LERIGHTON, PA.: SATURDAY, FEBRUARY 8, 1879.

OBPTUARIES.

DEATHS OF RICHARD HENRY DANA, SR., AND GRN. GRORDE CADWALADER.

The first of the present week brought us the tidings of the death of two more of the oUR INDUSTRIES, No. 4. be removed, and the repealed. Sec. 4. No claim agent or other person Sec. 4. No claim agent or other person work, now fluished, has entered largely into the history of the first century of the United States.

Richard Henry Dana, Sr., distinguished as a man of learning and as a poet and en porated about ton years ago, by Messra G. In order to facilitate the application of enyist, died in Boston, on Sunday last, at B. Linderman, Charles O. Sheer, Robert pensioners, the Commissioner has prepared the venerable age of ninety-two. His fam- Klots and Wm. Lilly. The conception of the following form of letter and certificate, ily has been closely allied to the history of the founders of the enterprise was to make which pensioners should follow literally exthe State of Massachusetts. His father was a specialty of the manufacture of cooking cept in filling blanks: Francia Dana, who was successively Minis-

class of 1888. He studied law in Boston, and afterwards in the office of Robert Goodlos Harper, of Baltimero, and was admitted to the Massachusetts bar in 1811. His testes being iterary and his health not ro-bust, he abandoned the profession of the law and took a position on the editorial staff of the "North American Review," of which The officer of the Contrany are G. R. his emsin, Prof. Wm. T. Channing, was Linderman, president, with power to act, awarded them, and they have but to write, a raft with the drift wood, then he dimbed up, awarded them, and they have but to write, on it and seamed the horizon to see it a ship chief editor and manager. At this period his period and Honey have but to write, and Honey have but to contributor to the leading periodicals of the principal business office is located in Bethleday, and signally distinguished himself as its finances are managed in Mauch Chunk the author of a review of Haalitt's lecture by the treasurer, while the mechanical operon the British Poets. As a critic he was just but fearless, ignoring the conservative the direct superintendence of Mr. A. C. Pope by the Jesuits. The report was telelandmarks which were founded in preju- Baselfiend, who, a thoroughly practical dices of the age. It was said of him, he was of the great Jeffrey, who then ruled the Republic of Letters with a "rod of iron." In 1820 he ceased his connection with the Revice, and the following year began the publication of the Idle Man, in which though a failure and soon abandoned. In 1821, he been made. contributed to the "New York Review," edited by Mr. Bryant, his first poems,-"The Dying Raven" and "The Husband and Wife's Grave." From the latter we give two extracts to show the depth of thought into which the poet's mind lingered and as now being solemnly sugestive :

"A stillness deep, Insensible, unbeeding, Side you cound, and darkness, as a stora, bas sealed you in; Away from all the living, here yo cest, In all the insernees of the mercow tomb, Yet fiely not each other's presence now Dread followship battgether, yet alone.

Dread followship issingether, yet alone. "O listen, man! A voice within us speaks the startling word, Jian, thou shalt never allo? coloritai voices Hymn it roundy ur sould; according harps, By angel ingues together, sound forth still The song of our great immortally: Thick-clustering orbs, and this our fair domain, The tail, dark monthains and the deep toned seen Join in this solemn, noiversal song."

Some of the now deceased author's poems sparkle with vivacity and mirthfulness, but through them all there is a vein of philosophic thoughtfulness ; as, for instance, in the blithe little lyrie," The Pleasure Boat, " ending with

"Garmening to the wind, they reach, With laugh and call, the shore. They've left their foot-print-on the beach, But them I hear on more,"

In 1827 he published his most celebrated

and prose writings, including all of his best with the exception of a series of eight

of May accompanied the Penna, regiments that in any case on which the limitation rescribed by this section bars the further reservation of the claim the claimant may to Baltimore, having previously resigned prescribed by
