Judiciary—Charles Mechdsen, of Lower Towannessing, elected Associate Judge, will take his seat on the bench at the opening of Conet next Monday. the mines to the port of shipment beyond he capes of the Delaware will be 40 per ct. of the price at which the real is sold free on yourd at Port Highmond. S. C. Harris, the Line and Southern Sales Agent of the P. A. R. Coaland Iron Co., gives notice that he will continue all unfilled orders into January, and bill at January prices. All drawback circulars heretofore issued are withdrawn id the rates and drawbacks named then a reduction of 10 per ct, will be made real published rates upon all authracite coal consigned for actual consumption at iron works upon the line of the read or any of its branches. The Lehigh Coal and Navigation Co. have given public notice by circular that the following will be the prices charged for the present month of January for "Old

for the present month of January for "Ol Company's Lehigh," "Honeybrook" an "Wilkes Barre" coal at Mauch Clenk fo the city trade: g...... 2 40 Chestnut No. 2..... 1 25 The prices at Mauch Chunk for the trade will be-

.\$2 50 Decrease 35 2 50 All orders subject to any change that may

weight via canal unless the coal is properly weighed and the amount short plainly notes weighed and the amount short plainly note upon receipt given to captain, and claim made for same within ten days from receip of the coal. About the average decline of November prices of coal, so far as we have been able to gather, is one dollar per ton ansome persons intelligent in the trade name a further decline of fifty cents per ton to en able the market to take the amount of every contraction. able the market to take the amount of coa that will probably be thrown upon it, weather for the last few days, however, the thermometer below zero, will no double have wonderful influence on the market and on prices. The supply of coal is unusually low for this season of the year by reason of the shortened production all through the

the future of coal market it is within range of probability that the decline prices will be found overestimated. If the year's output of coal shall reach 21,000,00 f tons, as some have estimated, the compe-ition threatened in the trade, and which lown prices in the near future, as now indi-ated. Three millions of tons in 1879 added

to the output of 18 millions in 1878 will give to much more work to the several companies as to keep them all so near fully employed as to leave no inducement to sell at othe as to reave no inducement to sell at other than fairly remunerative prices. There is reason to anticipate a pretty full demand for ceal, and the past year having done much to make the public familiar with fair prices for

ter. As an inducement to bring them there, he offers a premium of ten cents each to farmers to each the birds for him, while he will in April turn them loose again on the farms from which they are taken. Thus it farms from which they are taken, Thus it to the Mansion as clerk in the west, is spending a few days here. He will return to the Mansion as clerk announces to the miners of the Schuylkill.

announce to your men that the rate of wages to be paid by the company in 1879 will be whose worrying and coughing children have been southed and cured, and have mental to the control of You can further say that the prospect for steady work is botter than it ever was before, and although the price of coal and the rate of freight will undoubtedly be lower dren and severely injuring a first from a than it were last year, we will appear to the rate of freight will undoubtedly be lower dren and severely injuring an of his chiltran it were last year, we will appear to the control of the control o than it were last year, we will agree that no matter how low either will go, the rate of wages during the year will never be less than twenty per cent, below the basis. We expect to continue our colleries at work. The railroad company has agreed to such a slid-ing scale of tells and freight charges as will undoubtedly enable the individual coal op-erators also to keep steadily at work. The descreedly high character of Schuylkill coal

will readily secure a market for the entire product, and with earnest and hearty co-operation among all interests—workingmen, operators, and transportating companies—the Schuylkiil region will at once take its proper position at the head of the trade."

The Lehigh coal operators met in Philadelphia, Friday, and agreed upon the following prices, which show a reduction of about
ten per coant, below those provailing in Noten per cent, below those provailing in No-

vember and December:	Line.		del
Lump	82	50	
Broken	2	50.	
Egg	2	5.0	
Stove	. 2	7.5	
Chestnut	3	40	
Pea	1	25	
Currons Incom	44	-415	

by his friends.

— During the severe cold weather some of our townsmen had their cars and feet frozen.

—A peculiar disease among the horses has made its appearance. Their threats are ion are positively denied by the officers of everal companies. A gentleman representing the Lehigh interest said Monday that there is not the remotest possibility of a syndam interest said Monday that there is not the remotest possibility of a syndam interest said Monday that a syndam interest said Monday that a greater demand for coal, and the stock in the city is light. A very large own housework for a year since, without the large of a day, and I want everybody to know the yards in the city is light. A very large dispensent by the Philadelphia and Read-ing company is expected in a few days.

The following table shows the quantity of coa-suppost over the Lebach V tho Rational to the week ending Jan 4, 878, and for the year as compares the same time in tyear. Regions From: REPORT OF COAL trait

—Give prompt attention and treatment to all the affections of the throat and lungs, coughs, colds, etc., at this season. By using Dr Haa's Expectorant, you will obtain im-mediate relief and soon drive all such comcomplaints from the system The men and boys, about four hundred in

mokin, in consequence of this and the previ-Phila- ous strike. iphia.

\$2 50
At a place called "Bull Frog Alley," near
York, Pa., George Einsig nurdered his wife
2 40
by enting her threat, on Thursday night of
last week. His father in law, who was holding Einsig's infant in his arms, seized the murderer, but the latter escaped by slishing the old man and the baby across the face with the knife. He was subsequently ar-

loss of a day, and I want everybody to know it for their benefit."
