### Mauch Chunk Notes

SNARES .- The snake question here has an sumed a proportion infinitely paramount to the dog question. Two cases of antike-biting occurred last weth, one of which we duly chronicled; the other occurred on Thursday afternoon, and the viction was John Warnek, an employee of the Switch-Back railroad, who was bitten on the hand by a ratilemake, while engaged at his work) at d on Monday, the bricks being turnished At a meeting of the School Board, held on the fort of Mt. Firmth plane. Both victime doubt, to the dry weather. They have left water, and it is no unusual thing for the vards, and, in one or two cases we have extremely anappiah propensities of these unwelcome visitors absort the people of the Louis was liable to a fine of \$50 and costs, stroll ; and arriving at an inviting grass plot
