### The Carbon Advocate.

### H. V. MORTHIMER, EDITOR LEHIGHTON, PA.:

SATURDAY, MAY 10, 1879. -The Domocratic State Central Commit-

tee met in Harrisburg Wednesday and decided to hold the State Convention in Harrisburg on July 16th.

-The Border Raid bill, authorizing the State of Pennsylvania to redeem over \$2,-

the vetoed mensure. **BEALER OF WEIGHTS AND MEASURES** The appointment of a scaler of weights and measures for Carbon county, being a new thing, many of our people are at fault to understand the law in the matter, we, therefore, at the request of a number of our people are at fault to understand the law in the matter, we, to understand the law in the matter, we, therefore, at the request of a number of our friends publish the following letter of in-quiry from a number of prominent mer-chants of Doylestown, Bucks county, Fa., asking a legal opinion of Mesera G. & H., Lear, as to the powers and duties of the sealer of weights and messures, and the re-ply of those gentlemen to the questions ask-ch the laters fully syndam the immediate.

and notices of task offer ? 3. Can be inspect and seal our weights and measures without our consent ? We desire an early answer to these ques-

tions, in order that our action may be ac-cording to law. Yours truly,

	PAXSON & PICKEHING,
	J. WORTHINGTON & SON,
	FRANK L. WORTHINGTON
	GOTWALS & SONS,

Dovi.sstows, Pa., April 30, 1879. Mesers. Parson & Pickering, J. Worthing-ton & Son, Frank L. Worthington, and Gotwals & Sons

Gentlemen :-- Yours of this date is before

useds de Sons.
Gentlemen: --Yours of this date is before
us, and we have given the subject careful
consideration, and have arrived at the following conclusions:
Your first question is whether the act of April 4, 1877, authorizing the governor to appoint a scaler of weights and measures, is constitutional?
The act is as follows: "That the governor shall have never the appoint no person
the governor to appoint to ask afollows: "That the governor the scaler the internal evidence to see the scaler of the scaler of the governor to appoint a scaler of weights and measures, is constitutional?
The act is as follows: "That the governor to and set to the scaler of the governor to appoint a scaler of weights and measures is to the seventh section so the internal evidence to the scaler of the sc

shall have power to appoint one person as scaler of weights and measures in the sever-al counties of this common wealth where no such office now exists by law, whose term weights and measures as are brought to his

all counties of this commonwealth whole term of offices and to going to the places where the makers, venders or proprietors make, vend, and keep them for the purpose of buying and selling the same. He has no power to make such appoint that it confirst the whole series and to going to the places to adjust and selling the same. He has no power to make such appoint a sealur of weights and measures without our consent to that estent, for it gives the affirmative power to make such appointed, they have all the rights and powers, and are aubiet of the last clause of that is supposed that the last clause is it." that question is : "Can be imaped, weights and measures without our consent. This constitution is that offer deviation, which is in the following language: "No law shall be reasons. But even this is based of the constitution, which is in the following language: "No law shall be reasons. But even this is based of the assounce thereof as is revived, amended, or the provisions thereof extended or conferred by the ference to its title only, but as much thereof as is revived, amended, or the provisions thereof extended or conferred by reference to its it whole scope of that the assounce thereof as is revived. The ablight and powers, which are the object of all the event that the last clause of that examption that it confirmed there are congraves of his powers. The top of the provisions thereof as its whole weight have not the section of the third agention. There are congraves are the whole scope of his power to make such and powers, and are aubied by that of 1836, but that the inter events of the easing the hore in the provisions thereof as its whole we constitution. There are conglicated by that of 1836, but that the inter extended by that of 1836, but that the inter extended by that of 1836, but that the hite rest whole as an examption that the act in the provision of the provisions of the easing the whole scope of the provisions thereof as the whole scope of the prevision of the provisions thereof as the whol

when the same are found or made by such er, after which they filed past the desk, and, er, after which they filed past the desk, and, receiving their bed-checks, proceeded up to the dorinatories. Before following them I hunted for the explanation of these singular-ly dean faces and feet, and found it in a buge wash-room with bath rooms across one side, a long row of hand basits across another, white slong a third stood a formidable line of deep foot baths, where the boys washed their grinor again just before infroducing the mot the spot-lean bedding up stairs. The larger dorm/towhen the same are found or matte by such senier to conform to the legal standard, the officer comparing them shall seal and mark such weights and noessores." There is no uncertainty or smbiguity about that section. Whatever the weights and measures are used for, or by whomsever owned, it shall be the duty of the sealer to compare all weights and measures shick shall be brought to how for that measures that it confers no weights and measures which shall be brought to him for that purpose. But it confers no power on him to call upon any person for that purpose. It upplies only to such weights and measures as are brought to him. The sixth section provides, that "each of the soveral regulators of weights and meas-mus herein authorized to be appointed shall, at least once in each year, advertise in one or more newspapers in the proper eity and county the place where his office is held; and it shall be the duty of said regulators of weights and measures, at least once in every less bedding up stairs. The larger dormit

ries contain about 150 beds each, arranged in two tiers on next iron bedsteads, with nimple space between, and were as iddy and comfortable as any tired man need ask. The large rooms front on three streets, are high celled, and far more airy than many a pretentions

The border failt of it, attubering the bias of the sheld; and it shall be the duty of aid regulators of the measures, at least once in every very to go to stores, houses, stalls and of its entry than many a pretention during the late civil war, was lost on final passage in the House Tuesday for want of a constitutional majority. It received the asyments, weights and measures, at least, scales, weights and the sings, scales, weights and the same with the initials of his last or surname, and the unrent year; for which trial and adjusted and seal the same with the initials of his last or surname, and the unrent year; for which trial and adjusted and seal the same with the initials of has last or surname, and the unrent year; for which trial and adjusted and seal the same with the initials of has last or surname, and the unrent year; for which trial and adjusted and seal the same with the initials of has and receive the following feed." The following feed." The follows a schedule of the vetoed Army Approprise to have them adjusted and seal the "fifth Arenne," while the waix center? "goes by the plebias title of "The Bowery." On an upper floor is the gynamisum, fitted is of the sealer of the week. Breakfast and supplances, where the young the same to have them adjusted and seal the house to the wish at it is ensure and instead when the regulators attends, they shall be required to bring the same to allow wish at is cents a meal for all a boy can eat. Lads who are unable to pay are temporarily lodged and for a ble to pay are temporarily lodged and for all a boy can eat. Lads who are unable to pay are temporarily lodged and for the secoli-room and hold relight. goes by the plebian title of "The Bowery." On an upper floor is the gymmasium, fitted with the usual appliances, where the young sters now challengy each either to the mortal chances of a walking match, two nights in the week. Breakfast and supper are furnished in the house to those who wish, at siz cents a meal for all a boy can eat. Lads who are un, able to pay are temporarily lodged and fed

able to pay are temporarily lodged and fed free of charge. On Sunday evening the boys assemble in the school-room and hold relig-tous services, clergymen and business men al-ways being at hand to address them. A say, assignee of the Estate of Levi Kern, has inge bank is in this room, consisting of a broad table with numbered slits opening into boxes beneath, from which the money is gathered overy week, and deposited at five per cent. The house contains about 200 boys, and costs about \$1,000 a month to run, of which the lads assemble in the school-room and hold religpay about one half, the balance being made up by the Children's Aid Society, which owns The building, and is sustaining five similar the building, and is sustaining five similar but smaller institutions, four fur boys and one for girls, in other parts of the city. This So-clety has agents throughout the West who find situation for the boys, and every week a colony is sent off, ranging in number from 20 to 100. In some cases as high as 150 have gene to 100. In some cases as high as 150 have gene to a time. Needy families also are gathered

enacted and published at length."

amanded, extended or conferred shall be re-ensated and published at length." Under this provision of the constitution, the concluding clause of the act of 1877 is inoperative, and is unconstitutional so far as it is an attempt to revive a law, or to ex-tend the provisions of former laws to a per-tion of the state to which they were before inapplicable. But one portion of an act, or even a part of a section, may be unconstitu-tional and the remaining portions perfect-ly valid. Those portions—the good from the bad-cash be separated only by the courts. The governor cannot veto one portion of the bill, and approve the remainder of it, except in general appropriation bills; but a

in general approprigation bills; but a court can separate the sound from the un-sound, and pronounce which can stand and which must fall.

that act ware repeated as to Franklin, Lan-enster, Montgomery, Bucks, Berks, Lehigh, Dauphin and Westmoreland counties. It this act should be countrued by the courts simply to have abolished the office for these counties, then the reveal of it by the act of New York has bad two Reigns of Terror, but New York has one every May Day. Any man counties, then the revival of it by the act of 1877 will give the officer all the powers con-tained in the set of but if it shall be decided that the act of 1859 repealed the whole act of 1845, as well that portion which confers his powers and defines his duties, as that which anthorizes the appointment of a seni-er of weights and measures, then the latter atter and and set at the same fix. Houses and stores that no man act can not be revived, and have its provis-ions act mamber are emptying themselves upon the sidewalk. I werybody's back aches; so the sidewalk. Everybody's back aches; so the sidewalk. Everybody is also irritable act of 1845 at length, as required by the constitution, and the clause above quoted adds neither breadth nor strength to the aution of 1845. If the conties named, leaving them without any law on the subjects at a number are emptying themselves upon the sidewalk. Everybody is also irritable act of 1845 at length, as required by the is drawing it midly. Everybody is also irritable adds neither breadth nor strength to the aution of 1845. If the source is and ever extend-ing such of the clause above quoted adds neither breadth nor strength to the aution of 1845 at length as never been revived as to them. The language of the act of 1850 the source is not the subjects at the source is an auther strength or strength to the aution in has never been revived as to them. The which authorizes the appointment of a scal-er of weights and measures, then the latter act can not be revived, and have its provis-ions extended to the counties named, by the concluding clause of the act of 1877, which is simply that the office and officer shall be subject to the act on the set of the start

that the latter act only dispensed with the office, which is an exceedingly doubtful as-sumption. Very respectfully yours, G. & H. LEAR.

"Morley's" Letters from New York.

NEW YORE, May 8, 1879. A BRIGN OF TERROR. Once a year New York forgets the glories of free domocratic government and meckly man describe in a century-but if ever I try

Although the office of the senler of weights and measures has existed since the year 1700 under various laws, the jurisdiction for the most part was confined to the eity and coun-try of Philadelphia, until the passage of the act of April 15, 1845, which conferred upon the governor the power to appoint a scaler of weights and measures for each county of the act of March 22, 1859, the provisions of that act were regarded as the Franklin, Lan-ber for the standards. But by the act of March 22, 1859, the provisions of that act were regarded as the Franklin, Lan-ber for the standards. But by the act of March 22, 1859, the provisions of that act were regarded as the Franklin, Lan-ber for the standards. But by the act of March 22, 1859, the provisions of the standards.
