DAVID EBBERT'S

BANK STREET. LEHIGHTON, PA

FAST TROTTING HORSES. ELEGANT CARRIAGES. Large and handsome Carriages for Funeral purposes and Weddings. DAVID ERBERT Nov. 22, 1872. EDITOR AND POET.

Twas a man wrapped in an ample cloak, Poet in his mein That went into the office of An English magazine,

"I would unto your judgment, sir, A poem submit; Pray read it carefully and say What that you think of it.

Unto the bard, and said :

He gave unto the editor

A paper closely writ:

Slowly the editor read it through On his brow an angry flush There came as he sollioquized About "hogwash," "rot," and "siush And he gave back the manuscript

That ballad is the very worst That I have ever read," "If I such trash as that should dare Prist in my magazine, Then men would call me a three-ply ass-And they would be right, I week

So, sirrah, take thee a stout sawhorse,

Thereto a bucksaw good; Thy poesy it is n. g.; Thy line is sawing wood." When that the poet heard these words He 'gan to fume and fidget, And sald unto the editor, "Thou art a howling idget!

Read o'er that balled again, sirrah, Read o'er that ballad again, And then thy candid opinion give-My name is Alfred Ten-'The heaven, you say !" cried the editor, Astonished: then he said.

"It shall appear this very month," And kneeling on the ground, He gave the Laureate a check

That poem is the finest thing

That I have ever read.

Two Kinds of Courage. Not many years since the good ship Ponto

an; but in his long career beneath the rident of Neptune he had imbibed many to play about the wind-tossed ship in wiid, of those false Ideas prevalent among seamen, and he had come to look upon the sailor's life as one which necessarily did away with those finer and warmer traits of character that mark the humane and generous landsman. In this wise Isaac Jacobs sometimes lost sight of true merit where it actually ex-

Among the crew of the Ponto, on her preat voyage, was a young man named Caleb Baker. He had shipped only three days be-fore the ship sailed. He was a slenderframed man with a fair propossessing counensuce, light blue eyes and light brown hair. Though light in his build, he was yet well stocked with muscle, and his motions, ship, and all knew it. were quick and energetic. His appearance

was calculated to predispose beholders in his

the deck. he moved to gather up his things. "Then keep your things out o' my way,"

gruffly returned Bunkton.

They were not in your way." " Do you mean to tell me I lie?', "I said my things were not in your way." " And I say they were. Now don't you

spute me again," Very well; have it your own way, almly returned Baker, as he drew his bag oser in towards the bulwarks. "And don't you be impudent, neither, rovokingly added Bunkton.

" Look ye, Bunkton, if you've any busi ness of your own, you'd better mind it." "Eh, lubber? I'll show ye my business As Bunkton spoke, he struck the young

man upon the face. The crew had most of them gathered about the place, and arrangego with a crash. The trestletrees are alents were quickly made for a fight. " Just come forward-come forward, and 'll show ye my business," cried Bunkton

istling about with his fists doubled up. "A fight! a flight!" cried half a dozen of the men. "Don't stand that, Baker.". The young man's eyes had flashed as he received the blow, and there was a quick

quivering of the muscles in his hands, but e made no motion to strike. " Ain't you goin' to take it up?" asked Bunkton

" No. I want nothing to do with you, "Then you are a coward I" uttered Bunkn, with a contemptuous tone and look. Young Baker calmly replied to the taunt, first they had been prepossessed in his favor, for Bunkton was a quarrelsome fellow, and the heroic man could be seen safely hanging the lines have changed. How times have changed

oking with mingled surprise and contempt upon Caleb. "Why didn't you knock him

own, Baker ?" " Because I don't want to fight with any and not resent it?" "I will defend myself in case of danger,

in a brutal fight when it can be possibly

taunted him, but his uniform kindness soon | "I tell you, my men," said the captain put a stop to these outward manifestations, there's certainly two kinds of courage; and and the feelings of the crew were expressed after all, I don't know but that Celeb Baby their looks. Bankton took every occasion ker's kind is the best. It takes a stronger he could find to annoy the young man, for and bigger heart to hold it, at all events." he had taken his oath that he would "have a fight out of the coward yet." The rest of the crew might have let the matter pass, had

the idea of Baker's cowardice. None save himself knew the great struggles that went on in the young man's bosom ; but he had resolved that he would not fight, except in actual and necessary selfdefence, and he adhered to his principle, He performed his duties faithfully, and Captain Jacobs was forced to admit that though

Baker was a coward,he was yet a good sailor. Thus matters passed until the ship had and scrutinized at a respectful distance. foubled the Cape of Good Hope and entered the Indian Ocean. It was towards the the representative of the Hendrick B. Wright close of a day that had been sultry and opressive, that a fitful breeze sprang up from teresting item about an impecunious gen the southward. It came in quick, cool gusts, and the canvas only flapped before it.

"We are likely to have a blow soon," renarked the mate. "Not much, I think," returned the captain, as he took a survey of the horizon. "This spitting will soon die away, and I think the wind will then come out from the west'rd. However, it may be well enough to shorten sail. You may take in t'gal-

lant'ls and close reef the top'ts."

This order was quickly obeyed, and, as the captain had predicted, the spitting gusts fied away, but there was no wind came out from the westward. It grew dark, but no wind had come. About ten o'clock those who were on deck were startled by a sudden darkening of the stars, and they saw a great black cloud rolling up from the southward. It soon hung over the ship like a black pall, and the men began to be frightened. The aptain was called, but befere he came on leck there came a crash as though the very heavens had been rent asunder. The old ailed from Boston, bound to Samatra. She ship trembled in every joint, and a huge rus commanded by Capt. Isaac Jacobs, a ball of fire rolled down the mainmast. Anod seaman and a naturally good hearted other and another crashing of the lightning came, and at last the electric light began

> "The foremast is struck!" shouted one the men. "See where its head is shivered!" All eyes were turned to the spot, and by the next wild flash the men could see that dangerous havor had been made with the must. The cap was shivered, the starboard cheek was nearly stripped off, and the trestietrees were quivering. Of course the heavy topmast was only held in place by the dubious trestletree, and the main-top threatened every moment to come thundering upon the deck, with the long topmast and the topgallontmast in its company. Such a catastrophe would surely prove fatal to the

But while all hands were gazing at this, sound that had been growing in the south- of the Paris Patrie, has deemed it of inter- accompanied with a compliment of £3 4s. 0d. One day, shortly after the ship had left want had escaped the notice of the erew, est to point out the difference between the port, as Baker was busy about some matters and ere they knew it, the rushing, howling present state of public greeting in Russia to-wind was upon them. The ship leaped like ward the Czar, who is still called "the little" or ever had, it may wing its flight to Heaven the men, a rough, uncouth fellow by the a frightened stag before the gale. Mate cut the maintepsail sheets, and the sail was forty years ago.
