forgot all bound of the sap, like that of the india rubber tree, has a milky look. The lindia rubber tree, has a milky look. The look of his asked a bright young American woman to permit him to present the sundently forwarded into the United States with a view of meiting it with india rubber, in order to produce a cheaper article than the latter. It was found to be impliable, and therefore useless for that purpose. It had length to communicate with the army of his was found to be impliable, and therefore useless for that purpose. It had length to communicate with the army of his look of short drution, and he knew that his was found to be impliable, and therefore useless for that purpose. It had length to communicate with the army of his look of short drution, and he knew that his would right my account that the that would at the ready yet?"

"Chocolate?" repeated poor Mrs. Statterly, with a conscience stricken useless for that purpose. It had length to communicate with the army of his countrymen and its generals, who duly extended to be indicated into the lindia rubber, the first of the first and the freed into the look. The United States with a view of meiting it woman to permit his the that would retain the first and the freed in the first and the freed in the first and the freed in the first and the first and the first and Statterly, with a conscience stricken air. "I declare, Maude, I forgot all about it,. But I'll run directly and set American Indians, and found itseful about it, about it,. But I'll run directly and set American Indians, and found itseful arrange that within a few days the waters are hiptroduced to is Hexcellency an' "Ise don't know, sah, but I'll give it about it,. But I'll run directly and set American Indians, and found useful timated his character, relied upon his arabout it. But I'll run directly and set in allying thirst. Experiments were therefore made here purifying it for temples.

Auterican Indians, and found tiseful timated his character, rened upon as a party of American visitors, according to the foot days the waters would again be passible by troops. They delayed their retreat; within twelve days the wing, auf with final success. It is the frost had returned—the French army the carpet has you're in the 'abit of the 'abit of the carpet has you're in the 'abit of the 'abit "Forgot!" repeated she. You're al-Brown offered it to the woman, She ways forgetting! I never saw any one longer than other gums, which more spider had brought down ruin on the Dutch

The doctors proteribed this upon sanitary grounds. They assert that the coarser tem perament absorbs the vitality of the fine r rather, to put it in a more acceptable phrase, the stronger absorbs that of the the devil has his darning-needle. renker, and therefore it is safer and better to occupy separate conches, and indeed separate pour Hoyle on the troubled waters. An eminet physician of our city, having

ndvocate of this sanitary measure—tells the afraid she's in for one of her regular it is more readily accepted by the husband than the wife. The latter has her suspice ions that this amitary plea is founded on something less and more acceptable and oral than health. He tells several good stories in this connection. Among other he relates the story of a Baldheaded Young Men's Christian Associationist, whose leaf ous little wife was in failing health, and he, the family physician, recommended separ-He bowed low, once more after the ate couches. It was somewhat difficult to astonished Olive very much by raising ber hand to his lips, as he uttered the words, "Baon glomo signorinal" and lady that the representative the good words, "Baon glomo signorinal" and lady that the representative the good lady that the representative the good signorinal is and lady that the representative the good lady that the representative the good signorinal is and feet, good sections and feet good and feet good sections and feet good sections are good sections as a feet good section as a feet good section

BY INCOUNTED In the Odd Fellows' hall, on the twentyeighth of November, The young and the old would do well to remember, For the Beaverites there, on that very night

The little ones there, they had lots of fun, And were constantly calling for more chew ing gum ; Those older ones, too, what a horrible sight,

At this tarnal gum! O! yes, by thunder! I thought their jaws would fly assunder. When girls of sixtoen, eighteen and twenty Will chew this gum because it is plenty-What dirty, filthy and nasty stuff, And not know when they've got enough : Their Mothers, Oh, they will feel crackit To know their girls have such a dirty habit

"was cheap as dirt-a penny a stick, Southey chewed away till they got sick, They spirted and spit all over the floor, And kept hauling and pulling around for Now that Odd Fellows' Hall will smell of gur

bawl, When he smells that gum in the lower hall; Thave just received a full line of FALL and WIN'ER BOOTS, SHOES and RUBBERS, which I am Selling to the people of Le-aghton and the surrounding neighborhood CREATER THAN EVER BEFORE Seld in this County.

He'll but the young members with a good will—
