Rosser, chief engineer of the North day night. If you intend to go west, call and see him, he will send you right, cheap and quick.

—Fimples and bletches on the face can be removed by rubbing with camphor milk. It costs only 25 cents per bottle.

—There having been recently some excitement in Weissport about mad-dogs, the authorities of that borough have ordered the works of the womers of canines to muzzle their pests. It always looks extremely unfair to strip a dog of his bark in this foul manner, and go of his bark in this foul manner, and no do not be an about the face and and the payment of the county Seat an animistate, busy and go of his bark in this foul manner, and no do not be an about the face and be an of Charles Christians, of Wild Creek Rettle, was destroyed by from the County Seat.

—Thomas Elphison, aged 65 years died to most an active demand in the marking for the anomalous fact of declining prices attending on an active demand in the marking regroes who kest employment under the row and the third manual in the marking regroes who kest employment under the county seat.

—Thomas Elphison, aged 65 years died to establish and private residence are being garnlabed and grounds and control for the summer basiners, and private residence are being garnlabed and grounds and segment of the lorn painted or talleytown.

—The mass go from Michael and the payment of the county seat the county of the carrying companies to keep up a full towns, returned to this place on Tues and his wife. All were are being garnlabed and grounds and garnlabed and grounds and segment of the carrying companies to keep up a full towns, returned to this place on Tues and the carrying companies to keep on an active demand in the marking for the anomalous fact of declining prices attending on an active demand in the marking for the anomalous fact of declining prices.

—Thomas Elphison, aged 65 years died in which are rebuilty garnlabed and grounds and the carrying companies to keep up a full towns, and till the carrying companies to keep on the summer basiners, and gi for the anomalous fact of declining prices ern

The Emery Wheel works have been idle a portion of this week, awaiting the arrival of a certain grade of emery used in the wheels now being turned out at the works

In the measurement and the final transport of the first tended and cracking noises that the mine or part General John A. Dix died at his residence in New York city, at about 11 o'clock on of the east gangway, where six men were at of doubt fill the position with ability and as the authorities have decided to have such an officer in Carbon county, it is believed here by many that the appointment of Mr. Stolle is a well-timed one. The term of the officer is three rears.

The Cours—The sivil docket has kept the Court engaged up to this writing, but monwealth, officer of the richest, and most powerful Church corporation in the country, orator and author, his name was a familiar led in the safest part of the mine, and two

The most wonderful and marvelous suc-ses, in cases where persons are sick or pin-ng away from a condition of miserableness, that no one knows what sile them, (pro-fitable patients for doctors,) is obtained by the use of Hop Bitters. They begin to cur-from the first dose and keep it up until perfect health and strength is restored. Whoever is afflicted in this way need not suffic, when they can get Hop Bitters, see "Truths" and "Proverbs" in another redum. to the Assembly, and in 1845 he was choses enor. On the slavery question he was dered the exponent of the free soil sec-
