ONE TWO-STORY FRAME DWELLING.

Which there are advised by a Chicago physician to always sleep on their backs if they wish to keep crow's feet from the corners of their dark complexion, and drops and picks up "h's" with the same regularity that a Government clerk approaches the paymaster at the end of the form the manufacturers of the Atlantic States, at a recent conference in Philadelphia, expressed a very hopeful senti
Menry, who is well known in the city, for he laws about thirty-three years of age, of average build, dark complexion, and drops and picks up "h's" with the same regularity that a Government clerk approaches the paymaster at the end of the form the corners of their dark complexion, and drops and picks up "h's" with the same regularity that a Government clerk approaches the paymaster feet on bary twenty feet.

Solve the lamprovements thereon are a TAVERN HOUSE.

The Improvements thereon are a travel of always sleep on their backs if they wish to keep crow's feet from the corners of their dark complexity feet.

Solve the lamprovement thereon are a travellos of alw basis, with a good demand, but complaint was made that the price of extra sizes had been reduced below the cost of production.

A committee was appointed to revise the schedule of extra prices for bar, band, hoop and other irons. The prospects of better times for the iron trade are likely to be still further improved by the results of this conference. When manufacturers look hopefulters are the substituted and to the size of the start, and then he went to the next to the mext to the mext to the mext to the start, and then he went to the next to the mext to the mext to the start, and then he went to the next to the start, and then he went to the start the like interviews with about 100 leading business then 100 leading business then to the test of the consulted.

All that certain LOT OF GROUND, attent to t Prices nave already been raised to a paying for the start, and then he went to the next basis, with a good demand, but complaint best city-New York-and from there he startfurther improved by the results of this con-ference. When manufacturers look hopeful-ly at the future, and clearly recognize "the ly at the future, and clearly recognize "the unprofitableness of the past," there is reason to believe that destructive competition will be abandoned, for nothing is more ruinous to legitimate business than competition car-

Washington, with a view to securing his re-moval. A very serious sharge has been made The house of Macy is probably as widely significant him, and his official conduct is conknown as any in America, and its reputation demned by every claim agent in the country. demned by every claim agent in the country.

Heretofore the Pension office has sometimes as eartain grade of goods at one deliar, Macy marked his at 90 cents. Sometimes for oddity each to his prices would be \$1.20 for a given article, or \$12.90. A price at even monsy was as rare as an honest politician, and first place he had cut down the fees of attorey was as rare as an honest politician, and first place he had cut down the fees of attorthis peculiarity, more than any other cause, news proseculing claims for pensioners from probably, brought his store into motoriety and \$25 to \$10, and as the money comes out of the Ries into a handsome fortune. But the grim Book-keeper has been halaneing accounts rapidly with the old firm of R. H. Macy & Co. Two years ago Mr. Macy died in Paris, leaving the charged that he always gives preference ing an inebriate son on an allowance of a few in consideration to applications that are sent hundreds annually. Not long after Mr. La-forge, the second partner, died, and this has now been followed by the death of Mr. Va)en-tine, the sole remaining partner of the origin-al firm. The son alluded to also died a few the pensioners in the United States that it is weeks ago. The immense business new pass-ng t necessary for them to employ the services as into the hands of Mr. Webster, who came of ag attorney or agent to collect what will be into the firm after Mr. Macy's death, and suddenly finds himself master of a retail business that he will not recognize any attorney in such often amounting to \$50,000 in a single day.
"WET TO ORDER."

After every large dry goods fire the smaller have a check sent to him when the application class of retailers get up a tremendous run on is granted. As the claim agents were expectivest goods from the late fire;" and even ing, to get about two millions of the ferty that larger houses have done more or less in this particular line. It has long been a mystery they have been lobbying right and day every to some people how so much goods could be session of Congress for the last ien years t damaged in any fire without breaking all the insurance companies. Some other people didn't stop to speculate intellectually, but proceeded rigorously to financial speculation in these goods, thinking that materials which heastle and demand his removal on the were deme and dirty, without attempting ground that he is interfering with the legiti-to hide in brahams, must be cheap. The recent heavy fires gave fresh impetus to this citizens of this Republic. But it is safe to say particular trade; and though wiscacres blinked and winked and kinted about good chances not regard the conduct of the Commissioner in
